ELECTION OF MODERATOR

The Stated Clerk reviewed the rules of the Assembly in regard to the election of a Moderator. Rev. William M. Elliott, Jr., a commissioner from the Presbytery of Dallas, was elected Moderator.

During the interval while the clerks were counting the ballots a number of items were brought to the attention of the Assembly.

MODERATOR'S REPORT

The Moderator presented a report giving an account of the discharge of the duties of his office. Upon motion it was ordered printed in the minutes and is as follows:

Arpil 25, 1957

Brethren in Christ:

The presentation of a report to the General Assembly is a comparatively recent duty of the retiring moderator. So far as I could find, the first moderator to do this was Dr. J. Ross McCain in 1952. Being a college president he was probably accustomed to turn in an annual report to his board of trustees, so this procedure was natural for him. While the Standing Rules of the Assembly say nothing about a report as one of the responsibilities of the moderator, Dr. McCain set a pattern which his successors have followed.

When I became moderator I wished that this had never become the custom; for to read what yeoman service my predecessors had rendered the Church was decidedly discouraging to a man just elected to this office. However, I am grateful that through such a report I can express my profound appreciation of the great kindness shown me through this year by so many ministers, and officers, and members of our Church. It was a joyous experience to find people so ready to take me to their hearts for the Church's sake, and for His sake. It was a humbling experience also, for there was the constant realization that the opportunity for service was so far beyond one's devotion and ability.

At times the burden of the work involved was heavy; but there were days when there was a sense of Our Lord's presence and empowering, which could have been true only in response to the prayers of consecrated men and women who are concerned for the progress of His Church. Perhaps there ought to be a Day of Prayer for the moderator!

Immediately after the gavel had been put in my hands there began to pour in an unexpected flood of letters. Some were congratulatory. Some carried invitations to speak. Some seemed to regard the moderator as an authority on many subjects, and one who was qualified to speak for the Church on mooted questions, and to sponsor on its behalf various causes. An occasional letter took sharp issue with some of the actions of the Assembly, and the position of the Church, and seemed to imply that the moderator was to a certain extent responsible and that he could and should change things. In answering not a few of them one needed to be as wise as a serpent and as harmless as a dove and to remember that the moderator is just the servant of the Church without any authority over it. Many letters had to be written throughout the year, an almost impossible task except for the generosity of Dr. Charles Kraemer, the President of A. T. S., who provided me with an excellent part-time secretary. How grateful I am to him!

Hardly had I drawn a long breath after the Assembly was over before there was the obligation of appointing the members of ad interim committees. This was not easy as only a man with an intimate knowledge of the whole Church could know *who* could best serve on *what* committees. Again extensive correspondence was necessary as I turned to others to help.

Almost at once my itinerating began. This service on the part of the moderator is encouraged by a standing rule which states that it might be of value. Another rule seems to require that arrangements for these journeys through the Church should be made by the Stated Clerk. This would simplify the matter for the moderator, but it is hard to see how another could do this. May I say that in a multitude of ways Dr. E. C. Scott and his assistant, Dr. Archie Smith, helped me. My wonder grew at the number of things Dr. Scott did, and at the efficiency with which he did them all. My gratitude is his for invaluable help.

Thirteen of the sixteen synods were included in my travels, and I should have visited a fourteenth, Texas, but for the bad flying conditions, which turned me back in Atlanta on a trip to Houston. I traveled a little more than 31,000 miles, and spoke 118 times. In all the groups with which I met there were between thirty-five and forty thousand people.

The moderator's service is a very varied one. I preached in local churches at anniversaries, homecomings, services of dedication and consecration; and when nothing special was being emphasized. Several cities brought the Presbyterians of the community together at a special service for the moderator. I addressed more than one presbytery, one synod, and one synodical; and met with The Men of the Church on every level from the local church and presbytery, to synod. I spoke at one seminary and at four of our colleges, and participated in a campaign to raise funds for another. Through the generosity of the churches and the groups visited, my itinerating cost the Assembly not a penny. Dr. Scott had to pay only for the stationery that the office required, and a few telephone calls which he requested. For two terms I taught at the General Assembly's Training School. This limited somewhat my trips until after February. Many more invitations, before and after that date, were declined than could be accepted.

Certain impressions remain after these months of fellowship in different sections of

our Church, though I don't pretend to have an accurate knowledge of the Church as a whole.

There seems to be a spirit of optimism in the Church. One minister in a church well over a hundred years old, who had been its pastor for more than ten years, said to me, "There is more interest in the church than ever before, the attendance is larger, and the people are more ready to work." Others said substantially the same thing. I don't mean that all is going well everywhere. Some men are discouraged and some churches are marking time, or slipping backward; but I believe we have reasons to thank God for His blessings upon this part of His Zion.

The work of the Church is changing. Many churches are giving up the Sunday night service while others are holding two services on Sunday morning. Some are abandoning prayer meeting as it was conducted yesterday, while others have a large attendance at church or family night suppers. Downtown churches are conducting noon prayer meetings. Some have regular weekly meetings for Bible study, or prayer, or discussion. In some, interested groups meet for luncheon, or breakfast, or even before breakfast!

Many new churches are being built, which bring joy to the visitor because of their beauty, and their adaptation to the needs of the congregation and the community. One lovely, functional church plant (I don't like the word) has just been finished by a church two hundred years old, another by a group just organized into a church.

Our cities are exploding into the areas surrounding them. In some of them old churches are moving into the suburbs; in others, presbyteries, or the established churches singly, or working together, are building new churches in the rapidly growing sections. In times past we did not meet the challenge of the country; we must not miss this new opportunity offered by our expanding cities.

The Women of the Church are still on the march, and the Men of the Church are active as never before and have their faces turned toward Miami, which in October will be their Mecca.

While many of our ministers are troubled by the breakdown of family life, I have been made happy by the number of parents who are ready to come together in the morning, young mothers, even some fathers, for serious discussion of their problems. I believe doors are opening for the Church in this field.

The Church is beginning to face more thoughtfully her task in Christian Higher Education. In several synods strong committees have been studying the problems created by our multiplied, or weak colleges, and plans are being laid for their consolidation or better support.

Much is being done, much more must be done by our Church in this favored section which is growing so rapidly in wealth and population. Rejoicing in our Lord's blessing upon us, convinced that all power is given unto Him, certain of His willingness to help, let us commit ourselves more completely to Him, and go forward in hope and courage.

Respectfully submitted,

W. TALIAFERRO THOMPSON

Mr. Robert Davenport, Moderator of the General Assembly's Youth Council, was introduced by the Moderator. Mr. Davenport brought greetings from the council and pledged that body's loyal devotion to the Church.

The Stated Clerk announced that official report had been made to him that the Presbytery of Roanoke, Synod of Virginia, had been merged as of Jan. 1, 1957 with the Presbyteries of West Hanover and Montgomery. Further changes were made affecting the boundaries of the Presbyteries of Lexington and Montgomery.

ELECTION OF TEMPORARY CLERKS

Upon nomination by the Stated Clerk; Rev. Frank B. Estes of the Presbytery of Charleston, Rev. C. Linwood Cheshire, Jr. of the Presbytery of Orange and Rev. Hugh W. McClure, III of the Presbytery of East Alabama, were elected to serve as Temporary Clerks.

OVERTURES

The Stated Clerk presented the following overtures which were referred as indicated:

The General Assembly directed the Stated Clerk to indicate in the Blue Book the reference which he suggests for each overture. If there is no objection they shall be referred as a whole, as recommended, without formal vote.

To the Standing Committee on Bills and Overtures (1)-(8), (35)

Replies are found on pages 44, 45.

(1) The Presbytery of Southwest Georgia respectfully overtures the General Assembly to clarify the eligibility of a ruling elder, whose term as an elder has expired and who has been installed as a deacon, to serve on Committees, Commissions or as a Commissioner to the General Assembly as an elder of a presbytery.

(2) The Presbytery of Suwannee overtures the General Assembly that the wording in the formal call to ministers be changed to include provisions for churches to pay ministers group insurance and hospitalization.

(3) The Presbytery of New Orleans requests the General Assembly to direct the proper agency of the Assembly to revise the printed forms now provided for preparing a call to a minister in such a way as to include space for such terms as: car allowance, paid vacation, insurance, and the like, which are now commonly included in a call, but for which there is no space on the present printed forms.

(4) & (5) WHEREAS, almost every presbytery in the Assembly has some inactive churches which have no program or services of any kind and some presbyteries have many such; and

WHEREAS, our present methods of reporting make no real or adequate distinction between these and functioning churches; and

WHEREAS, the inclusion of these non-functioning (and sometimes almost non-existent) churches in our annual reports *as churches* presents an altogether inaccurate picture and makes all the various studies based upon these annual reports misleading if not futile; and

WHEREAS, precious time is wasted and morale impaired when each set of new leaders is chosen in presbytery's men's or women's or young people's work and these must make inquiries about these dead-but-unburied churches and presbyteries' executives must answer these and other inquiries year after year; and

WHEREAS, some intermediate step between the death of a church and its actual dissolution by presbytery would be more considerate of sacred sentiments and less shocking to tender feelings and thus make gradual and a little less painful the process by which presbytery may dissolve those dead churches that need to be dissolved;

THEREFORE, be it resolved that the Presbyteries of East Mississippi and North Mississippi overture the General Assembly to instruct the revisers of our Book of Church Order to include in our revised Book of Church Order a distinction between active and inactive churches similar in a general way to the distinction it presently makes between active and inactive church members—including the stipulation, for example, that a church which for the space of two years has had no Sunday school, public worship, or other services shall be declared inactive by the presbytery and so reported from that time on until it is either declared active again by presbytery or dissolved.

(6) The Presbytery of Mid-Texas respectfully overtures the General Assembly to amend the Book of Church Order as follows:

Chapter XIX, Paragraph 304, the sentence beginning, "The name of any member whose residence has been unknown for two years to the Session . . ." and ending, ". . . and the names on this retired roll shall not be reported to the Presbytery in the annual statistical report as a part of the total membership of the church," be amended to read: "The name of any member whose residence has been unknown for two years to the Session, or who for two years has not attended its services may, after diligent effort to locate and re-enlist said member has failed, be retired by the Session to a separate roll for retired members, and the names on this retired roll shall not be reported to the Presbytery in the annual statistical report as a part of the total membership of the church."

(7) The Presbytery of New Orleans respectfully overtures the General Assembly to clarify the matter of possible administration of the Lord's Supper elsewhere than in the public worship of the whole congregation, by amending the Confession of Faith in Chapter 31, Section 3, as follows:

Replace the period at the end of the section with a comma, and add the words: ". . . , except that, if a Session think it desirable and wise, it may authorize an administration of the Lord's Supper at the place of residence of a communing member who is providentially hindered from attendance upon this ordinance with the congregation. When this Sacrament is administered in a place of residence, the minister and ruling elders shall be present with the communing member, all believers present shall be invited to the table, and the minister shall conduct a full and proper administration of the Sacrament as is set forth above."

(8) Because our several Assembly's Board and Agencies are charged with large responsibilities for the discharge of which, the funds are made available by the Church, and

Because the urgency of these responsibilities is so great, it is believed that these Boards and Agencies may at times be led to provide inadequately for the salaries and wages of their own employees.

It is also recognized that the Boards and Agencies may feel concern over possible adverse reaction in the Church if more adequate salary and wage scales were undertaken.

THEREFORE, the Presbytery of Kings Mountain respectfully overtures the General Assembly to appoint an Ad Interim Committee to study this problem carefully and to bring recommendations to the 1958 General Assembly.

(35) The Presbytery of Upper Missouri overtures the General Assembly as follows:

That the Assembly clarify the doctrine and practice of infant baptism and children of the Covenant, giving particular note to the following points:

1. Is the term "christening" appropriate to Presbyterian usage?
2. Do God-parents have a place in the Sacrament of Infant Baptism?
3. Should it be taught and practiced as a Sacrament rather than as a dedication?
4. Is it proper to repeat it to satisfy a person influenced by groups believing only in "believer baptism" and immersion?
5. Since baptised children are covenant members of the church does the Sacrament require sessional action? If so, what action?
6. Is it proper for a minister to baptise a child whose parents are not members of the church of which he is pastor, unless he is acting on the request of either the session or pastor of their church?
7. If non-Presbyterians request baptism for their child should they be required to become members before it is done to give validity to the "covenant relationship?"

To the Standing Committee on Office of the General Assembly (9)-(12) and 36.

Replies are found on pages 59, 60.

(9) The Presbytery of the Everglades respectfully overtures the General Assembly to revise the report blank for the session's statistical report to presbytery to permit the separate listing of contributions to synod and presbytery causes.

(10) WHEREAS, the annual statistical report blank for 1956 provides for no breakdown by causes for synod's and presbytery's agencies; figures that are of interest and practical usefulness to synod's, presbytery's and local church's stewardship committees; and

WHEREAS, the distinction between "budgeted" and "non-budgeted" benevolences is a matter on which there is but little uniformity among the presbyteries, and of less uniformity among the local churches;

THEREFORE, the Presbytery of Kanawha respectfully overtures the General Assembly to adopt a form for the Session's Statistical Report sufficiently like the 1955 blanks as to eliminate the above-mentioned objectionable features of the 1956 forms.

(11) The Presbytery of Asheville overtures the General Assembly to instruct the General Council to restore a breakdown of Synod's and Presbytery's Causes in the Assembly's Statistical Report as in the 1955 Minutes.

(12) WHEREAS, the original records and early publications of the Presbyterian Church in the United States are now to be found not only in recognized depositories (such as the Historical Foundation in Montreat, N. C., and the Library of Union Theological Seminary) but also in state archives, college and university libraries, and individually owned collections scattered over a wide area of the United States, so that these historical materials are nowhere available in a single center; and

WHEREAS, it is to be hoped that these materials would be sent to the Historical Foundation if authentic copies were available to these archives, libraries and individuals; and

WHEREAS, some of these materials exist in only one or two known copies, many of which are in such condition as to suffer from handling; which handling would be eliminated if microfilm copies were available; and

WHEREAS, those records that are in private hands are frequently irrecoverably lost by fire or other destruction; and

WHEREAS, these documents ought to be reproduced and made available to church courts, officials and agencies in their work; to seminary faculties and students that our Presbyterian heritage might be better known and appreciated; and to historians and research workers who wish access to these hitherto inaccessible records for use in their historical studies; and

WHEREAS, equipment for photographic reproduction is now obtainable that would make authentic copies of these priceless documents and records from our past, these photographic copies then being made available at strategic centers; and

WHEREAS, the Historical Foundation of the Presbyterian Church, U.S., is the agency of the General Assembly designated to assemble and house a complete collection of the official documents and publications of the Presbyterian Church in its several branches; and

WHEREAS, the Library Section of the Presbyterian Educational Association of the South, composed of librarians of all Presbyterian seminaries and colleges of our denomination, has unanimously agreed to recommend this project to our church courts;

NOW THEREFORE, the Presbytery of East Hanover overtures the General Assembly:

1. To establish at the Historical Foundation a photographic reproduction center which will make available to institutions and individuals at reasonable cost photographic copies of all materials now in, or hereafter assembled by, the Historical Foundation;

2. To instruct the General Council to recommend means or make provisions for securing the necessary financial support for this project.

(36) The Presbytery of Winchester respectfully overtures the General Assembly to place the following questions on the Annual Statistical Report Forms required from each Session: Did you have an evangelistic emphasis last year?.....What type program or procedure?.....(or similar questions eliciting this information).

To the Standing Committee on General Council, (13) and (14).

Replies are found on page 58.

(13) The Presbytery of Asheville respectfully overtures the General Assembly to make a more equitable distribution of emphases during the Church year, and that this overture be referred to the General Council for study.

(14) The Presbytery of Suwannee respectfully overtures the Synod of Florida and the General Assembly that all agencies of these courts be instructed to report annually to the treasurers of the respective presbyteries gifts received directly by such agencies from individual churches, specifying the amounts and the churches involved in such gifts.

To the Standing Committee on Church Extension, (15).

Replies are found on page 79.

(15) WHEREAS, the cities and towns of our Southland are experiencing growth in population unequaled in our history; and

WHEREAS, the Presbyterian Church in the United States faces an unparalleled opportunity in Church Extension; and

WHEREAS, it seems unreasonable to undertake this great task before us without strategy, plan or policy with reference to community development; and

WHEREAS, Committees on Church Extension within various presbyteries as well as local councils of Presbyterian churches continually find themselves in need of guiding principles based on sound judgment and research;

THEREFORE, the Presbytery of Granville respectfully overtures the General Assembly to give serious attention to this matter; to provide the presbyteries with Church Extension policies with reference to such matters as membership size, program needs, efficiency of operation, and whatever else is needed to provide for the increasing numbers of people and at the same time not to overlook the spiritual needs of the individual. It is further hoped that such a study will be made by experts giving their full time in objective study, and not by a committee of over-taxed ministers and laymen.

To the Standing Committee on Christian Education, (16) and (17)

Replies are found on page 68.

(16) The Presbytery of Central Texas respectfully overtures the General Assembly to amend the Book of Church Order, Paragraph 107, as follows: (the proposed amendment is in italic)

It is recommended that every candidate for the ministry should put himself under the care of Presbytery, which should ordinarily be the Presbytery that has jurisdiction of the church of which he is a member. Every applicant seeking to be taken under the care of a Presbytery as a candidate for the ministry *or mission service shall have been a member of one particular congregation of the Presbyterian Church in the United States for the six months preceding the filing of his application. He shall* file his application at least two months . . . . (rest of the paragraph unchanged).

(17) WHEREAS, the Presbytery of Brazos has discovered among the students from the various seminaries of the Church a vast difference in the interpretation of what is required concerning the written parts of trial in paragraph 116 of the Book of Church Order; and

WHEREAS, there is a difference of interpretation of paragraph 116 among the various presbyteries of the church in the making of assignments for written parts of trial; and

WHEREAS, differences of interpretation result in embarrassment for both examining committees and candidates for ordination; and

WHEREAS, severe problems grow out of the fact that in many instances assignments are made by one Presbytery and are subject to approval of another when custom dictates that the original assignments be accepted by the ordaining presbytery;

THEREFORE, the Presbytery of Brazos respectfully overtures the General Assembly to appoint an Ad Interim Committee composed of professors of theology or English Bible from the four seminaries and members from the Church at large who have extensive presbytery experience in the care of candidates and examinations for ordination, to study this whole problem and bring back recommendations concerning answers to the following questions:

(A) What is the interpretation of the phrase "theological topic," in the requirement of a thesis in paragraph 116? Does this mean topics falling under the general headings of systematic theology, or is it to be interpreted in the broader sense?

(B) What standards of composition shall be observed in the preparation of a thesis? Is this the equivalent of a term paper, a bachelor's thesis, or a master's thesis?

(C) What constitutes an "exegesis"; viz., what are the essential elements of an exegesis?

(D) In what way can the seminaries and presbytery committees work together in the guidance of students in the preparation of assigned parts of trial?

To the Standing Committee on Annuities and Relief, (18), (19), (38) and (39).

Replies are found on pages 48, 49.

(18) The Presbytery of El Paso respectfully overtures the General Assembly to lower the age from seventy to sixty-eight of ministers who may retire and continue to serve a church on a salary of $1,800.00 a year.

(19) WHEREAS, the Ministers' Annuity Fund allows a retired minister to receive from Presbyterian Churches, U. S. or our agencies no salary in excess of $125.00 per month without being deprived of Annuity payments; and

WHEREAS, this provision restricts such retired ministers' income below proper living standards of income from our Church sources;

THEREFORE, the Presbytery of Memphis respectfully overtures the General Assembly to take necessary steps toward revising or rescinding this strict limitation on salary a retired minister may receive without eliminating or unduly reducing benefits from the Annuity Fund and make whatever changes in payments due the Annuity Fund required by the decision of competent actuaries.

(38) WHEREAS there are many small churches throughout our bounds in need of supply preachers, and

WHEREAS there are many ministers 70 years of age and older, retired from continuous service as pastors, but are still able and feel the urge to preach, and

WHEREAS, the Book of Church Order makes it the function of the Commission on the Minister and His Work to keep an up-to-date list of retired ministers and others who are available for immediate service, and

WHEREAS it seems to be the policy of the Board of Annuities and Relief to withhold the Annuity and Relief from a minister when he does supply work—

THEREFORE, the Presbytery of Harmony respectfully overtures the General Assembly to encourage the Commission on the Minister and His Work to use these retired ministers to supply vacant churches, and to establish the ruling that their supply work is not to, in any way, affect their annuity.

(39) The Presbytery of Kanawha hereby respectfully overtures the General Assembly to request the Board of Annuities and Relief to restudy the Annuity arrangement available to unordained employees with a view toward making possible a 10% of salary basis contribution to these loyal servants of our Church.

To the Standing Committee on Interchurch Relations, (20) and (37).

Replies are found on pages 65, 66.

(20) The Presbytery of Westminster respectfully overtures the General Assembly through its Committee on Interchurch Relations to explore the possibility of union with the Reformed Church of America.

(37) The Presbytery of Potomac respectfully overtures the General Assembly to appoint an Ad Interim Committee to make a study of the Biblical teaching regarding the proper observance and use of the Lord's Day on the part of Christians, and to report to the 1958 General Assembly, which report shall be printed and mailed to every minister in our church, with the request that he study it, and, if possible, preach on the subject, and discuss with his session any possible steps to be taken in the local congregation by which the members may be led to make a more devout and worthy use of the Lord's Day.

(21) WHEREAS, the recommendation of the Ad Interim Committee on Marriage and Divorce for the amendment of Chapter XXVI of the Confession of Faith, approved by the General Assembly of 1956, was intended to "bear witness to the divine intention of marriage as set forth in the Bible without any exception" (General Assembly's Minutes, page 136); and

WHEREAS, in fact the recommended elimination of Paragraphs 5 and 6 of Chapter XXVI of the Confession of Faith leaves the chapter on Marriage and Divorce in the Confession of Faith woefully incomplete, with no statement whatsoever regarding the permanence of the marriage vow, and with no statement whatsoever regarding either divorce or remarriage after divorce; and

WHEREAS, the recommendation regarding the amendment of the Book of Church Order made by the aforesaid committee and approved by the General Assembly is nothing more than a recommendation to another Ad Interim Committee charged with a larger responsibility with no certainty of its approval by this committee or by the Church as a whole, and in any case does not alter the situation regarding the Confession of Faith; and

WHEREAS, according to the report of the Ad Interim Committee to the General Assembly of 1956, "there has been unrest in the Church" over the present provisions of the Confession regarding marriage and divorce "at least since 1928, culminating in the action of the General Assembly of 1945 recommending a study which would recommend 'changes in these laws';" and

WHEREAS, a majority of the presbyteries, but not the requisite three-fourths, approved changes in the Confession of Faith growing out of this study and recommended by an earlier Ad Interim Committee in 1953; and

WHEREAS, it is clear that a large number of the ministers of the Church are no longer observing the rigid prescriptions of the Confession of Faith in this regard;

THEREFORE, the Presbytery of East Hanover overtures the General Assembly

(A) To disapprove the proposed amendment to Chapter XXVI of the Confession of Faith even if approved by the requisite number of presbyteries; and

(B) To appoint a new Ad Interim Committee to study reports of the last two Ad Interim Committees, along with a renewed study of the Scripture and to recommend needed changes in Chapter XXVI of the Confession of Faith and corresponding paragraphs of the Book of Church Order to a subsequent General Assembly.

(22) The Presbytery of Dallas respectfully overtures the General Assembly to appoint an Ad Interim Committee to develop positive statements on marriage and divorce.

(23) WHEREAS, we do not feel the exceptions for divorce now stated in the Confession of Faith (Chapter XXVI, paragraphs five and six) are substantially supported by the totality of Scripture; and

WHEREAS, we do feel the Confession of Faith should embody a positive statement concerning the permanence of marriage as set forth in Scripture;

THEREFORE, the Presbytery of Wilmington respectfully overtures the General Assembly to appoint a committee to study Chapter XXVI in the Confession of Faith and submit to the General Assembly the needed positive statement to emphasize the permanence of marriage.

(24) The Presbytery of Harmony respectfully overtures the General Assembly to appoint a new Committee to study the problem of marriage and divorce; and bring in their recommendations to the General Assembly.

(25) The Presbytery of Memphis respectfully overtures the General Assembly to make further restudy of the provisions of the Confession of Faith relative to divorce and remarriage.

(26) WHEREAS, the studies of marriage and divorce by our church courts during the past several years have indicated the inadequacy of our present statement concerning divorce contained in paragraphs V and VI of Chapter XXVI of our Confession of Faith; and

WHEREAS, the deletion of the two said paragraphs would result in our Church having no affirmative position on the matter of divorce;

THEREFORE, be it resolved that the Presbytery of Montgomery overture the General Assembly to continue its study of this question in order to formulate a more satisfactory and positive statement of our Church's position on divorce.

(27) Inasmuch as the Presbytery of Piedmont does not feel that the proposed change to the Confession of Faith regarding Chapter XXVI on Marriage, Divorce and Remarriage is satisfactory, it, therefore, overtures the General Assembly to continue its study of same in view of obtaining a more satisfactory report.

(28) The Presbytery of East Mississippi, being deeply concerned by the increasing tensions being put upon family life and the breakdown of so many marriages, respectfully overtures the General Assembly to take appropriate action calling upon all the ministers of our Church to marry no couples who have not been properly instructed in the meaning of *Christian* marriage.

(29) In the light of the seriousness of questions involved in marriage, remarriage and divorce, and the great responsibility placed on the minister performing the ceremony, the Presbytery of Albemarle respectfully overtures the General Assembly, through its proper committee, to give more concrete guidance to help ministers in premarital instructions as to marriage, divorce and remarriage.

(30) INASMUCH AS there is great dissatisfaction over the Church with regard to the current literature as produced by the Board of Women's Work, the Board of Christian Education, and the Division of Christian Relations, as it is evident that a labored attempt is made to prepare the Church to accept a proposed political form of integration of races, and other political changes, as our Christian duty; and

INASMUCH AS this propaganda has not been passed to the lower courts of the Church for their decision and judgment; and

INASMUCH AS money given by the Church as a whole is being used to promote one political viewpoint to the disadvantage of the other; and

INASMUCH AS there is ordinarily no worthy substitute offered for this literature to be used, to the great disadvantage of those in disagreement with its content; and

INASMUCH AS it is a source of discouragement to, and discontent among, true workers in the Church;

THEREFORE, the Presbytery of Meridian overtures the General Assembly to appoint a committee composed of members from the Church at large, and not from the Boards, to examine our literature as produced by the Board of Women's Work, the Board of Christian Education, and the Division of Christian Relations, and to seek to bring it into conformity with what the Confession of Faith teaches concerning the sole function of the Church, "of Christian liberty and liberty of conscience," and "the Jurisdiction of Church Courts."

(34) The Presbytery of Mecklenburg respectfully overtures the General Assembly to continue its study, through an appropriate committee, of the matter of Marriage and Divorce specifically as pertaining to—

1. The statement in the Confession of Faith concerning Marriage and Divorce.

2. Directions to ministers and sessions for procedure in considering the remarriage of divorced persons.

(32) The Presbytery of Winston-Salem respectfully overtures the General Assembly to submit to the Standing Committee on the Minister and His Work the following standing rule adopted by this Presbytery for its interpretation as to whether the rule is in harmony with the Book of Church Order or not:

"In those cases where a minister is changing pastorates, or other approved work as a minister, within the bounds of the presbytery of which he is a member, the Commission on the Minister and His Work shall be authorized to appoint committees or commissions for the purpose of installing the minister in his new work (See Minutes General Assembly 1950, p. 29 and p. 60)."

(33) The Presbytery of Congaree humbly petitions the General Assembly as follows: Since the laws of the State of Alabama and of the city of Birmingham prohibit the mixing of the white and Negro races in public places, Presbytery earnestly petitions the General Assembly to be very careful that it in no ways or manners, either in spirit or letter, contravene or violate these laws; and that all its sessions be held in the South Highlands Presbyterian Church or some other Presbyterian Church in the city of Birmingham, which belongs to our denomination.

REPORT OF THE STANDING COMMITEE ON JUDICIAL BUSINESS

The Commitee had the following papers placed in its hand:

1. Two Complaints:
   a. The Complaint of Rev. Arthur A. Froehlich, Thompson L. Casey et al against the Synod of Florida.
   b. The Complaint of Dr. Sidney Williams et al against the Synod of Alabama.
2. A communication from Rev. Thomas B. Hoover.
3. The record of the vote of the presbyteries on the proposed change in the Book of Church Order to permit the ordination of women as elders and deacons.
4. Official copies of the Minutes of the Synods.

5. Report of the Permanent Nominating Committee on the Class of 1960 of the Permanent Judicial Committee.

Recommendations

A. Complaints

1. The Committee, after careful consideration of the documents placed before it in the Complaint of Arthur Froehlich, Thompson L. Casey et al against the Synod of Florida, finds the Complaint in order, and recommends that a Judicial Commission be appointed to hear the Complaint and make disposition of it.
2. The Committee, after careful consideration of the documents placed before it in the Complaint of Dr. Sidney Williams et al against the Synod of Alabama, finds the Complaint in order and recommends that a Judicial Commission be appointed to hear the Complaint and make disposition of it.

B. The Committee finds that the communication from Rev. Thomas B. Hoover concerning the failure of the Synod of South Carolina to comply with a directive of the General Assembly is true and recommends that the Assembly again call this failure of compliance to the attention of the Synod for its proper action.

C. The Committee recommends that the report of the Permanent Nominating Committee as it concerns the Permanent Judicial Committee, class of 1960, be approved, namely, that T. H. Stukes, and Rev. H. E. Russell be elected and Rev. Ray D. Fortna be re-elected to membership.

D. The audit of the vote of the presbyteries on the proposed amendment to the Book of Church Order permitting the ordination of women as church officers reveals that there were 39 votes cast for the amendment and 44 against it. The amendment therefore is defeated.

E. The Committee examined the official Minutes of the Synods and recommends that the Minutes be approved with the following exceptions:

The Minutes of the Synod of Appalachia contain reports received as information, some of which are printed in the Minutes, as though they had been adopted, while other reports received as information are not printed. The Minutes should have had more careful proof-reading.

The Minutes of the Synod of South Carolina are approved with the exception of matter found on pp. 57-60 containing material which is now the subject of controversy.

Respectfully submitted,

MAC SWINFORD, *Chairman*
S. WILKES DENDY, *Secretary*

REPORT OF AD INTERIM COMMITTEE ON HOMES AND HOSPITALS

Ruling Elder Edward D. Grant, Chairman, presented the report of this Committee which was adopted. (See Appendix page 151.)

Rev. Claude D. Wardlaw, Chairman, presented the report of the Standing Committee on Christianity and Health which was adopted and is as follows:

REPORT OF THE STANDING COMMITTEE ON CHRISTIANITY AND HEALTH

The Standing Committee on Christianity and Health was convened on the call of the Chairman, Rev. Claude D. Wardlaw. Following introductory remarks by the Chairman, the Rev. Wade H. Boggs, Jr., Chairman of the Permanent Committee, was presented to the Standing Committee. Dr. Boggs reviewed and discussed with the committee the report of the Permanent Committee. Special attention was given to that portion of the report giving an exposition of James 5:13-16a.

The Standing Committee wishes to express its appreciation for the sacrificial efforts and helpful guidance furnished by the Permanent Committee in its continuing study of Christianity and Health.

We recommend the following:

1. That the General Assembly receive the report of the Permanent Committee as information, and print said report in full in the Minutes of the General Assembly, with the exception of the Recommendations in Paragraph 4.

2. Since the instructions given the Committee by the 1956 General Assembly are comprehensive, and since more time will be needed to study and implement them, we recommend that the General Assembly authorize its Committee to continue work on these same assignments.

3. We recommend that the Assembly approve the election to this Committee of a professor of Pastoral Counseling, since he is by training widely read in this field and has had clinical experience.

4. That the Class of 1960 consist of the Rev. S. S. Wiley, the Rev. Allison F. Williams and the Rev. Thomas H. McDill.

5. That the General Assembly authorize the Stated Clerk to print the report of the Permanent Committee for 1957, and to distribute it, with the previously printed report

of the Ad Interim Committee for 1956, to every Minister, D.C.E., and Missionary of our Church.

6. That the General Assembly go on record as urging that these reports be widely used by individuals and groups in our churches as bases for study and discussion, and any other ways they may be deemed helpful.

7. That overture 31 from Nashville Presbytery regarding the setting up on the Assembly level, of a Department of Health, Welfare and Related Services, be answered in the negative. The attention of Nashville Presbytery is directed to Section 4, Item 1, of the report of the Ad Interim Committee on Homes and Hospitals, (see Appendix, page 151) which contemplates the setting up of a Division of Homes and Christian Welfare within the Board of Church Extension. If the recommended Division should be set up, it is hoped that the scope of this Committee on Homes and Hospitals would be expanded to include other programs of the Church in areas of Health and Welfare.

C. D. WARDLAW, *Chairman*

The Necrological list was read and the Assembly was led in a memorial prayer by Rev. Lawrence A. Davis.

Rev. Roswell P. Barnes, General Secretary of the National Council of Churches, Rev. Hamilton Aiken, Secretary of Stewardship of the Presbyterian Church of Australia and Mrs. Aiken (Dr. Margaret) were introduced to the Assembly.

The following were appointed by the Moderator to serve as the Committee on Thanks: Rev. James L. Fowle, Chairman, Rev. Max Milligan and Ruling Elder Omer Carmichael.

The Stated Clerk read a communication from the Presbyterian Church in Jamaica requesting aid to help them rebuild earthquake destroyed church buildings. This was referred to the Standing Committee on World Missions.

After being led in prayer by the Moderator the Assembly stood in recess until 7:30 P. M.

EVENING SESSION

The Assembly met in the sanctuary of the South Highland Church for a program of worship and instruction presented by the Board of World Missions with Rev. James L. Fowle presiding. Music was by the choir of the Third Presbyterian Church of Birmingham.

Rev. Eugene Daniel, Candidate Secretary of the Board of World Missions, presented to the Assembly Rev. and Mrs. Pierre W. DuBose, Jr., Miss Catherine Womeldorf and Dr. Robert Phillips, all Missionary appointees. Each of these appointees spoke to the Assembly, after which Mr. Daniel addressed the Assembly on the subject "The Significance of World Mission Opportunity."

At the conclusion of the special program the Moderator took the chair.

Rev. James L. Fowle presented the report of the Standing Committee on World Missions which was adopted and is as follows:

REPORT OF THE STANDING COMMITTEE ON WORLD MISSIONS

Preface

Thanksgiving and dedication must keynote our grateful response to the gracious blessings of our God given to our World Mission endeavor. The significant accomplishments during 1956 call us to praise and gratitude. And the vision of the work yet to be shared in His Kingdom enjoins upon us a renewed consecration to the tasks at hand.

With humble gratefulness we report that the interest of our people in Missions reached an all-time high as marked by their offerings to this cause. This has made possible increased operating budgets in the field and the meeting of urgently needed capital facilities. "The measure of our mercy" toward human suffering around the world has also marked an increasing expression of Christian love. The thirty-five new missionaries, the new office building for the Board scheduled for occupancy this summer, the new chapters in outreach being written in the new fields, the substantial increase in additions on profession of faith in the fields, these all speak to us of the graciousness of our Lord.

With eyes wide open to these mercies of God we would, therefore, call upon the Church for an increased measure of love and devotion. The urgent need on the fields of over a million dollars in additional funds for facilities and equipment had to be denied. The expressed need for 168 new missionaries during the "Forward With Christ Program" has been met to date only with a gain of 78 workers. There now exists the call for 210 presently needed workers to join the 497 now on the field. The complexity of problems surrounding our cooperation with the nascent Churches in our areas of specific responsibility and the challenge of new opportunities opening before us presses in upon us with urgency this world task. Dedication for the challenging of new workers; for wisdom and diligence in guiding the perfecting of the national Churches; and for vision and perseverance in the pioneering opportunities at hand. May the great Pioneer and Perfector of our faith make us able for this our task.

To the devoted and beloved missionaries; to the wise and dedicated leadership of the World Missions staff; and to the faithful World Missions Board we would express the appreciation of all who support and pray for this work.

The following were referred to this Committee by the General Assembly:

1. The Book of Minutes of the Board of World Missions for 1956.
2. The Yearbook and Annual Report of the Board of World Missions for 1956.
3. The Report of the Permanent Nominating Committee for the Board of World Missions regarding the Class of 1960.
4. The Communication from the Board of World Missions requesting a revision of the "Manual of the Board" by an addition to paragraph 48 thereof.
5. The Communication from the Presbyterian Church of Jamaica requesting Inter-Church Aid.

1. All the Minutes for the Board of World Missions for 1956 were carefully read by a special Committee appointed for this purpose. The Minutes were found to be in order and were approved.

2. A copy of the Yearbook and Annual Report for the Board of World Missions for 1956 was presented to each member of the Committee and carefully read. The Committee was unanimous in its approval of this splendid report.

3. The Report of the Permanent Nominating Committee for the Board of World Missions regarding the Class of 1960 was adopted, and we recommend that the following be elected as members of the Board, Class of 1960: T. H. Mitchell, Marc C. Weersing, J. McDowell Richards, Mrs. Lloyd K. Boggs, Harry M. Moffett, Jr., C. H. Patterson, and T. Watson Street.

4. We recommend that Paragraph 48 of Manual of the Board be revised to read: "These allowances are to be regarded as additions to the salaries of the parents, not intended to cover the full cost of maintaining children, but provided in consideration of increased family expense."

5. We recommend that the appeal for aid from the Presbyterian Church of Jamaica be referred to the Department of Overseas Relief and Inter-Church Aid of the Board of World Missions for their consideration and appropriate action.

RECOMMENDATIONS

We recommend the adoption of the following recommendations:

1. That once again the whole Church be called to fervent daily prayer that the much-needed new missionaries might be forthcoming.

2. That preachers be requested to stress the Biblical and theological basis for World Missions, including mankind's lost condition apart from Jesus Christ.

3. That during 1957, the last year of the Forward With Christ movement, all church leaders make an extraordinary effort to challenge suitable young adults between the age limits of 25-30 inclusive with the immediate and urgent need for new missionaries on all of our fields.

4. (a) That pastors, sessions and local church leaders not only be urged to seek for missionary prospects who could possibly go to the field in the immediate future but also that they inaugurate an ongoing plan for challenging their finest young people with the call for world missionary service.

(b) That the Department of Campus Christian Life of the Board of Christian Education and the Candidate Department of the Board of World Missions be requested to present through the Westminster Fellowships in Colleges and Universities the urgent call for qualified workers for the World Mission of the Church in this time of opportunity.

5. That all the organizations of the Church—men and women, church schools and youth fellowships—be urged to keep World Missions before the Church throughout the entire year.

6. That the World Mission Season, February 2-March 2, 1958, be observed in all our churches as a time for church-wide dedication to the World task of Christian missions; that ministers be asked to preach on such subjects as will increase the sense of responsibility and privilege in the world-wide mission of the Church; and that the whole Church be called to earnest prayer for this effort.

7. That at the special time of study all groups be urged to use the books and materials for the various age groups recommended by the Board; that the interdenominational theme for 1957-58 "Japan" be the subject of special study, and that our churches acquaint themselves with the work of our own Church in Japan through materials supplied by the Educational Department.

8. That the Week of Prayer and Self-Denial for World Missions be observed by every church in the Assembly, with its organizations, February 23-March 2, 1958; and that all sessions be urged to arrange for supplemental offerings in the churches.

9. That attendance at the World Mission Conference in Montreat, North Carolina, July 25-31, 1957, be urged on the men, women and young people throughout the Church, and that those who have responsibility for World Missions in their organizations, particularly in the presbyteries, be especially encouraged to attend.

10. That the Church continue to make the wisest and fullest use of furloughed missionaries; also that members of the World Mission Board and Staff and others with special knowledge of missions, particularly ministers with experience on mission fields, be used as speakers and leaders in churches, schools and conferences throughout the General Assembly.

11. That the Young People's World Mission Objective to help build needed church in Leopoldville, capital of the Belgian Congo, be commended to all our Youth Fellowships.

12. That the attention of the Church be called to the Sixth Quadrennial Youth Convention which will be held at the University of Kentucky in Lexington, Kentucky, December 28-31, 1957; that the members of the Church be requested to support this Convention with their prayers and interest; that they encourage and assist selected young people to attend.

13. That ministers throughout the Church be urged to give full cooperation to the Chairmen of World Missions in the presbyteries in order that there may be a fuller and better coordinated program in the whole promotion of missions in their areas.

14. That all pastors and churches be urged to keep before their members the urgent need for material relief and spiritual aid in distress areas of the world.

15. That collections of used clothing, blankets, etc., be made by churches at least twice a year, designated as contributions from the Presbyterian Church, U.S., and sent to Church World Service, New Windsor, Maryland, or Church World Service, 4165 Duncan Avenue, St. Louis 10, Missouri.

16. That attention be drawn to the Christian Rural Overseas Program (CROP) as an authorized and recommended agency, and that members of our churches be asked to contribute foodstuffs, fibers, etc., to CROP.

17. That a special Easter Offering be received, April 6, 1958, for alleviating human suffering and need in the name of Christ throughout the world, the funds to be administered by the Board of World Missions through its Department of Overseas Relief and Inter-Church Aid for work not included in their budget, working cooperatively with other Protestant denominations in Church World Service and the World Council of Churches.

18. That the Assembly approve the Board's action in the election of the Rev. E. L. Daniel as Candidate Secretary for a term of three years.

19. That the Assembly approve the Board's action in the election of the Rev. Paul B. Freeland as Overseas Relief and Inter-Church Aid Secretary for a term of three years.

20. That the Assembly approve the Board's action in the election of the Rev. S. Hugh Bradley as Field Secretary for a term of three years.

21. That paragraph 75 of the Manual be revised to read:

"Africa. The furlough term shall be eleven (11) months from New York to New York. The term of service shall be four (4) years.

"New missionaries, except such as are expressly exempted from this requirement, shall spend a period of at least one year in Belgium as required by the Colonial Ministry, for the study of French and such other courses as are officially prescribed, after which they shall go directly to the field. Such periods of sojourn and of study in Belgium, whether on the first or subsequent terms, shall be regarded as part of the field term."

22. That the General Assembly commend our Church people for their loyal and wholehearted support of our World Mission endeavor during the year; and record its gratitude for the spirit of liberality which has expressed itself in the largest amount ever contributed for this cause in any single year of our Church's history.

Your Committee wishes to thank the following for their information and help in our meetings: Dr. C. Darby Fulton, Dr. D. J. Cumming, Dr. S. Hugh Bradley, Rev. Paul B. Freeland and Mr. Curry B. Hearn.

FOURTH DAY

MORNING SESSION

Monday, April 29, 1957

The Assembly met at 8:30 o'Clock and was led in a worship service by Rev. Ralph M. Llewellyn.

The Moderator called the Assembly to order and the minutes of Saturday's sessions were read and approved.

The Stated Clerk read a communication from the Presbyterian Church in the United States of America extending greetings to the Assembly. The message was signed by the Moderator and Stated Clerk of that Assembly.

The Assembly resumed consideration of the report of the Standing Committee on Bills and Overtures. The report was adopted as amended and is as follows:

REPORT OF THE STANDING COMMITTEE ON BILLS AND OVERTURES

There were placed in the hands of the Standing Committee on Bills and Overtures the following documents:

A communication from Ruling Elder T. Shep Clark, Augusta, Georgia, concerning alleged error in the action of the 1956 General Assembly in defining, for statistical report purposes, "active" Elders and Deacons; and overtures 1-8, 35.

We recommend the following disposition of these matters:

(1) That the communication from Ruling Elder T. Shep Clark be answered by stating that we find no evidence of error in the action of the 1956 General Assembly, there appearing to be nothing in it contrary to the Book of Church Order.

(2) That overture 1, with reference to the eligibility of a Ruling Elder whose term has expired and who has been installed as a Deacon, to serve in various capacities be referred to the Ad Interim Committee on Revision of Book of Church Order.

(3) That overture 2, requesting change in the wording of pastoral calls to include provisions for group insurance and hospitalization, be answered in the negative.

(4) That overture 3, requesting provision of space on printed calls for commonly included terms, be answered in the affirmative.

(5) That overtures 4 and 5, instructing the Committee on Revision of Book of Church Order to make distinction between active and inactive churches, be answered in the affirmative.

(6) That overture 6, for amendment of Chapter XIX, paragraph 304, Book of Church Order, be answered in the negative.

(7) That overture 7, for amendment of Chapter XXXI, Section III, Confession of Faith, be answered in the negative, inasmuch as the word "congregation" as used therein is not limiting either as to place or size, and thus permits a proper administration of the Sacrament of the Lord's Supper for the benefit of a communing member providentially hindered from attendance at regular worship.

(8) That overture 8, requesting appointment of an Ad Interim Committee to study salary scales of Assembly's boards and agencies, be answered in the affirmative.

(9) That overture 35, requesting clarification of the doctrine and practice of infant baptism and children of the Covenant, be answered as follows:

Children of the covenant, the infant seed of believers, are, by the grace of God, heirs of the covenant relationship; and the sacrament of baptism has nothing to do with conferring that relationship upon them. Baptism is the sign and seal of a relationship already existing and the grace of God already made evident. In the words of the Confession of Faith, baptism was "ordained by Jesus Christ, not only for the solemn admission of the party baptized into the visible church, but also to be unto him a sign and seal of the covenant of grace, of his ingrafting into Christ, of regeneration, of remission of sins . . ." In the words of the Larger Catechism, "The needful but much neglected duty of improving our baptism, is to be performed by us all our life long . . ." Infant baptism is thus a seal that a child of the covenant is already ingrafted into Christ for a fruitfulness that shall continuously increase as diligence is given to improving that baptism.

The term "christening" comes from an Anglo-Saxon and Middle English word meaning simply to "baptize in a religious ceremony." However, the word has far more connotation as commonly used, and is inappropriate to Presbyterian usage.

God-parents, as commonly understood, have no place in the sacrament of baptism.

In the Presbyterian Church infant baptism cannot properly be taught and practiced as anything other than a sacrament.

"The sacrament of baptism is but once to be administered to any person," declares the Confession of Faith. Therefore, it is not proper to repeat baptism to satisfy persons influenced by groups believing only in "believer baptism" and immersion.

The only Sessional action required in infant baptism is accurate record keeping as stated in the Book of Church Order, paragraph 68.

It is proper from the ecclesiastical standpoint for a minister to baptize the child of members of another church without request from its pastor or Session, but rules of courtesy and propriety should certainly be observed. The minister shall always send to the pastor or Session of the parents' own church a notice of his action in order that due spiritual oversight may be given and accurate records kept.

Non-Presbyterians, if members of another Christian church, need not become members of the Presbyterian Church before administration of baptism to their infant by a Presbyterian minister, for the covenant relationship is independent of baptism and extends to all believers. However, in such cases special care should be used in determining the motives for such request and instruction should be given as to the nature of this sacrament and as to its obligations upon both parents and congregation.

Respectfully submitted,

W. M. LOGAN, *Chairman*
DAVID F. MURPHY, *Secretary*

On invitation by the Moderator Rev. Stuart R. Oglesby took the chair.

The Assembly heard Ruling Elder John V. Matthews, Over-all Chairman of the Committee of the Miami Presbyterian Men's Convention, set forth plans for the Convention to be held in Miami, Florida October 10-13, 1957.

Rev. J. G. Patton called the attention of the Commissioners to the special issue of the Presbyterian News which will give a digest of the actions of this Assembly.

Ruling Elder John V. Matthews as Chairman of the Board of Directors of the Mountain Retreat Association spoke to the Assembly in regard to the work of the Association and the College at Montreat.

Rev. C. H. Patterson was introduced to the Assembly. Dr. Patterson brought a tribute to Rev. J. Rupert McGregor in the form of a brochure setting forth the growth and progress made by the Mountain Retreat Association during his tenure of office as its president.

Rev. J. P. F. Stevenson, Chairman, presented the report of the Standing Committee on the Board of Women's Work. Pending adoption of the report Mrs. Leighton M. McCutchen, Executive Secretary of the Board, was presented to the Assembly. Mrs. McCutchen in turn presented Mrs. A. R. Craig, Chairman of the Board of Women's Work, Mrs. Walter M. Trulock, Vice-Chairman, Mrs. Vernon Dyer, Chairman of the Advisory Council, and the following members of the staff of the Board of Women's Work: Miss Mary S. Quidor, Treasurer, Miss Louise Farrior, Director Editorial Department, Mrs. Mable Morley, Director of Leadership Education, and Miss Evelyn Green, Director of Program.

The report was adopted as amended and is as follows:

REPORT OF THE STANDING COMMITTEE ON WOMEN'S WORK

Referred to this Committee were the following:

1. The 45th Annual Report of the Board of Women's Work.
2. The Report of Audit.
3. The Minutes of the Board.
4. The Report of the Nominating Committee relative to the Board of Women's Work.

The Chairman presented Mrs. L. M. McCutchen, Executive Secretary of the Board, who in turn presented the following: Mrs. A. R. Craig, Chairman of the Board; Mrs. Walter Trulock, Jr., Vice-Chairman of the Board; Mrs. Vernon Dyer, Chairman of The Women's Advisory Council; and Miss Louise Farrior, Mrs. Mable Morley, Miss Mary Quidor and Miss Evelyn Green, Staff Members.

Mrs. McCutchen reviewed the Annual Report of The Board, pointing out that this year's report was carefully compiled from questionnaires which were sent to the Women of the Church. The Executive Secretary pointed out that the Women of the Church had made a real effort toward being an integral part of the Church, and not an end in itself, and their entire program is designed toward that end. She spoke of the many special projects, mentioning specifically the White Cross program, which is concerned with sending thousands of bandages and hospital supplies to the World Mission Stations; the Birthday Objectives, which included the establishment of area laboratory schools to which $75,000.00 was contributed, and the Ybor City work in Tampa to which $100,000.00 was contributed. The training opportunities offered by the Women of the Church were also emphasized, and it was noted that the age span of the women participating in the Church's program was increasing. She reported that 86% of budgeted askings were received by the Board.

It was further noted that the Women of the Church were actively engaged in the field of visitation evangelism and other areas of participation in the Church's total program. The splendid literature of the Board keeps the challenge of our Church's Mission before the women.

RECOMMENDATIONS

Your Committee recommends the adoption of the following recommendations:

1. That the women of every local church be encouraged to participate fully in the plans which have been developed cooperatively by all the Boards and Agencies of the Church for the emphasis on *The Nature and Mission of the Church.*
2. In the interest of women's full participation in the total program of the congregation, we recommend that sessions and diaconates be asked to name women on committees that deal with the program of the church, including committees on finances and budget.
3. That women be included in plans and committees of presbytery and synod in such areas of the church's program as evangelism, stewardship, and Christian relations.
4. That the Board of Directors of the Mountain Retreat Association be requested to go on record as opening all its facilities to all members of the Church for assembly-wide schools and conferences.
5. That the General Assembly appoint an Ad Interim Committee (of not less than seven members) to clarify the matter of responsibility and authority at Montreat with respect to: 1) Ownership of property at Montreat; 2) Use of Montreat property and facilities by Boards and Agencies of the Presbyterian Church U. S.; 3) Matters of policy affecting work of the Boards, Agencies and Courts of the Presbyterian Church U. S.; 4) Consideration of a study to be made of the Mountain Retreat Association as it pertains to Montreat College; and that this committee report back with recommendations to the General Assembly of 1958. (Also, see page 74.)
6. That the Women of the Church be urged to familiarize themselves with the work of the General Assembly with special attention to recommendations of Assembly's Boards and Agencies.
7. That the election for a term of three years of the following staff members of the Board of Women's Work be approved:
   as Director of Editorial Department—Miss Louise Farrior
   as Director of Leadership Education Department—Mrs. Mable C. Morley
8. That the Manual and Standing Rules be approved as revised.
9. That the following, nominated by the Nominating Committee of the General Assembly to the Board of Women's Work, be elected: Rev. Balmer Kelly, Mrs. J. I. Jordan, Mrs. Sam Wiley, Mrs. Maury McIntyre, Mrs. Julius H. Smith and Mrs. W. A. McCutchen, Class of 1960.
10. That the Assembly commend Rev. W. B. Ward, Mrs. J. P. Terrell, Mrs. W. M. Trulock, Jr. and Mrs. W. J. Powell for their faithful and devoted service to the Board.
11. That the Executive Secretary and the entire staff of the Board of Women's Work be heartily commended for their courageous leadership.
12. That the minutes of the Board of Women's Work be approved.

Respectfully submitted,

J. PRESTON F. STEVENSON, *Chairman*

J. HAROLD JACKSON, *Secretary*

Rev. William Crowe, Sr., former Moderator of the General Assembly (1932) was presented to the Assembly. The body rose to express its regard and esteem.

The Moderator took the Chair.

Ruling Elder Julian B. Fenner, Chairman, presented the report of the Standing Committee on Annuities and Relief which was adopted and is as follows:

REPORT OF THE STANDING COMMITTEE ON ANNUITIES AND RELIEF

The Standing Committee received from the General Assembly the following matters for its consideration:

1. The Annual Report of the Board of Annuities and Relief.
2. Overtures (18), (19), (38) and (39).
3. The Minutes Book of the Board of Annuities and Relief.
4. The report of the Permanent Nominating Committee relative to the Board of Annuities and Relief.

The Committee recommends:

I. The adoption of the following recommendations of the Board of Annuities and Relief:

1. That the Assembly call the attention of the presbyteries to the fact that the Ministers' Annuity Fund is the Official Plan of the Church, and that through membership in it ministers are enabled, during the years of their active service, to make provision for themselves and their dependents for the years of their retirement.

2. That the Assembly request the presbyteries to urge that young ministers and ministers received from other denominations establish membership in the Fund immediately after their reception into the presbytery.

3. That the Assembly remind all churches, Church agencies and institutions that they are expected to share the cost of membership in the fund in accordance with the Official Plan.

4. That the Assembly again urge that all churches and committees, in determining the bases for the payment of dues to the Ministers' Annuity Fund, add 15% to all sources of salary for the free use of the manse, if any, regardless of ownership, in order that ministers may build larger earned annuities.

5. That the Assembly commend again to all churches and Church agencies and to nonministerial employees of the Church the benefits of membership in the Employees' Annuity Fund and urge participation in it.

6. That the Assembly urge all churches and Church agencies to make available to their full-time salaried personnel the insurance coverage offered under the Group Life and Hospitalization Insurance plan which was adopted by the General Assembly.

7. That the Assembly remind the synods, the presbyteries and churches that the contribution to the Board of the full share of the budgeted benevolences askings is a necessity, if the aged ministers of our Church and their dependents are to have provision made for their minimum needs.

8. That the Assembly urge again a generous Joy Gift offering on the part of all organizations of all churches, since it is a major source of income with which the Board ministers to the aged servants of the Church.

9. That the Assembly authorize the Board to continue to use a portion of the funds of Ministerial Relief to supplement the inadequate annuities in the meeting of emergencies in the lives of annuitants, taking into consideration their other sources of income.

10. That the Assembly request the presbytery chairmen of Annuities and Relief to advise the Board of emergency situations in the lives of our retired ministers and their dependents.

11. That the General Assembly urge all churches to adopt the plan of remitting the minister's 2½% dues and the church's 7½% dues in one check.

12. (a) In view of the fact that the Ministers' Annuity Fund as adopted by the General Assembly and in operation since 1940 is an annuity upon retirement pension system which does not provide for annuity payments to be made while the member continues to serve the church for remuneration, and

(b) In view of the fact that a resolution presented to the 1956 General Assembly and overtures to this General Assembly request that ministers upon reaching certain ages be permitted to receive annuity payments and continue to serve the Church with remuneration, and

(c) In view of the fact that such requests involve a change from an annunity upon retirement system to an age annuity system with possible changes in terms of the contract of existing members of the Ministers' Annuity Fund, complicated actuarial calculations, and probable increases in dues payments;

The Committee recommends that the resolution of Rev. Jonathan Edwards to the 1956 General Assembly and overture 18 presented by Presbytery of El Paso, requesting

lowering of age from 70 to 68 of ministers who may retire and continue to serve with $1,800 salary allowed with annuities, overture 19 presented by Presbytery of Memphis, requesting revising or rescinding of regulations limiting to $125 monthly salary retired ministers might receive without losing benefits and that changes in payments be worked out by competent actuaries to pay for this, and overture 38 presented by Presbytery of Harmony, requesting General Assembly to encourage Commissions on The Minister and His Work to use retired ministers, and rule that this would not affect annuity payments, be answered by requesting the Board of Annuities and Relief to study thoroughly with its Consulting Actuary the changes requested by these overtures and report to the 1958 General Assembly the changes that would be involved in contractual commitments with present members, the increases necessitated in dues payments, and the additional capital funds, if any, that would be required, together with any recommendation the Board may make relative to the matter.

13. That the General Assembly amend Article I, Section 5, A, (c) of the Official Plan of the Employees' Annuity Fund to read as follows:

"(c) in lieu of the single life annuity provided herein, the retiring member may elect, as an option,

(1) a joint life and survivor annuity for a reduced amount of annuity, but with fifty per cent of the annuity continuing to the wife or husband or other beneficiary designated before the annuity goes into effect, and without the right of substitution of beneficiary thereafter, or

(2) a reduced single life annuity, with the provision that if the annuity payments received by the member aggregate less than the total amount of member's dues paid into the fund, the excess of such member's dues over such annuity payments shall be paid to the beneficiary, if any, designated by the member or to the member's legal representative."

14. That the Assembly approve a change in the present Group Life and Hospitalization plan to a Comprehensive Major Medical plan, with such company and on such date as may meet the approval of the Board.

II. That overture 39 presented by Presbytery of Kanawha requesting the Board to study possibilities of making 10% of salary the basis of payment for unordained employees, be answered in the negative and for the following reasons:

(1) Social Security is available to non-ordained personnel.

(2) Social Security rates are scheduled to steadily increase.

(3) Provision is already made in Article III of the Official Plan of the Employees' Annuity Fund for any employer who so chooses to provide additional benefits supplemental to those provided by the regular 8% dues payments.

III. That the Assembly approve the minutes of the Board of Annuities and Relief.

IV. That Mr. John L. Oliver be approved by the Assembly as the representative of the Board on the General Council.

V. That the Assembly approve the report of the Permanent Nominating Committee as related to the filling of vacancies on, or the election of new members to, the Board as follows:

Class of 1960 (note exception)*

H. Roe Bartle (Mo.) for Turner Rice
Eldon D. Wilson (Va.) for Grier Davis
Mrs. J. Cecil Lawrence (Ga.) for John R. Richardson

Curtis Morris (Va.) re-elected
Dr. L. Newton Turk, Jr. (Ga.) re-elected

*John A. Redhead (N. C.) in Class of 1958 for W. E. Phifer, Jr.

VI. That in connection with the presentation of this report to the Assembly, Mr. Charles J. Currie, the Executive Secretary, or someone he may designate, be requested to address the Assembly on the work of the Board for a period of not more than twenty minutes.

VII. That the General Assembly commend the diligence of the Staff of the Board of Annuities and Relief and that the Assembly express its continued confidence in the leadership of this Board.

Respectfully submitted,
JULIAN B. FENNER, *Chairman*
W. F. THUSTON, *Secretary*

In connection with the adoption of the report Mr. Charles J. Currie, Executive Secretary of the Board of Annuities and Relief, spoke regarding the work of the Board.

Following explanations by the Stated Clerk concerning the Statistical summary the Assembly took recess until 2:00 P. M. The closing prayer was offered by Rev. J. Walter Dickson.

AFTERNOON SESSION

The Moderator called the Assembly to order at 2:00 P. M. and it was led in prayer by Rev. R. P. Richardson, Sr.

At the request of Rev. J. E. Cousar, Jr., Chairman, Rev. Cecil H. Lang, Jr., Secretary, read the report of the Standing Committee on The General Council. Pending consideration of the report Ruling Elder A. Walton Litz spoke concerning the work of the General Council. The report was adopted and is as follows:

REPORT OF THE STANDING COMMITTEE ON THE GENERAL COUNCIL

The following matters have been considered by this Committee:

I. The Minutes of the General Council.

II. a. A communication from the Directors of the Mountain Retreat Association and the Trustees of Montreat College.

b. A recommendation from the Standing Committee on the Board of Church Extension, referred by this General Assembly.

III. Annual Report of the General Council.

IV. Overtures 13 and 14.

I. THE MINUTES OF THE GENERAL COUNCIL

Your Committee has reviewed the Minutes of the General Council for the year 1956 and recommends their approval.

II. a. A RECOMMENDATION GROWING OUT OF THE REQUEST FROM THE MOUNTAIN RETREAT ASSOCIATION AND MONTREAT COLLEGE FOR AN EMERGENCY APPROPRIATION

The following resolution was referred to this Committee by this General Assembly:

"In view of the emergency confronting the Mountain Retreat Association and Montreat College, created by the retirement of the President, the choice of one or two leaders to succeed him, and the general reorganization of the Mountain Retreat Association; be it resolved that the General Assembly amend the budget for the year 1958, to increase the appropriation to the Mountain Retreat Association in the amount of $50,000 for educational purposes at Montreat College."

The above resolution was answered in the negative.

II. b. THE ACTION GROWING OUT OF RECOMMENDATION OF THE STANDING COMMITTEE ON CHURCH EXTENSION, ADOPTED BY THE GENERAL ASSEMBLY, AND REFERRED TO THIS COMMITTEE

The following Recommendation was received from this General Assembly:

"That this General Assembly instruct the Standing Committee on the General

Council to provide an additional $25,000 in the 1958 budget of the Board of Church Extension to cover the anticipated expenses of the new division of Homes and Christian Welfare." These instructions are included in the budget, Recommendation No. 6. (See pages 79, 154.)

III. RECOMMENDATIONS FROM AND GROWING OUT OF THE ANNUAL REPORT OF THE GENERAL COUNCIL

The Committee recommends the following:

A. Stewardship Promotion

1. That the Stewardship Emphasis Season begin October 1, 1958 and continue through November 16, 1958 and that November 9 be designated as Every Member Canvass Day, the theme of the Canvass to be "Give . . . As Unto Him."

2. That, since stewardship is an integral part of the Christian experience and not merely a money-raising technique, this Season be utilized in developing a stewardship consciousness in each church and that the Pre-Budget Canvass be recommended to every church as an effectual way in promoting the stewardship of material possessions.

3. The Every *Church* Canvass is an effective means of informing church officers of their responsibility for work beyond their congregation. The presbyteries' committees or councils are therefore urged to use this technique as a means of informing these officers as to their responsibility and the needs of the agencies of the Presbytery, Synod and General Assembly.

4. That wherever possible conferences on stewardship for ministers, elders, deacons, and key laymen be promoted under the auspices of presbyteries' committees or councils.

5. That a "Prove God Period" be recommended to local churches as a means of developing the spiritual life of individual members by a concerted emphasis on tithing. Materials for the promotion of such an effort are available from the office of the General Council.

B. *Finance*

6. That the budget of the Assembly's agencies, as presented by the General Council, be increased 20% and that this increase be proportioned among its agencies across the board in like manner, the total budget to be $8,913,810 as follows:

years, and one-third on total contributions, less building expense, for the last three years, as follows:

In making the foregoing recommendation as to the apportionments, we would assure the Church that the Budget and Stewardship Committee has most carefully studied the budgets of all the agencies. This budget provides a growth of 20% for these agencies over their minimum needs. Our benevolences increased 18.6% in 1956, and should have a growth of 20% in 1957. Therefore, it is essential that this budget be raised in full in order to maintain the Assembly agencies' share of the growing program of our Church for Christ. In addition to the amounts recommended above for the agencies of the General Assembly, we would call the attention of every congregation to the needs of its Synod's and Presbytery's agencies, as represented by the amount apportioned to it by the Presbytery's Stewardship Committee or Council. This responsibility should be fully met before over and above gifts are made to any cause or causes.

The General Assembly reaffirms its position that the foregoing apportionments shall be the total minimum amount expected from the Church by the Every Member Canvass and supplementary gifts, and recommends that each church choose either of the following methods best suited to raise its funds:

(a) By including in its local budget a certain portion of its benevolence apportionment to be contributed through the budget, with the balance to be secured by supplementary offerings to certain causes, or

(b) By including the total apportionment in the budget without supplementary offerings.

In making the above statement, the General Council would call attention to the Church, and to local congregations, that the annual Birthday Offering of the Women of the Church, the Easter Offering, and the offering proposed in Recommendation 10 of this Report are not for items included in the budgets of any agency and should, therefore, be handled as special offerings apart from the budget.

As the work of the Church must go on throughout the year, we urge all local church treasurers and central treasurers to remit their benevolences as collected—monthly if possible. This will enable our agencies to meet fixed monthly obligations without the necessity of borrowing money.

8. That a special Easter Offering be received in 1958 for alleviating suffering and need in the name of Christ throughout the world; the funds to be administered by the Board of World Missions through its Department of Overseas Relief and Interchurch Aid for work not included in its budget, working cooperatively with other Protestant denominations in Church World Service, C.R.O.P. and the World Council of Churches.

9. That if the receipts of the Historical Foundation do not amount to $28,750, the deficit shall be made up by the Office of the General Assembly with the anticipation that after 1958 the needs of this agency will be met through regular budgeting procedures.

10. The Board of Christian Education has requested that they be permitted to promote the "World Fellowship Book" in connection with the Fourteenth World Convention of the Christian Education and Sunday School Association to be held in Tokyo, Japan in 1958. This proposed promotion shall be conducted in the Sunday Schools of our Church during January 1958. It includes the securing of signatures for the book and permitting the Sunday Schools to make a small contribution, if they so desire. These funds will be equally divided between the Christian Education workers of Japan and in helping to defray the expenses of travel of the delegates to the convention from the "younger" churches. We recommend that this request of the Board of Christian Education be granted.

11. That the General Assembly approve the Every Family Plan as proposed by the Board of Directors of the *Presbyterian Survey* as follows:

A. The reduction of the subscription rate under the Every Family Plan to $1.00.

B. That the plan be implemented as soon as practicable, after approval by the General Assembly, and that 1958 be the year when the major emphasis will be given.

C. That the 1958 budgets of the boards and agencies of the General Assembly be increased in the amount of $50,000 according to the participation of each board and agency in the 1957 budget. This will enable the boards and agencies to meet the subsidies expected of them in 1958, and that they be requested to continue their support for the accelerated program in 1957. (The above amount has been included in the budget as presented herewith.)

(D) That the General Council be instructed to study the possibility of budgeting the operating cost of the *Presbyterian Survey* as a General Fund Agency, beginning with the 1959 budget.

C. Program

12. That the program emphasis for 1960 be "Understanding the Bible."

Since the Bible ever stands at the center of the ongoing program of the Church and undergirds every emphasis of the Church, it is believed particularly appropriate to make this our church-wide emphasis in 1960 that we may meet the need for guidance in understanding the message of the Bible.

The objectives of this emphasis will be:

To help persons—

(1) Gain a better understanding of the nature, unity, central message and purpose of the Bible in the light of the best resources available.

(2) See clearly the relevance and application of the Bible to the individual and world needs of today, and

(3) Utilize new and varied approaches to personal and group Bible study in order that the Bible may increasingly reveal the Living Word in the life of our Church.

13. That the following changes in the Manual of the General Council be approved:

(1) Change Article III, Paragraph 1,
from—and the spring meeting on Tuesday nearest the 30th of April to read—
and the spring meeting on Tuesday at least seven weeks prior to the meeting of the General Assembly.

(2) Change Article IV so that it will read four committees instead of three committees and add—The Research Committee.

14. The 1954 General Assembly approved a Sixth Quadrennial Youth Convention to be held at Christmas time in 1957, and instructed the General Council to set up a Planning Committee to plan and promote same. This Committee was appointed, and has been diligently at work on their assignment. Rev. William B. Ward, Richmond, Va., was made Chairman of the Committee.

The plans call for the Convention to be held on the campus of the University of Kentucky, Lexington, Kentucky, December 28-31, 1957. The theme will be "The Nature and Mission of the Church." The study book on the theme has been prepared

by Dr. Donald Miller, of the faculty of Union Theological Seminary, Richmond. Most of the speakers, Bible study leaders, seminar leaders will be from our own communion.

Plans have been made to take care of 2,000 delegates, and quotas have been assigned to each Synod. High School Seniors, members of Synod Senior High Fellowship Councils, Colleges, Seminary and ATS students, and older Young People not over the age of 24 may attend. Arrangements have been made to take care of certain military personnel and some overseas students, also.

The Assembly would recommend that local churches keep in contact with the youth leaders in each synod, and especially, the Regional Directors, that the youth of the Church may have the advantage of this Convention.

15. That the following calendar of special months, weeks and days be approved:

16. That in view of the change of the Church Extension Season from October to May that the Boards and Agencies be requested to make their personnel available for the promotion of the entire church budget during Stewardship Season under the direction of the General Council.

D. Publicity

17. That the General Assembly endorse the use of the "Bulletin Inserts on the actions of the General Assembly" and urge their use in every church.

E. Items From the General Assembly

18. The General Assembly of 1956 placed in the hands of the General Council overture number 22 from the Presbytery of Mid-Texas for study and report to this Assembly. The overture is as follows:

> "The Presbytery of Mid-Texas respectfully overtures the General Assembly to establish an office of Central Treasurer for all of the Assembly's agencies and causes, empowered to allocate benevolence receipts in proportion to the approved budgets of Assembly's agencies, in order that all causes may receive their proportionate part of the Assembly's budget before any cause received more than its share."

Before considering this overture thoroughly a letter of inquiry was sent to the central treasurer of every presbytery and synod, to the executive secretary and to the treasurer of every board of the Assembly and to a large and representative sampling of the ministers and deacons of our Church. From replies we received it was clearly indicated that those persons closest to the problems are almost evenly divided for and against the proposal. The committee also received a great deal of insight into the problems faced by our Church under its present system, and the problems that are anticipated should the system be changed.

Our study convinced us that certain of the reasons advanced in opposition to the idea of a central treasurer are not applicable to present conditions. For instance, the fear that a central treasurer would destroy the personal relation of the giver to the

various boards hardly applies since all presbyteries except two or three now have central treasurers. The presbyteries' central treasurers break the link between giver and board unless gifts are sent direct from the donor to the board. To bypass central treasurers would be just as possible with an Assembly's treasurer as is now the case with presbyteries' treasurers.

We recognize that under the present system of handling Assembly's benevolences, certain causes do not receive their proportionate share of benevolence giving, but we also recognize that during the past year no cause received less than 86% of its benevolence budget and this is the largest percentage that most of them have ever received.

As no moral problem is involved in this issue of a central treasurer, your committee feels that the most important question is whether or not a central treasurer will mean more money for the benevolence program of the General Assembly.

One of the first facts that we had to face was that approximately one-half of the ministers and central treasurers of presbyteries who were contacted were opposed to a central treasurer for the General Assembly. The opposition of many ministers and central treasurers was couched in terms of deep emotion. We feel that any change in procedure that evokes such strong feeling from so many would not increase benevolence giving, but rather might stifle some of it.

We further faced the fact that last year we had a larger increase in benevolence giving to the Assembly's budget than our Church has experienced in any year of its history. This increase was 14.02%. We believe that the Assembly should be reluctant to recommend any change in procedure when things are going so well unless it has overwhelming proof that such a change would increase dramatically the effectiveness, efficiency and appeal of the benevolence causes. We do not have proof that this change in procedure would in itself cause a substantial increase in benevolence giving to the Assembly from a single presbytery or synod.

Another fact that confronted your committee was that it would be necessary to explain any such change in procedure in a very thorough way to the rank and file of the Church. If such a thorough explanation were not made to the average church member, certain opponents of the central treasurer could create distrust and dissension among our membership. As we are now involved in a radical change in approach to stewardship through the promotion of the Every Church Canvass and the Pre-Budget Canvass, we do not feel that such an explanation would reach the church membership.

The General Council therefore feels that the proposed change is unwise at this time and recommends that the overture from the Presbytery of Mid-Texas be answered in the negative.

19. In answer to overture number 25 from the Synod of Appalachia, referred to the General Council by the 1956 General Assembly, we recommend the following reply:

> That the General Council, through its Budget and Stewardship Committee, has carefully studied the requested budget of the Board of Christian Education and is approving its request for $150,000 Challenge Funds for the Division of Higher Education for 1958, and the Council concurs with the Board of Christian Education that the Challenge Fund should remain a challenge fund rather than becoming a sustaining fund, and that since the amount which has been included in the budget of the Board for 1958 is sufficient at the present time, this overture be answered in the negative. (See report of the Board of Christian Education to the 1957 General Assembly in reply to similar overture, Number 24, sent from the Synod of Georgia to the 1956 General Assembly.)

20. The General Assembly in response to overture number 3, from the Presbytery of Knoxville, directed that the General Council be charged with the responsibility for this study and report any recommended adjustments to the next meeting of the General Assembly. The overture is as follows:

> "Whereas, the General Assembly of 1949 effected a radical reorganization of the agencies of the General Assembly; and
>
> Whereas, sufficient time has elapsed since such radical reorganization to

determine the effectiveness, as well as minor defects, in this reorganized program; and

Whereas, it seems expedient that opportunity be given for adjustments which may be needed because of unforeseen situations which have arisen during the past six years;

Therefore, the Presbytery of Knoxville overtures the General Assembly to make a study of the existing agencies, appointing for this purpose an Ad Interim Committee to be composed of ministers and ruling elders from local churches."

The General Council appointed a committee to make this study. The report of this committee was adopted by the General Council. Its report is here given in full as the answer of the General Council to the above overture.

Your Committee to appraise the plan of reorganization is composed of two pastors of churches, two laymen, and one lay woman, the latter being from a church of less than 75 members. Three of this number were elected to the General Council by the last General Assembly and served on this Committee before attending a meeting of the Council.

We have corresponded with all the Assembly's boards and agencies, and with representative men in all the presbyteries of the Church, and have given consideration to all suggestions submitted.

It appears from the above communications that the reorganization plan is working well and has the endorsement of the whole Church. There were some criticisms and suggested adjustments but all of them were of minor nature. Some of them did not relate to the reorganization but to matters which should be decided by the individual boards (for example; a suggestion that all the agencies of the Assembly have their printing done through one agency, does not concern the reorganization plan but is a matter to be decided by the individual board which is able, in the light of their needs and knowledge of local conditions, to decide better where to have its printing done than this committee). No suggestion has been made by anybody that any comprehensive revision of the plan of reorganization be attempted. The widespread impression seems to be that it is an effective aid in furthering the work of the Church. Those who developed the plan did their work well.

The change from "Executive Committee" to "Board" seems to be meeting with approval. From the Board of World Missions comes the following comment:

"It is our feeling that this change has made no difference at all as far as the relationship of our agency to the General Assembly and to the Church is concerned; nor has it affected in any way the policies, procedures, principles, prerogatives, powers and position of the Board. The one advantage is that the term 'Board' is in common usage among most of the denominations, whereas 'Executive Committee' was seldom understood and usually required some explanation."

It appears also that the present "Board" is in some ways closer to the Church than the former "Executive Committee." All nominations are now made to the Assembly through the permanent Nominating Committee of the Assembly, and when a vacancy occurs it remains until filled by the Assembly. Formerly the Executive Committee nominated to the Assembly and, when vacancies occurred, appointed people of their own choosing to fill them. As these appointees were usually elected by the next Assembly, the effect was that the Executive Committee was almost self-perpetuating.

The Board of World Missions finds the change from "Foreign Missions" to "World Missions" an improvement. "Foreign" has no scriptural sanction but "World" seems to carry the authority of the Great Commission. It may be added that "World" does not carry the idea of separateness as does the word "Foreign."

It appears from the information available at this point that the percentage cost of administration has not been increased by the reorganization. In some cases it is very difficult, if not impossible, to get an accurate comparison. New functions have been added, the work of some departments was changed by the reorganization, and there is some difference of opinion as to what constitutes administrative expense. But where reliable figures are available the results are gratifying.

In the case of the Board of World Missions the cost of administration during the ten years previous to the reorganization, in terms of percentage of budget, varied from a high of 6.8% to a low of 4.6% and averaged 5.56%. During the seven years since the reorganization it has varied between 6.3% and 5.3% and has averaged 5.7%.

In the case of the Board of Christian Education the percentage cost of administration in 1949 (the year before the reorganization took effect) was 5.8%, and in 1955 (immediate past year) it was 5.7%.

In the case of the Board of Women's Work, according to the figures presented, their percentage cost of administration is 16.6% less in 1955 than that of 1949.

It appears that in spite of new functions and expanded work the Church is getting the work, committed to its Assembly's agencies, done with increased efficiency and at a percentage cost about as low as it has ever been done.

Questions continue to come regarding the Board of Women's Work. Why should this be a separate board while Men's Work is a division of the Board of Christian Education? It will be recalled that at the time the reorganization plan was adopted, attention was called to the outstanding contribution of the Women of the Church, and the different nature of the work done by the women and the men which suggested a variety of organizational procedure. The same facts and conditions are still present, and there seems to be no justification for terminating so productive an instrument in the Church's life as the Board of Women's Work merely to satisfy an organizational principle. It seems wise to leave them as they are.

We recommend:

(1) That no major change be made in the plan of reorganization at this time.

(2) That the composition of the Nominating Committee of the Assembly (see page 135, Assembly's Minutes for 1949) be changed to read as follows: "This Committee shall consist of five ministers and four lay members, two of whom shall be women." This to become effective in 1958.

(3) That we express our gratification at the general effectiveness of the plan of reorganization and our commendation of those who developed it.

21. The General Assembly also referred to the General Council, the following resolution:

> "That the 'Forward With Christ' program be commended to the General Council and that they consider this or a similar program to culminate in the Centennial Celebration in 1961."

We recommend the following answer:

That the "Forward With Christ" program end in 1957 as scheduled and that no special program for 1958 be inaugurated but that all agencies and churches be urged to use this time for the promotion of the regular program of the Church.

IV. OVERTURES

REPORT OF THE AD INTERIM COMMITTEE ON MASS COMMUNICATIONS

Rev. Arthur V. Gibson, Chairman, presented the report of this Committee. As a part of the report Mr. Kenneth I. Tredwell, Vice President and Managing Director of the Jefferson Standard Broadcasting Company of Charlotte, N. C., addressed the Assembly briefly. The report was adopted (see Appendix, page 154).

Rev. R. L. St. Clair, Chairman, presented the report of the Standing Committee on the Office of the General Assembly. The report was adopted as amended and is as follows:

REPORT OF THE STANDING COMMITTEE ON THE OFFICE OF THE GENERAL ASSEMBLY

RECOMMENDATIONS:

1. That overtures 9, 10, 11, dealing with requested changes in Sessional Statistical Report Forms, be answered in the negative for the following reasons:
   (1.) It is recognized that there is "little uniformity" among presbyteries and less among local churches in the distinction between budgeted and non-budget benevolences. However, one purpose of the revised statistical report is to make this distinction uniform; and the instructions on the Work Sheet accompanying the report were aimed at making this clear and unequivocal in this regard.
   (2.) The 1956 Statistical Report forms have been prepared by a professional statistician who is Stated Clerk of one of our synods and Benevolence Treasurer of several presbyteries. They are the product of his professional competency and practical experience as Stated Clerk and Treasurer.
   (3.) The 1956 report forms have further been studied during a three year period by our General Council with a view to eliminating obfuscation, providing completeness and insuring accuracy.
   (4.) These reports have been submitted to two annual meetings of Stewardship Chairmen for their study and have been heartily endorsed by this group.
   (5.) A rather general commendation of the revised reports has already been manifested in correspondence received by the office of the General Council.
   (6.) There is a wide disparity of causes supported by the various presbyteries and synods of our General Assembly, and an overlapping in some cases that makes it impracticable to list a complete breakdown by causes at these levels. Such a breakdown would make a listing of these causes by columns in the Assembly's minutes unfeasible.
   (7.) The revised report is the result of three years close study by the Council in cooperation with Stated Clerks and Stewardship Chairmen. It would seem precipitous, to say the least, were we to make major changes or revert to the old forms after only one year's trial; especially since only one presbytery in 84 has expressed difficulty with the distinction between "budgeted" and "non-budgeted" items.
   (8.) The purpose of the Council's critical study of our report forms and the resultant revised report is:
      (a) to aid Stewardship Committees at the local church, presbytery and synod levels;
      (b) to make a clear distinction between the budgeted and non-budgeted items.
   (9.) The considered judgment of the Council, after consultation with these chairmen, was that the old forms did not satisfactorily answer the question: "How much are our churches giving to the budgeted work of our church's agencies?"; and that these new forms go a long way toward making the answer clear.

2. To meet the need of presbyteries and synods for information showing the breakdown of benevolence giving at these levels, we recommend that General Assembly office make available report forms to combine with or accompany the Sessional Statistical Report.
3. That overture 12, asking that the Assembly establish a photographic center for reproducing valuable documents, be answered by calling attention to the action of the 1956 Assembly which endorsed the establishment of a micro-film and photostatic center at the Historical Foundation in Montreat. (See page 60, 1956 Minutes, and the 1957 Report of the Historical Foundation, advising that this service will be provided beginning early in 1958.)
4. That overture 36 from the Presbytery of Winchester, requesting the Assembly to place additional questions on the statistical report forms relating to evangelistic emphasis, be answered in the negative.
5. That the Report of the Trustees of the General Assembly and the Presbyterian Foundation including the recommendation by the Nominating Committee of the Class of 1960, be adopted, as follows:
   a. Report of the Trustees. (See Appendix, page 95.)
   b. Class of 1960:

      L. L. Rose, John S. Cansler, J. C. Frist (all re-elected).

   c. Recommendations:

      RESOLVED, pursuant to authority vested in the General Assembly by Section 3 of the Charter of the Trustees of the General Assembly of the Presbyterian Church in the United States and the Presbyterian Foundation, Incorporated, as amended, that the number of Trustees of the Corporation be increased from nine to eighteen; and that after said additional Trustees shall have been named, seven of said Trustees shall be sufficient to constitute a quorum for the transaction of any business; and

      RESOLVED, further, that the Trustees of the Corporation be requested to take the necessary action to amend the Charter of the Corporation so as to change its name to the Presbyterian Foundation, Incorporated, or some similar title at the discretion of the Trustees.

6. That the Report of the Historical Foundation of the Presbyterian and Reformed Churches, be adopted. (See Appendix, page 128.)
   (1) From Nominating Committee, Class of 1960; to succeed themselves:

      Mrs. Frank Barker

      R. C. Grier—Associate Reformed Presbyterian Synod

      Wayne Wiman—Cumberland Presbyterian Church

7. That the Report of the Permanent Committee on the Office of the General Assembly and the following recommendations be adopted: (See Appendix, page 90.)
   (1) That the budget of the General Assembly in 1957 be $133,950.00.
   NOTE: When it was feared that the cost of this meeting of the General Assembly would exceed considerably the amount in the budget, the General Assembly voted to increase the budget to $140,000. After adjournment of the Assembly it developed that the original amount in the budget would be adequate. Therefore, the increase was not included.

   STATED CLERK

   (2) That the per capita tax for 1958 be 16c, plus 1c for the interim expenses of the centennial committee.
   (3) That the following be substituted for Section 13, general provisions, par. 7, page 184, 1956 Minutes:

      "In view of the fact that the expenses of the General Assembly will fluctuate so greatly due to the widely separated points where the General

Assembly will meet, it becomes necessary that the General Assembly Treasurer carry an adequate balance to meet these expenses."

(4) That the directive of the General Assembly, referring to the Committee the question of financing the Centennial Committee and the cost of observing the Centennial on the Assembly level, be continued. Sufficient evidence of cost is not at hand to warrant an adequate report at this time. And we further recommend:

(a) That the interim expenses of the Centennial Committee be paid by the Treasurer of the General Assembly.

(b) That the interim expenses of the Centennial Committee be secured by a per capita tax of 1c for 1958.

(c) That recommendation 4 from the Ad Interim Committee on the Centennial, referred to us, be answered by the above.

(5) That the General Assembly exercise care in appointing Ad Interim Committees with the view of reducing the number of these committees, and that the designated work of such committees be assigned to a Permanent Committee or a regular agency of the General Assembly, in accordance with rule 13 (4) (a) and (b), pages 183 and 184 of 1956 Minutes.

(6) That the General Assembly recommend for personal subscription by both the ministry and the laity, the *Presbyterian World*, official organ of the World Presbyterian Alliance.

8. That the following nominees for Permanent Committee on Office of the General Assembly, recommended by the Nominating Committee as the class of 1960, be elected:

J. Layton Mauze (Mo.) for R. A. Bolling
John L. Morrison, Jr. (Tex.) for John L. Morrison, Sr.
F. S. Hay (S. C.)—re-elected
Mrs. Ross B. Parker (W. Va.)—re-elected
W. L. Pressly (Ga.)—re-elected.

9. That the Minutes of the Permanent Committee on the Office of the General Assembly be approved.

10. That the Treasurer' books of the following Boards and Agencies, having been audited by public accounting firms, be approved:

Treasurer of the General Assembly
Treasurer of the General Fund
Treasurer of the Board of World Missions
Treasurer of the Board of Church Extension
Treasurer of the Board of Christian Education
Treasurer of the Board of Annuities and Relief
Treasurer of the Board of Women's Work
Treasurer of the General Council
Treasurer of the Assembly's Training School
Treasurer of the Historical Foundation
Treasurer of Stillman College
Trustees of the General Assembly
Trustees of the Mountain Retreat Association.

Respectfully submitted,

R. L. ST. CLAIR, *Chairman*

Rev. C. Newman Faulconer, Chairman, presented the report of the Standing Committee on the Minister and His Work which was adopted as amended and is as follows:

REPORT OF THE STANDING COMMITTEE ON THE MINISTER AND HIS WORK

The following matters were referred to this committee:
I. The Report of the Assembly's Committee on the Minister and His Work.

II. The Minutes of the Assembly's Committee on the Minister and His Work.

III. A Communication from Dr. Wm. Childs Robinson concerning the Film Strip and Recording produced by the Assembly's Committee.

IV. Overture 32 from Winston-Salem Presbytery.

I. The Standing Committee approves the following recommendations of the Assembly's Committee:

1. That the General Assembly give its approval of the re-election of Mr. R. Graham White as Secretary of the Assembly's Committee for a three-year term.

2. Approval of the Data Form for Seminary Students. (See Appendix, Page 175.)

3. That the film strip and record "So Your Church Needs a Minister" be commended to Commissions on the Minister and His Work.

4. (a) That the General Assembly approve annual Synod Conferences on the Minister and His Work to be held at the convenience of Synod's Committees on the Minister and His Work, Presbyteries' Commissions on the Minister and His Work and the Secretary of the Assembly's Committee.

(b) That Synods' Committee members and Presbyteries' Commission members be encouraged to attend such meetings, and that synods and presbyteries make provision for the expenses of their representatives.

5. That the General Assembly approve an appropriation of $19,125.82 for the year 1957 for the expenses of the Committee.

6. In considering the Resolution of Rev. J. McDowell Richards to the 1956 Assembly (See Appendix, page 177) your Committee recommends:

(a) That the Assembly affirm that a limited term pastorate is contrary to the Book of Church Order and the traditional practice of our Church and that changing this practice to permit Limited-Term Pastorates would necessitate changing the Book of Church Order.

(b) That permission be granted to the Assembly's Committee to continue to study for an additional year the matters relating to the Richards' Resolution and be allowed to bring in as consultants any other persons whose thinking and experience would be helpful.

7. That the Assembly approve the following Comity Agreement:

COMITY AGREEMENT

Between

Department of Ministerial Relations,
Presbyterian Church, U. S. A.
and
Assembly's Committee on the Minister and His Work
Presbyterian Church, U. S.

The need for a comity policy between the two organizations being desirable the following suggestions were developed for presentation to the Committee of the U. S. Church and the Department of the U. S. A. Church for their action. The proposal is within the areas of operation as constitutionally provided in Chapter XXVIII, Sec. 3 and 4 of the constitution of the Presbyterian Church, U. S. A., Paragraph 99 in the Book of Church Order of the Presbyterian Church, U. S. and the manual of the Committee on the Minister and His Work, Sec. I, II, V.

I. Procedures in assisting ministers who wish to relocate in the other denomination.

(1.) Neither Church will have specific responsibility for assisting to relocate ministers serving in the other denomination within its own denomination, but, in the interest of cooperation, will present names and autobiographical data of ministers to churches as opportunities develop and will supply such information when churches within its denomination specifically request it.

(2.) If a minister in the U. S. A. Church expresses interest in transferring to the U. S. Church, copies of his data shall be sent to the corresponding U. S. Church office by the Department of Ministerial Relations office.

(3.) The same practice will be followed by the U. S. Church office, except the office will send the minister a Minister's Information form to be returned to the U. S. A. Church office.

II. Methods of dealing with ministers of another denomination than U. S. A. or U. S. but in the area served by the churches.

(1.) Re-encourage chairmen and executives to furnish subjective information when so requested by whoever makes the request in the other denomination.

III. Methods for dealing with churches in the other denomination.

(1.) In this procedure follow the procedure established by the Manual of the Committee on the Minister and His Work, as set forth in Articles II, Sec. 2, and III, Sec. 5, with the future provision that when suggestions are made the information will be shared with the Department of Ministerial Relations and the Assembly's Committee respectively. The above shall apply to ministers in any capacity.

IV. Problem Situations in Denomination Presbyteries.

(1.) We encourage Commissions on the Minister and His Work and Committees on Ministerial Relations in the presbyteries to avoid embarrassing relationships with dissident groups in churches of the other denomination or otherwise intruding upon the affairs within the churches of the other denomination.

V. The Department of Ministerial Relations and the Committee on the Minister and His Work will encourage the exchange of attendance at meetings of the other agency as opportunity permits.

8. That the report of the Committee on the Minister and His Work be approved as amended. (See Appendix, page 175.)

9. Your Standing Committee has carefully read with pleasure and with profit the Minutes of the Assembly's Committee on the Minister and His Work. These minutes were found in order and approved. The secretary is to be commended for those well written and carefully kept minutes.

10. In answer to the communication from Dr. Wm. Childs Robinson, objecting to the terminology in the record accompanying the film strip—"So Your Church Needs a Minister"—namely, the use of the word "Laws" for frame 7, and the wording accompanying frame 43, which does not include a positive statement to the effect that nominations may be made from the floor; your Standing Committee recommends:

That we heartily approve the phraseology used in the recording and that we commend the Assembly's Committee for a job well done.

11. That overture 32 be answered in the negative because Paragraph 92, Book of Church Order, indicates that a Commission is appointed by a court.

Respectfully submitted,

C. NEWMAN FAULCONER, *Chairman*

DENNY HILL, *Secretary*

RECOMMENDATIONS

Replies to Overtures

I. That overture 16 from the Presbytery of Central Texas seeking an amendment to the Book of Church Order, Paragraph 107, be answered in the affirmative. The following amendment is approved and ordered sent to the presbyteries for advice and consent:

It is recommended that every candidate for the ministry should put himself under the care of Presbytery, which should ordinarily be the Presbytery that has jurisdiction of the church of which he is a member. Every applicant seeking to be taken under the care of a Presbytery as a candidate for the ministry *or mission service shall have been a member of one particular congregation of the Presbyterian Church in the United States for the six months preceding the filing of his application.* He shall file his application at least two months . . . (rest of the paragraph unchanged).

II. That, inasmuch as the General Assembly has an Ad Interim Committee studying the Book of Church Order, overture 17 from the Presbytery of Brazos, concerning examination for candidates for ordination, be referred to that committee.

BOARD OF CHRISTIAN EDUCATION

III. That the report and the minutes of the Board of Christian Education be approved.

IV. That the answers to overtures and special requests of the Assembly be approved. They are as follows:

Answers to Overtures and Special Requests of the Assembly

1. In reply to the resolution from Atlanta Presbytery, presented to the 1955 General Assembly and which was referred to the Board of Christian Education (see 1955 General Assembly Minutes, pages 80 and 81) asking that the support of the seminaries be placed in the General Assembly's budget, the Board of Christian Education recommends that this be answered in the negative due to the historic position of our Church that control and support of theological seminaries be vested in the synods, a method which has been satisfactory, and in view of the increasing interest and support of the seminaries on the present basis of support and control.

2. In reply to Overture 24 from the Synod of Georgia to the 1956 General Assembly (see 1956 General Assembly Minutes, p. 29), requesting that a study be made of the problem of the Church's responsibility to its young people in the realm of Higher Education and the possibility of substantially increasing the Challenge Fund now administered by the Board of Christian Education, the Board of Christian Education reports that:

(1) Changes have been made in the Presbyterian Student Loan Fund for increasing the amount of loans and enlarging opportunities for Presbyterian young people to borrow, as an effort to assist worthy Presbyterian students.

(2) Scholarship programs are being enlarged in all of our Presbyterian colleges. Throughout our denomination there is a Church-wide plan for establishing scholarships in local churches. We strongly urge that local churches be encouraged to enlarge substantially this program of scholarship aid at the local church level so that the possibility of attending Presbyterian colleges may be made available to more of our Presbyterian young people.

(3) It is necessary to recognize that Presbyterian colleges will never be able to enroll the majority of Presbyterian students. Many will enroll in church colleges other than Presbyterian and many non-Presbyterians will be in Presbyterian colleges, which is a wholesome condition.

(4) Synods are carefully reviewing their obligations and opportunities in Higher Education with a view to strengthening their own colleges and the ministry of Campus Christian Life.

(5) It is the opinion of the Board of Christian Education that the Challenge Fund for Higher Education should remain a *challenge fund,* to stimulate progress in the work of Higher Education. It should not become a sustaining fund for the work. Therefore, while increase should come in the amount appropriated to the Higher Education Challenge Fund, these additions, after attaining an $150,000 apportionment, should come gradually as the Church grows and the work expands.

3. The 1956 General Assembly referred to the Board of Christian Education Overture 47 from the Presbytery of East Alabama (See 1956 General Assembly Minutes, p. 31), concerning the publishing by the Board of Christian Education of appropriate literature for Junior Vesper Groups.

The Board answers the request as follows:

I. *Introduction*

The Department of Children's Work and Assembly's Council on Children's Work (including representatives from each synod) have from time to time in recent years studied the matter of second sessions and, in the light of these studies and the philosophy upon which our curriculum is based, as well as a re-evaluation of the present policy by the Department of Children's Work, believe that the following suggestions offer adequate help for leaders conducting second session meetings for the Juniors of our Church.

II. *Suggestions*

1. Program Sources for Second Meetings with Juniors: *Program Sources for Second Meeting With Juniors; Weekday Church School Texts (Cooperative Series, 1956-57). (See also Friendship Press Catalog, 1956-57.)*

2. "Program Plans for a Second Session" which is material included for each lesson in the Junior Leader's Guide in our Presbyterian Graded Series curriculum.

3. Additional help on using second session suggestions contained in our Graded materials is now available to leaders in our new Area Laboratory Schools. Therefore, with this and other help available, no leader in a small, medium-sized, or large church need have any hesitancy about undertaking second session meetings with their Juniors, using the suggestions and materials provided in our Graded curriculum.

4. Junior Programs, Series One, Series Two, and Series Three, have been especially prepared for users of Junior Uniform Lessons who wish an additional session with their Juniors. These are undated materials that can be used on a three-year-cycle basis and therefore serve as fresh materials for each new group of Juniors as they come up from the Primary Department and go through the Junior Department.

Series One was written especially for our Presbyterian, U.S. Church and Series Two and Three, although based upon materials used by another denomination, were rewritten, edited, and published as a John Knox edition of these materials.

5. In our program for the Juniors of our Church we believe the informal approach is best, with opportunities given for the boys and girls to participate under the guidance of consecrated, skilled leaders. Formal organizations of Juniors, such as leagues, societies, or fellowships, are not recommended because it is believed that boys and girls of Junior age work better and profit more when they take responsibilities of a specific

nature and for a limited term. At their stage of development and maturity it does not seem wise to weigh them down with the long-term responsibilities which officers and committee chairmen of formal organizations bear. Also, they are not mature enough to plan and carry out a program that will contribute sufficiently to the spiritual growth of their peers. In fact, this formal organizational approach is not usually followed until youth reach the upper Pioneer level.

III. *Conclusion*

In the light of the foregoing and of the fact that there is not a sufficient demand for "Junior Program" books to warrant publication of a new series each year, *we recommend:*

1. That the Assembly emphasize the importance of every local church making adequate provision for second session meetings for their Juniors and give careful consideration to the use with their boys and girls of the material in the Junior Leader's Guide to be found in each lesson under the heading, "Program Plans for a Second Session."
2. That where other or additional program materials are needed, "Junior Programs," Series One, Two, and Three, be used on a three-year-cycle basis.
3. That where other types of materials are needed, ideas and suggestions be obtained from the paper entitled "Program Sources for Second Meetings With Juniors."

4. In reply to the recommendation adopted by the 1956 General Assembly requesting that the Presbyterian Book Stores carry in stock the Ministerial Directory (see 1956 General Assembly Minutes, p. 47), the Board reports that the Directory is now available in the Presbyterian Book Stores and is listed in the General Catalog.

5. In reply to Overture 2 from the Synod of Florida (see 1956 General Assembly Minutes, p. 25) the 1956 General Assembly took the following action:

> "In response to Overture 2, with reference to providing a uniform church emblem for highway publicizing, we recommend that the General Assembly approve the idea and instruct the Board of Christian Education to implement it."

In reply to this instruction, the Board reports that in order to implement the action of the Assembly a committee was appointed to study and bring recommendations regarding highway emblems. This committee's report was adopted by the Board as follows:

> "That the present highway emblem or sign (18 inches wide, 25 inches high, 20 gauge steel, baked enamel to assure against chipping or fading, Celtic Cross in 'Scotchlite' reflector material) now stocked by the Presbyterian Book Stores, with the following changes, be adopted as the official roadside sign or highway emblem:
>
> a. Lydian type be used instead of block letters.
>
> b. Capital and lower case letters be used instead of all capitals.
>
> c. Blue and white be used in a different pattern.
>
> d. An improved Celtic Cross in 'Scotchlite' replace the present Celtic Cross.
>
> "That these changes come about as soon as it is practicable to make such changes with the manufacturer."

6. The 1956 General Assembly instructed the Board of Christian Education as follows:

> "That Overture 40 from the Presbytery of Louisville (see 1956 General Assembly Minutes, p. 30), requesting immediate steps to inaugurate the beginning of a joint Book of Worship with the Presbyterian Church, U.S.A. and the United Presbyterian Church, be answered in the affirmative and referred to the Board of Christian Education for action in beginning the preparation of such a book. Progress in this regard to be reported to succeeding General Assemblies."

In response to this instruction, the Board of Christian Education submits a report of progress as follows:

I. Provisional arrangements have been worked out for cooperation with the Presbyterian U.S. Committee on the Revision of the Book of Church Order so far as the Directory for Worship is concerned.

II. The Committee on the Book of Common Worship of the U.S.A. Church has responded in a cordial manner to the idea of the production of a joint Book of Worship and the following or similar recommendations will go before the 1957 General Assembly of the Presbyterian Church, U.S.A., and the 1957 General Assembly of the United Presbyterian Church:

(1) That the three Communions, Presbyterian Church, U.S.A., United Presbyterian Church of North America, and Presbyterian Church, U.S., associate in the formation of a Joint Committee on Worship.

(2) That the task of the Joint Committee on Worship shall be to prepare and offer to the respective Churches a proposed revision of the Directories for Worship and a Book of Common Worship based on this newly prepared Directory.

(3) That the Assemblies note that the creation in 1958 of a new Assembly to be known as the United Presbyterian Church in the United States of America, brought about through the union of the Presbyterian Church, U.S.A., and the United Presbyterian Church of North America, would provide occasion for reconstruction of the Joint Committee described in paragraphs (1) and (2).

The first meeting of the Joint Committee composed of representatives of the three Churches has been called for Washington, D. C., in the early fall of 1957. The city of Washington was chosen because it would seem to be most convenient for representatives of the Presbyterian Church, U.S.

A further report of progress will be made to the General Assembly in 1958.

V. That the following recommendations of the Board as amended, be adopted:

1. That recognition be taken of the many evidences of God's blessing upon the cause of Christian Education in the Church as reflected in reports from churches, schools, and colleges; and that a prayer of thanksgiving be offered to God.
2. That each Session be urged to guide the educational leaders of the congregations into an increasing concern for the many children, youth, and adults who are still unreached by the teaching ministry of the Church; and that they be urged to engage in frequent prayer for these leaders and their work.
3. That each Session be encouraged to provide a special joint meeting of those persons responsible for Christian Education with those persons responsible for Evangelism to consider ways in which juvenile delinquents and their parents can be brought into the redemptive fellowship of the Church.
4. That each Session be urged to provide for a much stronger approach to the choice, enlistment, and training of leaders and teachers, in view of the urgent need for more leaders and teachers to reach and teach more of the people living in the areas served by our Church.
5. That each Session be urged to make certain that the literature selected for use in the educational program is literature which conforms to the doctrines and standards and is in harmony with the program of our Church, always giving first consideration to the literature recommended by our Church's Board of Christian Education.
6. That adult leaders of children be encouraged to attend an area laboratory school, a laboratory class in the Montreat Summer School for Leaders, or a laboratory class in a synod leadership school, since the laboratory method of leader development is now considered to be the most effective way of training those who work with children's groups in the Sunday school; and that financial provision for their attendance be arranged by the local church.
7. That all adult leaders of young people in the local church be urged to plan and pray together, regularly, in behalf of the young people whom they lead, using resources provided for this purpose in *Presbyterian Action.*
8. That all leaders of adults, under the leadership of the Session or of the group designated by the Session for this purpose, be urged to take steps to strengthen the Church's program of adult education, using the folder "Coordinating the Adult Program in the Local Church."
9. That all leaders, including those who are primarily responsible for family education, be encouraged to seek ways in which, together, they can provide more completely for the Church's ministries to families.

10. That attention be called to the need to develop in congregations an active concern for the Christian growth of young people, and an increasing willingness among adults to give leadership in guiding this spiritual growth through the local church and in camps and conferences.
11. That Sessions be encouraged to include the Presbyterian Guidance Program as a part of their regular ministry to youth.
12. That all pastors be encouraged to acquaint their people with the purpose and program of the Sixth Quadrennial Youth Convention on the World Mission of the Church, to be held in Lexington, Kentucky, December 28-31, 1957; and that they encourage pre-Convention study in every congregation, using the book *The Nature and Mission of the Church* by Donald G. Miller.
13. That attention be called to the special emphasis of the Department of Youth Work and of the Division of Evangelism on Youth-to-Youth Evangelism during January, 1958, and that pastors be encouraged to lead their young people in this effort for outreach in their own community.
14. That attention be directed to the following statements of the officers of the Senior High Fellowship of the Assembly:

> "We feel that the Church should take a leading part in giving guidance and direction to the God-given, creative talents of youth.
> "It is our hope that in the future the youth of our Church will take greater advantage of the opportunities in the area of Christian expression through the fine arts and come to a fuller appreciation of our rich heritage of Christian art."

15. That presbyteries and synods which are developing or considering the development of camp and conference grounds be urged to contact the Director of Camping and Conference Program concerning the development of camp facilities for a total educational program (children, youth, adults, and families) before making extensive expenditures.
16. That presbyteries and synods be encouraged to make careful studies of their summer programs to discover how they may serve increasing numbers of young people through the camping and conference programs.
17. That every church give vigorous promotion to the cause of Christian Education in connection with Rally Day observances, so that gifts to the program of Christian Education will be sufficient to enable its leaders to fulfill their responsibilities to our Church and to the people in the area served by our Church.
18. That every church make plans for the observance of the following days and seasons:

    Religious Education Season, September 1-29, 1957
    Rally Day, September 29, 1957
    Religious Education Week, September 29-October 6, 1957
    Assembly Men's Convention, Miami, Florida, October 10-13, 1957
    Laymen's Sunday, October 13, 1957
    Quadrennial Youth Convention, Lexington, Kentucky, December 28-31, 1957
    Christian Student Sunday, December 29, 1957
    Assembly's Youth Sunday, January 26, 1958
    *Community Youth Week, January 26-February 2, 1958
    *Day of Prayer for Students Around the World, February 16, 1958
    Christian Higher Education Season, April 1-30, 1958
    *National Christian College Day, April 20, 1958
    (Day of Prayer for Schools and Colleges)
    *Christian Family Week, May 4-11, 1958
    *Interdenominational Days.

19. That, in order to assure best possible service to local churches for age-group planning meetings, and in order to secure recommended resource materials in time for use, each pastor and local church take necessary steps to provide for:
    (1) The ordering of church school literature within 10 days after receiving renewal notices.

(2) The appointment of one person for permanent responsibility (one year or longer) for both ordering and receiving literature.

20. That all Presbytery Committees of Christian Education be urged to hold a Minister-Elder-Deacon Convocation or Church Officer Retreat on an annual basis, beginning not later than 1958.

21. That a 15-minute report on plans for the Presbyterian Men's Convention be heard from John V. Matthews, Chairman of the Convention Committee.

22. That the Session of each congregation be urged to inform its men of the purpose, program, and leadership of the Presbyterian Men's Convention to be held in Miami, Florida, October 10-13, 1957, and encourage the attendance of a good delegation of men, including the pastor, who may be able to leave his pulpit on Sunday, October 13, which is Laymen's Sunday.

23. That the action of the 1953 General Assembly (see 1953 General Assembly Minutes, p. 78) regarding membership of the President, the First Vice-President, and the Immediate Past President of the Assembly Men's Council on the Board of Christian Education, be revised to read as follows:

> That the Permanent Nominating Committee of the General Assembly be requested to nominate three lay representatives from the Executive Committee of Assembly Men's Council for election to the Board of Christian Education, to serve on the basis of 3-year terms. (To initiate this program, three men should be nominated for one, two, and three years respectively.

24. That the election of the Rev. William P. Anderson, Jr., for a term of three years as Secretary of the Division of Religious Education be confirmed.

25. That the re-election of Mr. Cameron D. Deans as General Manager of the Division of Publication, and Mr. Clinton Harris as Secretary of the Division of Church Relations, each for a term of three years, be confirmed by the General Assembly.

26. That the revised Manual of the Board of Christian Education be approved, said revision being change of the names and titles of departments and department heads to "Divisions" and "Secretaries of Divisions," respectively, with corresponding changes in names of Board Committees.

27. That Sunday schools be invited to sponsor the "World Friendship Book" in connection with the approaching 14th World Convention on Christian Education and Sunday School Association, to be held in Tokyo in 1958.

28. That our institutions of higher education, churches, ministers, and members be urged to take encouragement from the rising interest of our people in the work of Christian Higher Education; that colleges, seminaries, Westminster Fellowships, and Presbyterian Guidance Centers press forward in full cooperation with the supporting church constituencies to strengthen every phase of their program so that Presbyterians again may help determine the purposes, content, and direction of higher education; and that by quality of work in each phase of higher education, all areas of our Church's work may be undergirded.

29. That the attention of all congregations be called to the continuing need for more full-time church workers for our rapidly growing Church and that ministers and Sessions plan to present the call of the Church to able and qualified young people, using plans and materials suggested by the Department of Christian Vocation.

STILLMAN COLLEGE

VI. That the report of the Board of Trustees of Stillman College be approved.

VII. That the Assembly urge each synod, presbytery and local church to see that the General Fund agencies of the Assembly's Benevolence Budget (Stillman is one of the causes in the General Fund) be met in full.

VIII. That the Assembly urge pastors and sessions to observe Stillman College Day on January 19, 1958.

IX. That all churches be urged to recruit superior young people from the local high schools for Stillman.

X. That a special effort be made by churches, groups and individuals to challenge

choice young men in high school for the Christian ministry and that, when possible, they help these young men in the expenses of their education.

GENERAL ASSEMBLY'S TRAINING SCHOOL

XI. That the minutes and report of the General Assembly's Training School be approved.

XII. That the following recommendations be approved:

Recommendations

1. That the Assembly approve the re-election of Dr. Charles E. S. Kraemer as President for a term of three years.
2. That the Assembly approve the re-election of Dr. James R. Sydnor as Professor of Church Music for a term of three years.
3. That the Assembly approve the re-election of Dr. Wade H. Boggs, Jr., as Professor of Bible and Christian Doctrine for a term of three years.
4. That the Assembly approve the re-election of Miss Sara Little as Director of Field Work and Assistant Professor of Religious Education.
5. That the Assembly urge pastors and session to observe Training School Day on April 7, 1958, so as to acquaint their congregations with the service the school is rendering, the opportunities it offers, and its needs.
6. That the Assembly urge each synod, presbytery and local church to see that the General Fund Agencies of the Assembly receive their apportioned share of the Assembly's Benevolent Budget. (The Training School is one of the eight causes in the General Fund.)
7. That the Assembly request pastors and other church leaders to direct to the school men and women of superior gifts and consecration, those of maturity and experience as well as young people of college age, that they may be prepared to meet the Church's urgent need for more trained workers.
8. That the Assembly instruct the Trustees as authorized by previous Assemblies to continue their efforts to raise funds for permanent improvement and endowment.
9. That Dr. Chas. E. S. Kraemer in consultation with the Board of Trustees and the Stated Clerk consider the advisability of the election of the President and Faculty by the Board of Trustees instead of by the General Assembly and that study be given to the tenure of professors and administrative officers.

MOUNTAIN RETREAT ASSOCIATION

XIII. That the report of the Mountain Retreat Association be approved.

(See Appendix, pages 117 and 125.)

XIV. After a study of the Montreat College Report and a period of discussion with Dr. C. Grier Davis, Chairman of the Board of Directors, and with Dr. W. H. McCorkle, member of the Board, who appeared before the committee, the committee feels that the present situation necessitates their recommending that the General Assembly appoint an Ad Interim Committee of not less than seven members to consider a study being made by the Mountain Retreat Association as it pertains to Montreat College and to bring recommendations to the 1958 meeting of the General Assembly. (See page 47.)

Rev. Andrew R. Bird, Jr., Chairman presented the report of the Standing Committee on the Board of Church Extension. In the course of hearing the report Mr. Fred Ohl of the Division of Radio and Television and Rev. W. L. Cooper, retiring Superintendent of the Stuart Robinson-Highland School at Blackey, Kentucky were introduced. The Moderator requested that Mr. Ohl convey the greetings of the Assembly to Rev. John M. Alexander, Secretary of the Division of Radio and Television, who is ill. The report was adopted as amended and is as follows:

REPORT OF THE STANDING COMMITTEE ON CHURCH EXTENSION

Your Committee on Church Extension had placed in its hands:

I. The Minutes of the Board of Church Extension.

II. The Annual Report of the Board of Church Extension.

III. Overture 15 from the Presbytery of Granville.

IV. The Report of the Permanent Nominating Committee relating to this Board.

The Book of minutes of the Board was carefully read, found in order and approved by this Committee.

The Annual Report of the Board of Church Extension. The Executive Secretary appeared before the Committee and the Annual Report of the Board was reviewed. The Executives of the various divisions of the Board were presented and spoke of the work that is being done by the Board. They all reported that this is "A Day of Church Extension Opportunity!"

The chief thrust of the work of this Board has been in the fields of Home Missions and Evangelism, including Sunday School Extension and Negro Work. Eighty-five and one-half cents of the Church Extension Dollar goes for these causes. The most strategic single program in the growth of the Church today is that of establishing new churches. And yet we have only reached one-half of our "Forward with Christ goal of two new churches a week. The Board has been working on this goal faithfully. The answer is up to the presbyteries and especially up to the local churches with Kingdom Vision.

All the varied services rendered by the Board make it one of the most valued servants of the Church. We are indeed fortunate in having such a capable and dedicated staff engaged in carrying through these services for which the Church has asked. Your Committee wishes to commend these leaders for their unselfish service.

THE DIVISION OF HOME MISSIONS

The complexion of our Church includes both strong and weak presbyteries, and your Home Mission Division has served both to challenge the strong to support those with less resources, that they may rise to the great opportunities before them, and to encourage churches in some strong presbyteries to step out on Faith and undertake challenging new church projects.

Through the *Department of Missionary Support* 572 workers—pastors, evangelists, superintendents, teachers and community workers received salary support as they work in 651 churches, 144 outposts, 6 institutional centers and 5 schools in 59 of the 85 presbyteries.

The opportunity for the organization of new churches is an increasing one. If we are to approach more nearly the goal of two new churches per week, it will be necessary for every presbytery carefully to survey its promising opportunities, and make immediate and long range plans, not only for the organization of new churches, but for the raising also of supplemental funds necessary for the undergirding of these projects. Many local churches should consider their opportunity to participate in the starting of new churches. Every church should consider the importance of paying its full benevolence apportionment and making a most generous special offering for Church Extension. The lack of Assembly Challenge Funds may well be the principal bottleneck in the program for developing new churches. For instance, in 1956 there were 116 requests for aid from 59 presbyteries in sixteen synods totaling $812,225. This total is the largest ever asked—all was for challenge money to be matched by from two to twenty times in local money—and exceeds by $225,000 the previous high which was asked a year ago. These askings were three times the total amount available from all sources for the making of building grants. Divide 116 churches which applied by 3 and you will see one reason why we may have missed our goal of 104 new churches.

The Urban Church Department has been swamped with requests for surveys of cities and suburbs as more of our urban churches are aware that they should acquire sites for yet other churches. One out of every eight among all of our members in the year 1956 was to be found in new churches, established since World War Two. The building of new churches has been and is still the strongest method for reaching the more than forty per cent of our population that is still unreached by any church. The most reliable statisticians that can be found in the National Council of Churches report that at least 2,000 new churches per year will be needed in our country barely to keep up with the population growth. Our goal of 104 new churches per year is not high. The Assembly has already approved the $1,000,000 Challenge Fund Goal for the building of new churches and the strengthening of existing ones. Each presbytery will retain 80% of the amount raised this coming October for the work each needs so urgently to do. The remaining 20% is to be sent to the Board of Church Extension for those presbyteries needing additional assistance. Let every commissioner return to his presbytery with an urgent call for this most promising investment to expand our Church to meet the wide open needs of our cities, that our Church may be able, with thousands of new members, to support all other causes more abundantly in future years.

While stressing the fact of open doors for growth, we must not forget our denominational responsibility for mission work in those areas where we may not expect strong churches to develop any time soon. *The Town and Country Church Department* is carrying the responsibility here. Even though our rural-farm population is declining, the higher rural-farm birthrate means that our rural areas are providing much of the population which moves to the cities, and these must be reached. We must also care for our large mountain area, our small Indian work, and our ministry to Latin Americans and other foreign speaking groups.

The Sunday School Extension Department offers the services of its fine Extension workers to the synods, paying all of their salary and one-half of their travel expenses. Nine synods have taken advantage of this service.

The Church Architecture Department offers valuable counsel to churches in helping to organize and in aiding building councils so that they can determine present and future space needs for sanctuary, social hall and every department of the church school. Only when this planning is well done can the congregation deal intelligently

with the architect. The work of this department is NOT that of designing and supervising the construction of buildings, but in its counselling work it annually saves the church many times its budget cost. Ever since it was established it has been overwhelmed with calls for service. It definitely needs an increased staff.

"Maintaining the Tie" is not just a slogan so far as the relation between your Board of Church Extension and her chaplains in the Air Force, Army, Navy and Veterans Administration. These have increased in number from 43 to 45 during 1956. Two of these chaplains were present as members of your standing committee and gave warm expression to their appreciation of the deep interest, letters and genuine help given by the Board to them on duty both in the States and Overseas. They expressed their earnest wish that all presbyteries would likewise keep in touch with the chaplains on their rolls and that local congregations would "Maintain the Tie" with their many men continually entering Military Service. Your Standing Committee asks that these two Chaplains Captain Frank H. Noll of the Air Force and Lt. Comdr. Charles S. Ruff of the Navy be presented to the Assembly at this time.

THE DIVISION OF NEGRO WORK

Since the Negro Work Campaign was launched in 1953, God has blessed our efforts in entering new areas of opportunity. Sixteen new congregations have been organized and 24 new buildings erected; 4 additional fields are now approaching the point where they will be ready for organization of churches. We now have 70 Negro churches with 48 ministers and a total of 5,300 members, which is approximately twice what we had a decade ago. There remains much to be done, and we covet the prayers of our people that more may be done. Pray that we may recognize our oneness in sin, in order to realize our oneness in Christ.

As of February 1, 1957, a grand total of $1,930,000 had been realized from the Negro Work Campaign over one-half of which went to Stillman College. For this we give thanks and take courage for a significant job in this long neglected area.

DIVISION OF RADIO AND TELEVISION

The Division of Radio and Television has produced in excess of 11,000 radio station programs during the last year, which were broadcast over approximately 300 different stations.

During the last few months this Division has produced 2,600 Filmed TV Station programs telecast over 175 stations across the nation free of charge. These were produced on the new television sound stage, the largest south of New York and east of Denver, located at the Protestant Radio and Television Center, at Atlanta, which is owned and operated by five Denominations. Dr. John M. Alexander is the Founder and President of the Center.

DIVISION OF EVANGELISM

Our Pre-Assembly Evangelism Conference speaks for itself. The more than 400 who attended found not only inspiration but specific help in the preparation and program of evangelism in the local church. Further in this report we will recommend its continuance. The Division reports definite advances resulting from many active Presbytery Councils on Evangelism. We commend to the prayers and sympathetic support of the churches the Rev. Albert E. Dimmock, newly elected Secretary of the Division of Evangelism.

RECOMMENDATIONS

We present the following recommendations for adoption:

1. That local churches throughout the General Assembly in their various organizations including the Men of the Church, Women of the Church, Youth Fellowships and Church Schools, be urged to observe the Church Extension Season, September 23-October 20, 1957, using the denominational study book, "Christians Are Citizens," prepared by the Division of Christian Relations, and also recommended interdenominational books for all age groups and other supplementary material prepared by the Department of Promotion.

2. That the Church Extension Committee of every Presbytery and every pastor, session and local church organization be urged to observe October 13-20, 1957, as a

week of prayer for God's blessing upon the expansion efforts of our entire Assembly and of concerted effort to raise at least a $1,000,000 supplemental offering toward the building of churches in this day of Presbyterianism's unprecedented opportunity for growth.

3. That, during this 1957 Church Extension Season, each presbytery be asked to push vigorously its own plan for raising capital funds as a part of the united effort to raise $1,000,000 for church building purposes, it being understood that presbyteries are to retain for their own immediate use 80% of all supplemental offerings taken within their bounds and remit 20% to the Board of Church Extension for distribution to areas of particular need.

4. That it be emphasized throughout the Assembly that the Board of Church Extension disclaims any desire to have these needed building funds pass through its treasury but does wish to use all its promotional strength to undergird the raising of new money for the immediate use of the presbyteries now facing opportunities for the expansion of their church building programs.

5. That, in seeking to attain the evangelism goals set for the Forward with Christ Program, every church be urged to continue using the proven methods, such as Evangelism Through Friendship, Visitation Evangelism, Preaching Missions and Church Attendance Crusades.

6. That sessions consider undertaking a program of Evangelism Through Friendship in the month of September as one appropriate method of preparing their people for Rally Day and world-wide Communion Sunday.

7. That the Young People of the Church be challenged to an intensive program of Youth to Youth Evangelism in the month of January.

8. That, in the year 1958, the period March 3-April 6 or the month of August, and Evangelism Sunday, November 30, be designated for special emphasis upon Evangelism and used to challenge our entire membership to greater activity in seeking to win people to Christ.

9. That local churches be urged to conduct Training Classes for adults who are uniting, as well as communicant classes for children, to the end that all may be the better prepared for membership.

10. That sessions be asked to make a careful study of the best procedures for receiving new members, enlisting the inactive member, and reclaiming those on the retired rolls, using materials for this purpose furnished by our Division of Evangelism or those that have proved effective in other churches.

11. That the duplex "Card of Introduction" and "Card of Notification," provided by the Division of Evangelism, be commended for use as an effective means of preventing the loss of members who move from one community to another.

12. That the 15 minute film series, the "Christian Laymen's Witness," originally prepared for television, together with suggested guides, be commended to our churches for use as a means of stimulating discussion and suggesting new methods of effective Christian witnessing.

13. That the General Assembly authorize a Pre-Assembly Conference on Evangelism to be held just prior to the 1958 meeting of the General Assembly, and urge all presbyteries to encourage their commissioners to attend.

14. That, pending the final report of its Ad Interim Committeee on Mass Communications, the Assembly commend to the immediate consideration of the various agencies of the Church the larger use of radio, television and appropriate audio-visual aids, the Inter-Board Adult Council being asked to explore the matter of how this may be done.

The first meeting of the Commission was held in the Highland Methodist Church, Birmingham, Alabama, Saturday, April 27, 1957, 10:00 A.M. The meeting was called to order by the chairman, Dr. Harry A. Fifield, who led in prayer. The roll was called with the following Commissioners present:

Herbert Watson	Robert T. Cobb
Robert McMullen, Jr.	A. E. Kirchner
J. A. Slicker	Neil McAlpine
James E. Long	L. C. McArthur
W. A. Engstrom	Frazier F. Surber
J. Walter Dickson	Edwin M. Rice

The Chairman introduced to the Commission: the Rev. Mr. Arthur A. Froehlich, and the Rev. Mr. Thompson L. Casey, Jr. (representing the officers of the Maitland Presbyterian Church)—complainants, and Dr. Stephen T. Harvin—respondent for the Synod of Florida.

Following introductions, both parties were dismissed while the Commission was organized, with the request that they remain nearby. The Commission then elected

J. L. Houston clerk. The Chairman then read the sections in the Book of Church Order relative to the work of the Commission—namely, paragraphs 283, 285, 287, 288, 289, 290-98.

The motion prevailed stating that "the complainant and the respondent be present for the reading of the records of the case; that they be given the opportunity to make additional comments concerning the records as presented; that the Commission be given an opportunity to ask questions of both parties; and that both parties be dismissed while the Commission deliberates the case, but asked to keep themselves available for further questioning."

The Commission then invited both parties to be present for the reading of the records. There being no questions raised by either party as to the records forwarded by the Stated Clerk of the Synod of Florida, the chairman then proceeded with the reading of the same. After a brief recess, the reading of the records was completed by J. E. Long.

A motion prevailed that the Commission proceed immediately with the schedule of business as outlined earlier, by hearing from the parties in question.

Mr. Froehlich and Mr. Casey opened the argument.

The chairman then declared the Commission in recess for lunch, to reconvene at 1:45 P.M.

The Commission reconvened at 1:50 P.M. and was led in prayer by the chairman.

The respondent was then heard from, and Dr. E. C. Scott invited to sit in for the purpose of counsel.

The respondent made reference to an opinion contained in the records of the case that this General Assembly should not deal with this complaint inasmuch as an *appeal* had been filed by the complainant with the Synod of Florida. (Reference paragraph 290, BCO.)

A motion was passed granting Dr. Harvin permission to be dismissed in order that he might fill an engagement in his home church, with the understanding that he would be able to return on Monday if needed.

The complainants continued their presentation.

The chairman declared the Commission in recess for ten minutes.

The Commission reconvened, and the complainants closed their argument.

The motion was made and seconded that the Complaint as contained in a bound volume prepared by the complainant, and such other data contained therein as is relevant to the case before the Commission be admitted to the records and read.

A motion prevailed tabling the above motion until the Commission goes into Executive Session and debate can be heard on the matter.

A motion prevailed that the complainants be dismissed, but requested to remain nearby, and that the Commission go into Executive Session.

A motion prevailed removing from the table the motion relative to the Complaint as prepared by the complainant.

A motion to put the question on the motion now before the Commission prevailed.

The motion carried that the Complaint and such other data contained therein as is relevant to the case before the Commission be admitted to the records and read.

The chairman ruled that, unless objection is raised, the Commission is not obligated to read the Complaint in the presence of the Respondent and the Complainants.

Additional copies being placed in the hands of the Commission, the chairman then proceeded to read portions thereof.

The Commission was recessed by the chairman with instructions that it be reconvened in the chapel of the South Highland Presbyterian Church at 6:45 P.M. The Commission was led in prayer.

The Commission reconvened with prayer in the chapel at 6:45 P.M.

The following motion prevailed: that relative to the point raised by the respondent that the General Assembly cannot rightfully consider the Complaint before it, inasmuch as an appeal has been made by the Complainant to the Synod of Florida,

thus voiding the Complaint before the General Assembly (reference paragraph 290—BCO), THE COMMISSION rules that paragraph 290 of the BCO does not apply to the Complaint before it for the following reason:

The case on which the *Appeal* is based—namely, Arthur A. Froehlich et al against the Presbytery of St. Johns, and the case on which the Complaint is based—namely, Arthur A. Froehlich et al against the Synod of Florida, are distinct and separate.

A motion prevailed that the Commission instruct the Stated Clerk of the Synod of Florida to forward the following records at once:

I. Minutes of the meeting of St. Johns Presbytery which cite its action empowering the Commission on the Minister and His Work to serve as a Judicial Commission.

II. All Minutes of the above named Commission relative to its action in the case before this Commission.

III. A copy of the "notice with reasons" filed with the Stated Clerk of the Synod of Florida of the intentions of Arthur A. Froehlich to file a Complaint with the General Assembly.

The chairman ruled, barring objection from the Commission, that Dr. Harvin be invited back as soon as possible and that he be granted the privilege of bringing Dr. Wm. Kadel with him.

The motion prevailed adjourning the Commission to meet on call of the chairman.

The Commission reconvened at 6:30 P.M. Sunday, April 28 in the chapel with a quorum present. The meeting was opened with prayer and James Edward Long elected clerk pro tem.

After a lengthy discussion, the Commission adjourned with prayer to meet at 1:30, P.M., Monday, April 29 in the chapel.

The Commission reconvened on Monday, April 29, 1:30 P.M. in the chapel with a quorum present. Prayer was offered by the clerk.

The chairman noted that all Minutes of the Presbytery of St. Johns relative to the case, all Minutes of the Commission on the Minister and His Work and the Judicial Commission of St. Johns Presbytery relative to the case were on hand.

The chairman then proceeded to analyze the Complaint as contained in the bound volume in order to deduce reasons supporting the Complaint.

The chairman then read to the Commission the following records:

1. The report of the Commission on the Minister and His Work of St. Johns Presbytery which was submitted to that Presbytery on April 10, 1956.
2. The Minutes of the Judicial Commission of St. Johns Presbytery dated April 23, 1956.
3. The Minutes of the Judicial Commission of St. Johns Presbytery dated May 17, 1956.

The following persons were invited in for interrogation: Dr. Stephen A. Harvin, Rev. Arthur A. Froehlich, and Dr. William Kadel, chairman of the Judicial Commission of St. Johns Presbytery to which the matter under consideration was committed.

The motion prevailed that the Commission be recessed to meet again at 7:00 P.M. in the chapel. The Commission was led in prayer.

The Commission reconvened at 7:00 P.M. in the chapel with prayer. The clerk noted that a quorum was present.

The motion prevailed that the Commission find the said Complaint to be set forth in four specifications, as follows:

(1) The failure of the Synod of Florida, June 19-21, 1956, to sustain the Complaint of the Rev. Arthur A. Froehlich and the Elders and the Board of Deacons of the Maitland Presbyterian Church, made to it, against the action of St. Johns Presbytery through the Commission on the Minister and His Work:

(2) The failure of the Synod to correct the failure of Presbytery to observe paragraph 92, Book of Church Order:

(3) The failure of the Synod to correct the failure of Presbytery to appoint a representative to Synod:

(4) The failure of the Synod to correct the failure of Presbytery to issue official minutes.

The vote of the Commission on each specification of the Complaint was as follows:

(1) The Commission voted unanimously not to sustain.

(2) The Commission voted unanimously not to sustain.

(3) The Commission voted unanimously not to sustain.

(4) The Commission voted unanimously not to sustain.

The following report to be submitted to the General Assembly was adopted unanimously:

REPORT OF THE JUDICIAL COMMISSION APPOINTED BY THE 1957 General Assembly, Presbyterian Church, U.S., to consider the complaint of the Rev. Arthur A. Froehlich and of the elders and deacons of the Maitland Presbyterian Church, Maitland, Florida, against the SYNOD OF FLORIDA.

This Judicial Commission examined records of the case of the Rev. Arthur A. Froehlich and the elders and deacons of the Maitland Presbyterian Church against the Synod of Florida as presented to it by the General Assembly's Committee on Judicial Business.

We find the said complaint to be set forth in four specifications, as follows:

(1) The failure of the Synod of Florida, June 19-21, 1956, to sustain the complaint of the Rev. Arthur A. Froehlich and the Elders and the Board of Deacons of the Maitland Presbyterian Church, made to it, against the action of St. Johns Presbytery through the Commission on the Minister and His Work:

(2) The failure of the Synod to correct the failure of Presbytery to observe paragraph 92, Book of Church Order:

(3) The failure of the Synod to correct the failure of Presbytery to appoint a representative to Synod;

(4) The failure of the Synod to correct the failure of Presbytery to issue official minutes.

This Judicial Commission, by a unanimous vote, fails to sustain any of the specifications of the Complaint.

By a unanimous vote, this Commission sets forth the following note explanatory to its failure to sustain the first specification: We find that the Presbytery of St. Johns acted in this case completely within its proper authority; and that therefore the Synod of Florida took proper action in refusing to sustain the complaint against the Presbytery.

Respectfully submitted,
HARRY A. FIFIELD, *Chairman*

The findings of the Commission were read in the presence of the respondent and the complainants and the group was led in prayer by the chairman.

The motion prevailed that the Minutes as read be approved.

The motion prevailed that the Commission adjourn.

The Commission was dismissed with prayer.

Respectfully submitted,
HARRY A. FIFIELD, *Chairman*
JULIAN L. HOUSTON, *Clerk*

At the request of Rev. Ryan L. Wood, Chairman Ruling Elder D. E. Cuppett, Jr., read the report of the Judicial Commission to hear the Complaint of Dr. Sidney Williams et al against the Synod of Alabama which was admitted to record and is as follows:

The following commissioners were appointed by the Moderator and approved by the 97th General Assembly as a Judicial Commission to hear the complaint of Dr. Sidney Williams et al against the Synod of Alabama and make disposition of it:

Ministers	*Elders*
Ryan L. Wood, *Chairman*	W. Calvin Wells, Jr.
Charles R. McCain	Alfred D. Noyes
David F. Murphy	D. E. Cuppett, Jr.
B. Frank Yandell	J. H. Davenport
W. G. Bensberg	R. Brookes Peters
G. G. Lacy	John M. Ashby
W. Lamar Hicks	Thomas D. Birchett
J. Harold Jackson	W. Kenneth Barnes
Hugh E. Powel	C. B. Vest
George F. Houck	Thomas L. Kerns
R. P. Richardson, Jr.	Thomas S. Lesslie
George H. Smith	Reuben S. Johns
Albert B. McClure	J. C. Stikeleather
James P. Duncan	

The Commission met on Saturday, April 27, at 9:00 a.m. at the Highland Methodist Church, Birmingham, Alabama, to hear the complaint as stated above and to make disposition of it.

The Chairman, Rev. Ryan L. Wood, called the meeting to order and led in prayer. Rev. R. P. Richardson, Jr., was elected secretary of the Commission. The chairman called the roll. A quorum was present.

The chairman read the specific instructions given by the General Assembly to the Commission, and indicated that the procedure of the case was to be governed by the provisions outlined in the book of Church Order, specifically Paragraphs 285, 290, 293-298. Certain of these paragraphs were read to the Commission. Elders W. Calvin Wells, Jr., and Alfred D. Noyes were requested by the chairman to serve as legal advisers in the work of the Commission. The chairman also appointed the following to serve as a sub-committee to draw up the minutes, together with the action of the Commission, to be submitted to the Commission for its final review on Monday morning, April 29, 1957, at 8:30 a.m.: Ministers David F. Murphy, R. P. Richardson, Jr., George H. Smith, and Ruling Elders D. E. Cuppett, Jr., and R. Brookes Peters.

Two complaints were found in the file dealing with the same matter; one from the Session of the Livingston, Alabama, Presbyterian Church, and the other from E. O. Graham, S. H. Williams, and R. G. Colson, both against the Synod of Alabama. As both complaints were found to relate to the same subject matter and to raise the same or similar points, their purposes being identical, it was agreed by representatives of the complainants in each complaint, the representative of the respondent being present and not objecting, that the Commission could proceed to hear the matters and things involved as if it were one complaint. This the Commission proceeded to do.

The representatives of the complainants, Dr. Sidney Williams, and his father, Mr. S. H. Williams, and Rev. Merle C. Patterson, respondent for the Synod of Alabama, were invited to remain until such time as the Commission would be ready to express its opinion and take its vote on the specifications.

The record of the complaint against the Synod of Alabama was read, following which the record of complaint against the Presbytery of Tuscaloosa, also pertinent in the case, was read. The report of the Judicial Commission of the Synod of Alabama (contained in Minutes of the 121st Annual Meeting of the Synod of Alabama of the Presbyterian Church, U.S., Central Presbyterian Church, Mobile, Alabama, June 26-28, 1956, pp. 38-40) was also read to the Commission.

The Commission heard the two complainants, and asked questions. The Commission then heard Rev. Merle C. Patterson for the Synod of Alabama, and asked him ques-

tions. At 12:55 P.M. the Commission voted to recess until 2 P.M. with closing prayer by Rev. B. Frank Yandell.

Upon reconvening at 2:00 P.M., the Commission was led in prayer by Ruling Elder John M. Ashby. A quorum was present.

Rev. Merle C. Patterson, for the Synod of Alabama, appeared again before the Commission to continue with his statement, the complainants also being present.

After further discussion, with questions being put to both representatives for respondent and complainants, the complainants were given opportunity to close the argument.

The representatives of complainants and respondent were asked if all records or exhibits which they desired to present were before the Commission. They both responded in the affirmative. The representatives for complainants and respondents were excused by the Commission.

After a five minute recess, the Commission reconvened, and was led in prayer by Rev. H. E. Powel. Members of the Commission were given opportunity to express their opinions, with reference to the several specifications in the complaint. On motion, the Commission voted to consider the specifications seriatim.

After much deliberation, the following actions were taken by the Commission:

Specification I. A.

"That the Synod of Alabama was in error when it failed to sustain item 1 of the original complaint."

"1. That Tuscaloosa Presbytery was in error when it accepted the report of the special committee appointed to investigate the irregularities concerning Reverend Raymond W. Rien as said special committee of the Presbytery erred in meeting and conducting an investigation of the said Reverend Raymond W. Rien without calling before it members of the Livingston Presbyterian Church, not coming to Livingston, and reporting to Presbytery that Reverend Raymond W. Rien had academic degrees from universities in England and Scotland, when the said committee had in its files letters from said universities stating that Reverend Raymond W. Rien had never attended the said institutions."

The complaint was sustained as to Specification I. A.

Prior to the vote on the second specification (I. B.) the Commission recessed with prayer by Rev. George H. Smith and reconvened in the Educational Building of the South Highland Presbyterian Church, Birmingham, Alabama, at 7:30 P.M., being led in prayer by Ruling Elder A. D. Noyes. A quorum was present. The actions taken on the remaining specifications of the complaint were as follows:

Specification I. B. "That the said Synod of Alabama was in error when it failed to sustain item 3 of the original complaint."

"3. That said Tuscaloosa Presbytery was in error when its Commission on the Minister and His Work was derelict in its duty and acted contrary to its authority in refusing to respond to a request from the Session of the Livingston Presbyterian Church to meet and counsel with it concerning irregularities and conflict with the minister of the Livingston Presbyterian Church."

The complaint was sustained as to Specification I. B.

Specification I. C. "That said Synod of Alabama was in error when it failed to sustain in toto item 4 of the original complaint."

"4. That Tuscaloosa Presbytery was in error in refusing to try Reverend Raymond W. Rien, against whom charges were preferred by the Session of the Livingston Presbyterian Church, and dismissing the said Reverend W. Rien, without hearing the charges pending against him at the time of his dismissal to the Presbytery of Meridian, in the Synod of Mississippi."

The complaint was sustained as to Specification I. C.

Specification II. "That said Synod of Alabama was in error when it refused to review the complete record of the case."

The complaint was not sustained as to Specification II.

Specification III. "That said Synod of Alabama was in error in not directing Tuscaloosa Presbytery to a proper disposition of the charges."

The complaint was not sustained as to Specification III.

Specification IV. "That the Synod of Alabama was in error in that the Commission appointed to hear the complaint against Tuscaloosa Presbytery hurried to a decision in the matter before all the testimony was taken; and a mistake or injustice in the judgment resulted."

The complaint was not sustained as to Specification IV.

Now, therefore, the decision of this Commission is that the complaint is sustained in part; that the complaint is sustained as to specifications of error Numbers I. A., I. B., and I. C., and is not sustained as to specifications of error Numbers II, III and IV.

Dissents, unaccompanied with reasons, made by a minority of the Commission, are hereby noted on the record of this report, as they relate to three specifications, namely, I. A., I. B. and I. C.

On motion, the Commission voted to take the following action:

(a). "That in sustaining certain specifications and not sustaining others, the Commission exhorts the Synod of Alabama in the future to observe more closely the provisions of the Book of Church Order."

(b). "That all the records of the case be kept intact and be turned over to the Stated Clerk of the General Assembly in order that they may be made available for the use of any court of jurisdiction desiring them."

Dissents, unaccompanied with reasons, made by a minority of the Commission, are hereby noted on the record of this report, as they relate to item (a) of the above action.

One member of the Commission dissents from the report for that the Commission should have remanded the case to the Synod with instructions to remand it to the Presbytery for trial.

The Commission recessed until 8:30 Monday morning, April 29th, 1957, being dismissed with prayer led by Ruling Elder W. Kenneth Barnes.

On Monday morning, April 29th, 1957, at 8:30 A. M., the Commission reconvened in the Educational Building of the South Highland Presbyterian Church, Birmingham, Alabama, being led in prayer by Rev. David F. Murphy. A quorum was present.

On motion, the sub-committee on preparation of the minutes was commended for its fine work.

The Commission recessed at 10:30 A. M., to reconvene after adjournment of the afternoon session of the General Assembly. Closing prayer was led by Rev. Albert B. McClure.

The Commission re-convened at 6:30 P. M., and was led in prayer by Rev. George F. Houck. A quorum was present. On motion the Commission voted that the Chairman and the Secretary sign the report.

The minutes of the Commission were read and approved and the Commission was adjourned with prayer led by Elder Thomas L. Kerns.

APPENDIX

I. REPORT OF THE PERMANENT COMMITTEE ON THE OFFICE OF THE GENERAL ASSEMBLY

The Permanent Committee on the Office of the General Assembly held its two stated meetings during the year. The Fall Meeting was held in Dallas, Texas, and the Spring Meeting in Atlanta, Georgia. The Minutes of these Meetings have been placed in the hands of the Standing Committee.

The continued growth of the Church is reflected in the increase in the responsibilities and duties of the Office of the General Assembly. The Committee has carefully reviewed the activities of the office and has endeavored to carry out the tasks assigned to it by the General Assembly. The following report is respectfully submitted:

Administration

The Office of the General Assembly is under the executive direction of the Stated Clerk and Treasurer. As Stated Clerk, his office serves as the secretariat of the Assembly. As Treasurer, he is charged with the responsibility for the funds placed in his hands to meet the cost of the operation of the General Assembly. He also is Treasurer of the General Fund and Inter-Church Agencies Benevolence Accounts.

The following is the report of the Stated Clerk and Treasurer which was presented to the Committee at its meeting on January 29:

Report of Stated Clerk

The Office of the Stated Clerk has functioned throughout the past year with the performance of all usual duties and, in addition, special assignments given to it by the General Assembly and the Permanent Committee.

There have been many calls for assistance or for counseling. These have come by letter, long distance telephone and personal visits. So far as it has been possible to ascertain, all efforts to render such service have resulted most helpfully.

The monthly list of official report of changes in addresses continues to increase in length and a great deal of time is given to the department of records so that we may attain the highest degree of accuracy. It is surprising how many men fail to advise this office of change in address.

Blue Book and Minutes

These volumes were published as usual. Total number of copies of Blue Book was 868. The Minutes have been published in two parts since the Church Year was changed to the Calendar Year. There is a much greater demand for Part II, the statistical portion, so 5,356 copies were printed. These came from the press May 12 and were distributed immediately. Part I, containing proceedings of the General Assembly, was completed July 27 and 4,917 copies were printed. It is interesting to note that proceeds from sale of Minutes each year is approximately the cost of distribution. The free list is quite large since it includes all ministers, ruling elder commissioners, members of graduating and rising senior classes of our seminaries, lay members of Boards and Committees, Libraries of all Colleges and Seminaries of our Church.

Ministerial Directory

There has been a considerable demand for a supplement to the last edition which was published in 1951. At the October meeting of the Permanent Committee the Stated Clerk was directed to issue a supplement in mimeograph form. Work was begun on the project November 15 and was completed before Christmas. The first run consisted

of 500 copies. The stencils have been preserved and additional copies can be run off as needed. The supplement consists of 104 pages, 8½ x 11 inches, and is bound with plastic elements. It contains biographical sketches of more than 1,000 men who have been ordained or received by our presbyteries since 1951. Actual cost of the supplement, including mailing, is about 75c per copy and it has been priced at $1.00. Grateful thanks are expresed to Mr. Hal Hyde for the use of his punching and binding equipment.

The present status of the finances for the 1951 edition of the Ministerial Directory is revealed by the following statement: Number of copies printed, 3,500. Payment received for 2,719 copies, leaving about 725 on hand. Condensed statement is as follows:

Balance brought forward, March 31, 1950	$ 392.41
Collections from sales, 1950-55	9,373.80
Collections from sales, 1956	249.98
	$10,016.19
Expenditures, 1950-55	$11,814.90
Expenditures, 1956	43.99
	$11,858.89
Balance due treasury of the General Assembly	1,842.70

The Reformed and Presbyterian World

As directed by the Permanent Committee, each minister on our roll was given one year's subscription to this (quarterly) official publication of the World Presbyterian Alliance. These are shipped to us in bulk from Geneva, and individual copies are mailed from Atlanta. Three issues have been mailed, leaving the fourth and last, to be mailed in the spring of 1957. This has added considerably to the work of the staff but it is looked upon as "a labor of love."

Report Blanks

The greatly changed Session's Statistical Report blank was prepared by this office; was printed and distributed by the Publication Department in Richmond early enough for it to be studied carefully. Samples were distributed at the Stated Clerks' Conference in August. The new Work Sheet was prepared very carefully and indications are that it enabled sessions to prepare their reports to presbyteries with a minimum of difficulty.

Meeting of General Assembly

The approaching meeting of the General Asembly will be the first to be held on a self-entertaining basis outside Montreat. This has entailed a great amount of detail work never before necessary, such as arrangements for rooms, meals and transportation in Birmingham. All such matters have been handled by the entertaining church in the past. However, the careful plans made by the host church through the appointment of numerous committees has eased this task appreciably.

New Location of Office

On December 17 the office of the Stated Clerk was moved to a recently purchased two-story brick residence, next door to the Book Store. The lower floor of this addition to the Center was completely refurbished and we now, for the first time, have beautiful, adequate quarters. This move was occasioned by the need for additional space by the Board of Women's Work and was made without cost to the General Assembly. It will be necessary for some expenditure to be made for drapes and floor covering. During 1956 two much-needed pieces of equipment were purchased: Gestetner Duplicating Machine, electrically operated, and Elliott Addressing Machine, hand operated. A rug and a new desk were purchased for the office of the General Fund. A sufficient amount for these purchases was available in the 1956 budget for administration of the Fund.

Retirement of Mrs. T. H. (Marguerite) Rogers

On March 1 Mrs. Rogers retired, bringing to an end a service of eleven years in the position she has filled most acceptably. She came to this office from the Book

Store in Dallas, but previously had worked in this office under Dr. Leslie. She served in the Stewardship Committee office in Chattanooga for several years. We extend our thanks to Mrs. Rogers for her faithful service and assure her of our prayers that she will derive much benefit from her well-earned rest. Mrs. Allan Scott, who has been serving as secretary for the past three years, will assume the duties of the position vacated by Mrs. Rogers and it is hoped that announcement of Mrs. Scott's successor can soon be made.

Respectfully submitted,

E. C. SCOTT, *Stated Clerk*

REPORT OF TREASURER OF THE GENERAL ASSEMBLY

The balance in the treasury on December 31, 1956 was $21,534.45. This includes $4,099.84 paid in advance on 1957 Presbyterial Assessments, and $191.66, balance of a fund set aside by order of the General Assembly of 1951 (page 80 of Minutes) for expenses of our representatives to interdenominational Councils. Therefore, the real balance is $17,242.95. This is a larger amount than usual but is necessary because of the much larger cost for meetings of the General Assembly on a self-entertaining basis.

The budget adopted by the General Assembly for 1956 was $108,000. Total expenditures were $116,778.92. The difference of $8,778.92 can be accounted for by the fact that the estimated amount needed for Ad Interim and Permanent Committees and Historical Foundation was more than $5,000 less than the amount spent; while three other items not provided for in the budget required the expenditure of more than $3,000. Authorization of this expenditure was made by the Committee and the General Assembly.

The $20,000 invested in two Federal Savings & Loan Associations by order of the General Assembly have earned 3½%, or $700, during 1956, although only one-half of this was received before December 31.

Your treasurer estimates that approximately $155,000 will be available for all expenses of the General Assembly during 1957. If the budget should be adopted in the amount of $133,000, we should reach the end of the year with a balance of about $22,000. This is not a large balance when we take into account the need for a considerably larger amount for meetings of the General Assembly, now that this body cannot meet at Montreat.

Next attached will be found the financial statement which has been audited.

Respectfully submitted,

E. C. SCOTT, *Treasurer*

REPORT OF TREASURER OF GENERAL FUND AND INTERCHURCH AGENCIES FOR 1956

It is gratifying to report that the receipts for these two General Assembly approved benevolence causes have shown a steady increase from the beginning. The Askings for the General Fund the first year were $589,185 and receipts were 61.73% of this amount. Each year the Askings have been increased, yet the percentage of receipts also increased. The Askings for 1956 were $893,259 and $595,855, or 70.4%, were received. Thus, in five years, although the Askings for the General Fund have increased 51.6%, the percentage of receipts has increased from 61.7% to 70.4%. This indicates that the General Fund is becoming more firmly established in the minds and hearts of many in our Church.

Beginning in 1957 the Trustees of the General Assembly and the Presbyterian Foundation will become the eighth cause to be supported through this Fund.

Askings for the Interchurch Agencies have increased about 28% during five years, while percentage of receipts has increased from 76.5% the first year to 83% in 1956. The Askings are far below what they should be as our Church should provide a larger amount towards support of the interdenominational bodies with which we are affiliated.

II. REPORT OF TRUSTEES OF GENERAL ASSEMBLY AND PRESBYTERIAN FOUNDATION

Your Trustees respectfully submit their report for the fiscal year ending December 31, 1956. This report is for a period of nine months from March 31, 1956 to December 31, 1956 since the Trustees have changed their fiscal year to end on December 31st of each year.

The regular business of the Board has been attended to in the usual manner during the year. The business of the Trustees consists of the supervision of legacies or gifts given to the various organizations of the Church. It is the duty of the Trustees to invest and reinvest the principal of these funds and to distribute the income earned to the various beneficiaries according to the provisions of the different wills and trusts. Details of the operations for the year will be found in the Financial Report, which is made a part of this report. The Trust Department of the Commercial National Bank of Charlotte, N. C., is custodian of the various assets and keeps the records and books of the Trustees, subject to the direction of the Trustees.

We now have 41 legacies amounting to $829,091.05, and annuity bonds of $17,000.00. The Trustees also have reserve funds of $17,516.52 and unexpended income balances of $62,610.31. These funds are invested in U. S. Government bonds, corporate bonds, first mortgage bonds, and preferred and common stocks.

The Trustees endeavor to secure a reasonable return on the investments while insuring the soundness of the investments. Changes in investments during the year have resulted in the following percentages on a cost basis:

	12/31/56	3/31/56
U. S. Government & Corporate Bonds	37.78	36.34
Real Estate Mortgages	33.09	32.05
Preferred Stock	3.88	7.31
Common Stock	25.25	24.30

An increase in yield on investments for the year can be seen from the following comparison projecting the yield for the nine months period ended December 31, 1956 for a full twelve months period:

	Year Ended 12/31/56	Year Ended 3/31/56
Gross Income	28,423.55	37,476.36
Percentage to principal balances	4.48%	4.39%
Net Income after expenses	24,807.40	33,216.96
Percentage to principal balances	3.95%	3.89%

In addition to the above income earned on investments by the Trustees, income was also received from the Louisville Trust Co., Louisville, Kentucky, Trustee U/W John Sutton in the amount of $306.16 and the Commercial National Bank of Charlotte, N. C. Trustee U/W of R. A. Dunn in the amount of $6,127.50.

A partial distribution of $639.47 was received by the Trustees being a remainder interest in the Estate of William Franklin Martin. As anticipated in the last report a distribution of $500,000.00 was received from the Estate of Calvin T. Young during the year. You will notice a separate report of these funds at the end of the regular financial statement. By the terms of the will these funds cannot be commingled with the other trust legacies due to provisions concerning investments.

Legacy income in the amount of $27,318.13 was distributed to various organizations of the Church during this nine months period. A principal distribution of $3,000.00 was also made during this period.

The following trustees' terms expire with the 1957 meeting:

L. L. Rose
John S. Cansler
Rev. J. C. Frist.

The officers of the Trustees for the past year have been:

Mr. T. S. McPheeters, President
Mr. I. W. Stewart, Vice-President
Dr. F. L. Jackson, Secretary and Treasurer.

Respectfully submitted,

T. S. McPHEETERS, *President*

III. REPORT OF THE GENERAL ASSEMBLY'S TRAINING SCHOOL FOR LAY WORKERS, INC.

STUDENTS

The General Assembly's Training School closed its forty-first session on May 21, 1956. Seventy men and women prepared at the General Assembly's Training School for Lay Workers this year are serving Christ and the church in: Alabama, Arkansas, D.C.,

Florida, Georgia, Louisiana, Maryland, Michigan, Mississippi, North Carolina, Ohio, Tennessee, Texas, Virginia, and West Virginia, and in Africa, Brazil, Formosa, Germany, Holland, Japan and Mexico. They are serving as follows:

	—	Children's Home	1
	39	DCE Industrial School	1
		Presbyterian SURVEY	1
Other Countries	8	DCE with Army Chaplain in Germany	1

DEGREES GRANTED

At the Commencement Exercises May, 1956, 12 B.R.E. degrees, 20 M.R.E. degrees, and 22 M.A. degrees were granted.

ENROLLMENT

Fifty-nine students, entering in September, 1956, came from every synod in our General Assembly and Delaware, Illinois, New Jersey, New York, Ohio, Pennsylvania, and the following foreign countries: Brazil, Ceylon, Formosa and Japan. Sixty-one colleges and universities are represented in this group of students. Of the total number of students twelve are men and nine of these are married. The entering class this year is slightly larger than the class that entered in 1955.

GRADUATE AND UNDERGRADUATE STUDENTS

In view of the demanding nature of church work, of the requirements of the accrediting agencies, the difficulties naturally arising from mixing graduate and undergraduate students in classes, and the report of the General Assembly's Committee on Educational Institutions made to the General Assembly in 1954, the Board of Trustees has limited the percentage of undergraduate and special students to twenty per cent of the total enrollment. The Board has also ruled that students admitted for undergraduate study must be selected very carefully on the basis of such considerations as maturity and previous experience. This is proving to be a very effective and workable policy.

FACULTY

ADDITIONS

Mrs. L. C. Majors, widely known throughout our church for her outstanding service in the field of Christian Education, is serving as Visiting Instructor in the field of Childhood Development.

Miss Ann Hartzog of Raleigh, North Carolina, a 1956 graduate of the Assembly's Training School, began work in June as Assistant to the Dean of Students, with special responsibility for enlistment.

Dr. W. T. Thompson, recently retired from the faculty of Union Seminary, is teaching the courses in Child Psychology and Adolescent Psychology.

FACULTY STUDY

After a year of study at Yale University, Miss Sara Little has returned to the campus to resume her work as Director of Field Work and Assistant Professor of Religious Education.

Miss Josephine Newbury, who will direct the demonstration kindergarten, which will open in February, 1957, spent the summer and fall at George Peabody College, Nashville, Tennessee, taking graduate work in kindergarten methods.

PUBLICATIONS

Faith Healing and the Christian Faith written by Dr. Wade H. Boggs, Jr., Professor of Bible and Christian Doctrine, begins with the controversy that always rages around "faith healers." It examines their ideas, practices, and results with constant reference to the Bible. This book was published this fall.

Learning Together in the Christian Fellowship written by Miss Sara Little, Director of Field Work and Assistant Professor of Religious Education, was published this fall. It discusses methods of group study and applies these ideas to Bible Study.

Published in the spring of this year *An Adventure in Love* was written by Dr. W. T. Thompson, Professor of Child Psychology and Adolescent Psychology. The book stresses the prime ingredient for a happy, well-adjusted family—a never failing atmosphere of love that will outlast storms and stresses.

A Call to Faith was written by Dr. Rachel Henderlite, Professor of Applied Christianity and Christian Nurture, and published in 1954. This is the study of the basic doctrines of the Christian Church. For December publication she has written, Paul, *Christian and World Traveler,* a text for week-day religious education in the 12th grade. A pupil's and a teacher's book are provided.

Dr. James R. Sydnor, Professor of Church Music, served on the Hymnbook Committee as a member of the group from the Presbyterian Church in the United States. *The Hymnbook* was published in 1955 and is being widely used in the churches throughout our General Assembly.

AVAILABLE TO ALL SECTIONS OF THE CHURCH

Because this school is owned and controlled by the General Assembly and is supported by the Assembly as one of its "General Fund Agencies" the administration and faculty want those in all sections of the Church to know that the new member of the staff charged with the special responsibility of enlistment is available and ready to serve in all sections of the Church. This also is true of the members of the administration, faculty, and staff of the school. It is understood, of course, that the number of such people at the school is limited, and their first responsibility is to the students already attending school. Nevertheless, they are ready to make themselves equally available to all parts of the Assembly whenever there is any service which they can render. To make this service possible a travel fund has been established to help pay the expense involved when groups at a greater distance desire to invite representatives from the school. Other things being equal it would appear preferable that representatives of the school be given opportunity to make as wide contacts as possible whenever such visits are made.

SUMMER CLINIC

A clinic was held on the Training School campus, July 30-August 10, 1956. The purpose of this clinic was to provide refresher work in certain fields for men, women and young people who are serving the Church as professional or as volunteer workers. Three courses were offered in two units of one week each: "Faith Healing and the Christian Faith" taught by Dr. Wade H. Boggs, Jr.; "Group Bible Study" taught by Dr. Balmer H. Kelly of Union Theological Seminary; and "Church's Program of Christian Education" taught by Dr. Ellis Nelson of Austin Seminary and Dr. L. C. Majors. Dr. P. H. Carmichael served as director of the clinic.

THE NEED FOR TRAINED LAY WORKERS

"WAR BABIES" and "DEPRESSION BABIES"

The entering class September, 1956, is slightly larger than the class which entered in 1955. The total enrollment, however, is far below what it should be with the needs of the Church at home and on the world mission fields what they are. The number of churches in our denomination grows each year. There is also a marked growth in enrollments in churches and church schools already established. Actually we find ourselves faced with the necessity of furnishing leaders for the greatly increased population group sometimes called the "war babies" with the generation born during the low-birth rate years of the early 1930s, known as the "depression babies."

INCREASED EFFORTS TO ENLIST FOR FULL-TIME CHURCH VOCATIONS

It is most discouraging to the Training School as well as to the churches involved that so many requests for help must be answered with sympathetic understanding but with no help available. Because the school is not satisfied to continue giving such answers the Trustees have directed that increased efforts be made in the direction of placing these needs before more men and women who may be brought to realize that God is calling them to service in full-time lay work in the church. An additional member has been added to the staff of the school charged with this responsibility.

FINANCIAL ASSISTANCE TO STUDENTS

The fact that many of the students offering themselves for training for these full time church vocations have already finished four years of college, that many of them

are from families which must also finance college expenses for other children of the family, and that many of them have already been away from home at work and are self-supporting, means that considerable financial assistance for students is needed each year at the General Assembly's Training School.

The almost overwhelming need for these workers both on the home and foreign fields has led the General Assembly's Training School to say to prospective students, "By their continued response to requests for scholarship aid, our churches have practically said that no man or woman who is called to full time service should be deprived of the preparation provided by the Assembly's Training School because of inability to pay the expenses involved."

This means, of course, that with the beginning of each new school year those who are responsible for the affairs of the Training School find it necessary to secure thousands of dollars for student aid.

The Training School is deeply grateful for scholarship gifts received. Some of these gifts represent the entire amount necessary for a year's schooling; others are partial payments in varying amounts on a student's expenses for one year.

PRESENTING THE CALL

The increased enrollment at the Assembly's Training School of consecrated and qualified men and women which has followed each World Mission Conference for Youth is a definite demonstration of the fact that more workers are available if the call can be presented to them in the right way.

EVERY REQUEST RECEIVED IS CONSIDERED BY STUDENTS

In spite of the fact that each year there are many more requests for the services of the workers going out from the Training School than there are workers available, every request received is placed before the students during the last half of their final year as they make their choices of places in which to serve. Last year's graduates went to churches varying in size from a membership of 350 to 1,700.

CURRICULUM

The curriculum at the General Assembly's Training School is living and growing not only because additional courses are being offered from time to time but also because the curriculum offerings are being reviewed constantly in the light of the nature of the commission which has been given the school and in view of the needs discovered as we deal with students and as we receive comments and suggestions from pastors, directors, and others actually at work in the churches. The faculty met for several days after the close of the 1956 session of school in May, and again in September. Although the studies in "Theological Education in America," sponsored by the Rockefeller Foundation and made under the leadership of Richard Neibuhr, are directed primarily to the work of the seminaries, the results and recommendations of these studies are being followed carefully by administration and faculty of the General Assembly's Training School. We have been particularly impressed with the statement from the reports which suggests, "The question is whether theological schools have in view the education of men who will serve God and their neighbors more or less directly as individuals or whether they have in view a ministering community and seek to train builders of that community. The word 'professional' means many things; insofar as it means not only a man who understands the principles of his function but also one who has a direct relationship to individual clients, as a doctor or a lawyer has; then the question of the objectives of theological education may be put in the terms: a 'professional ministry' or a 'church ministry.' Is it the first function of the school to prepare men who can preach the word of God, be pastoral counselors and religious educators, or is it the primary function of the school to prepare men who can build a preaching church, a pastoral church, and an educating church?"

Out of the faculty studies this summer have come plans for additional courses in Bible, Theology, Ethics, Missions, Counseling and Children's Work.

PLANS FOR THE FUTURE

The need for effective Christian witness to those who do not know Christ, the increasing calls for trained lay workers, and the growth of the Church are taken by those to whom the General Assembly has entrusted the affairs of its Training School as a mandate for enlargement. Both at home and on the world mission fields there are

millions unreached by the Christian Gospel. The number of communicant members of our Church is growing at an accelerated pace. In 1900 there were 225,890 communicant members; in 1920, 376,517; in 1940, 532,177; in 1956, 810,916.

INCREASING NUMBERS OF COLLEGE STUDENTS

Quoting from "Crisis in Our Colleges" a pamphlet published by the Division of Higher Education, Board of Christian Education of our denomination, "America is growing; a tidal wave of children is sweeping through the public schools. Population in the United States has doubled in the last fifty years. The number of births each year has almost doubled in the last twenty years. How can the Church afford to stand still or make small progress when these future communicants and citizens—the America of tomorrow are arriving in such numbers? . . . the trend is definitely UP in college enrollment, as well as in population. About 2½ million students populate American campuses today. If the percentage of college-going youngsters reaches 40 per cent, as seems likely, a total of 5½ million youths will be eagerly campus-bound by 1970. If prosperity continues, as many as half of our young people may desire college training." It is natural to expect that the extent of the need and the increasing numbers of college trained men and women will mean that more of these students will be seeking the preparation for service which the Assembly's Training School provides.

"GET THE OFFICES OUT OF THE BEDROOMS"

The first two buildings of the General Assembly's Training School were completed in 1924. Since then lack of financial resources had meant that no further additions could be made until the erection of the Administration Building in 1948. This, of course, limited the service the Assembly's Training School was able to render to the church. A goal adopted under the administration of Dr. Henry Wade DuBose called for "getting the offices out of the bedrooms." The completion of the new Administration Building made possible the accomplishment of this purpose.

MORE AND BETTER PROVISION FOR STUDENTS

In faith that our prayers for more laborers will be answered the Trustees of the Assembly's Training School have authorized the construction of and work is now under way on two of the additional buildings needed. One of these buildings contains four apartments for single members of the faculty on its first floor. These apartments will consist of a living room, a bedroom, a study, a bath, and a small kitchen for each person. Rooms for 24 students are planned for the second floor. Provision is being made for a third floor which can be completed and made ready for more students when funds are available. As the completion of the new Administration building has made possible moving out of the rooms designed for students, so this building will make it possible to restore to their intended use study rooms, and guest parlors which have been pressed into service as bedrooms. A limited number of apartments for families will also be made available by this additional building.

The other of the needed buildings now under construction is designed to be used as a laboratory demonstration school. Children will actually attend school on the campus of the Assembly's Training School and students of the school will have opportunity to observe and work in actual teaching situations.

OPPORTUNITY TO NAME THESE BUILDINGS

At the time of the writing of this report neither of these buildings has been named. It would be difficult to envision a contribution which would be more far-reaching in its effectiveness in the service of our Lord Jesus Christ, over a period of many years and in all parts of the church at home and on the foreign fields, than a contribution to these buildings will represent. The George W. Watts Dormitory was erected by Mrs. Cameron Morrison of North Carolina. Virginia Hall was erected by funds contributed by the Presbyterians of Virginia.

SPONSORS

For several years a number of people throughout the Assembly, who have had special interest in the enlistment and training of lay workers, have banded themselves together in a group called the "Assembly's Training School Auxiliary." With the purpose of placing this opportunity of service before even larger number of our church people, the Assembly's Training School Auxiliary at its annual meeting on April 19, 1956, voted to change its name to the "Assembly's Training School SPONSORS" and to

seek from all over the General Assembly those who would be willing to become A.T.S. SPONSORS by agreeing to any or all of the propositions on the membership card which are as follows: "1. I will remember the work of the school in prayer. 2. I will endeavor to present the need for prepared workers and the possibilities of such service as I come in contact with those who might consider such a call. 3. I would like to make a personal financial contribution. (Usual contributions are: Annual, $1; Sustaining, $5; Patron, $10; and Life, $100.) The Assembly's Training School receives its largest support through the General Fund, a denominational benevolence to which you contribute through your local church. The annual SPONSORS projects offer opportunities for individuals to contribute towards needs of the school which are not included in the annual budget."

FINANCES

The school has been able to meet all its current obligations. Although funds are not now on hand for the buildings now under construction and the additional buildings needed, nevertheless, the Trustees of the General Assembly's Training School are confident that these funds will be forthcoming through the gifts of the churches to the "General Fund Agencies" and from individuals and groups who are interested in the work the school is doing.

GRATITUDE

It is with humble thanks to God for His blessings that we bring another year to its close. We are grateful to all the churches of the General Assembly for contributing to the support of this task of preparing workers for the harvest field here at home and unto the uttermost parts of the earth. The school has benefited this year from the following special gifts:

IV. REPORT OF THE BOARD OF TRUSTEES OF STILLMAN COLLEGE

I. Eighty-First Year

It was in the fall of 1876 that this school first opened its doors. For most of its eighty-one years, the story of Stillman has been a sad and even a tragic one. It has been one of the dedication of men of real ability and high ideals to a worthy cause, with too little appreciation and support from the Church which called them to lead this work.

We would respectfully call the attention of the Assembly to names in the history of this College that are great names in the history of the Assembly: first, the Reverend Charles A. Stillman, D.D., its founder and whose name the College bears. He was a man of outstanding scholarship; after influencing the Assembly to establish the school in 1876, he was elected Moderator of the General Assembly the next year. Then, there

was Dr. James R. Howerton. After teaching at Stillman he held pastorates in the Second Church, Little Rock, and the First Church, Charlotte, and the professorship of Philosophy at Washington and Lee. He was the 1907 Moderator of the Assembly. It is said to have been his vision that is responsible for our Church's having Montreat. Again, there was Dr. D. Clay Lilly, who after spending five years as the head of Stillman, held prominent pastorates and was Moderator of the Assembly in 1937.

Space is lacking to mention all of the others who have labored heroically here; men of unusual ability and deep consecration, but a few of them must be included. There was the Reverend O. B. Wilson, who, when serving as principal of the school, was killed in his office by lightning while using the telephone. Also, Dr. John H. Davis, who for five years was dean and professor of Theology here and later professor of Philosophy at the University of Alabama. Dr. Davis' daughter, Miss Margaret Davis, missionary of our Church to Cuba until the mission was closed, has done part time teaching here for years without remuneration.

Perhaps those whose names are more closely associated with the institution than any except Dr. Stillman are Reverend and Mrs. J. G. Snedecor. These devoted followers of Christ labored together with utmost consecration. After the husband had literally shortened his life by years in striving to win increased support for the school, Mrs. Snedecor continued serving in many capacities carrying on the work that the two had done together.

With such able and consecrated leadership over the years, how great would have been the success of this work and what a power our Church would have been in the evangelization of the Negro had it responded to the pleas of the leaders of the school for adequate support!

The Missionary Survey of April 1921, written by Mr. George White, Chairman of the Sub-Committee on Colored Work, describes the plight of the school and the discouragements to those who labored here. Telling of a visit to Stillman by his Committee, he writes, "A most delightful day was spent at the Institute, and we had the most cordial cooperation on the part of the faculty . . . the most lasting impression that we had from our visit is the complete lack of any adequate equipment for carrying on the work of the school. The building which is used as dormitory, chapel and classroom is completely out of date. . . So far as classroom facilities are concerned, the school is forty years behind times, even for an only fairly well equipped institution."

To a less extent than the above excerpt indicates but just as truly so, a woeful lack of adequate facilities and support was the lot of Stillman until the Church-wide campaign of 1953. To its leaders, it was always the heartbreaking task of "making brick without straw."

II. Gratitude

We wish to express our gratitude that in this latter half of our century, the Church has clearly shown that it has become aware of the importance of this work. First, by providing capital funds through the completion of the payment of campaign pledges totalling $1,000,000.00. This has given Stillman a new face, a new day and, we believe has opened for it a bright future of service to the Kingdom of our Lord and Saviour.

Equally as important and encouraging has been the increase in current operating income which the Church is now providing.

Stillman in Tuscaloosa is only sixty miles from Birmingham and we urge the commissioners and visitors to the Assembly to visit the College and see what great things the Lord has done here through your gifts. Every Presbyterian now can be proud of our campus with its new buildings. We want you to see it!

We also wish to express appreciation to the friendly foundation who, in December, paid the $40,000.00 balance of the $100,000.00 grant. Another grant for which we are grateful is the $5,174.90 from the Division of Higher Education of the Board of Education of our Church. This was our part of the Board of Education's Challenge offer to award any of our Church colleges with endowment of less than a million dollars, 5% of the total amount added to endowment during the year.

The Ford Foundation grant of $35,000.00 was not allowed to count on this 5% challenge offer. It is our hope that the second payment of the Ford grant to be paid in July 1957, will equal the $35,000.00 which was paid in 1956.

III. Faculty

Our entire faculty has worked with its usual faithfulness. Of special mention is the honor that came in December to Miss Myrtle Williamson of our Bible Department, when she, with two other outstanding women of our Church, was awarded the honorary degree of Doctor of Humanities by Queen's College.

Dr. Robert E. Tidwell, for many years one of the great educational leaders of this state and nation, is now in Baghdad serving as educational consultant to the government of Iraq. A letter from him tells of his work there saying that it is difficult because that nation is trying to accomplish in a decade what it has taken America a century to do. Dr. Tidwell was given a leave of absence and will return to us the first of June in his capacity of Professor of Education and Assistant to the President.

Dr. Albert Curry Winn, head of the Bible Department, is becoming increasingly known over the Church as a leading Bible teacher and is in much more demand for engagements than he can possibly accept.

IV. Students

Our student body is about seven per cent smaller in 1956-57 than in 1955-56. There are several factors which may enter into the explanation of this. We are sure that this decrease is only temporary, and that the future will bring a larger enrollment than ever. The present enrollment is 305. The quality of our students continues to improve and our graduates are doing well at Seminaries and at graduate schools.

V. Trustees

New members on our Board, appointed by the 1956 Assembly are Mrs. Mary Belk Peters (Mrs. Robert L.) of Kingsport, Tennessee; Dr. James E. Fogartie of Charlotte, North Carolina; Dr. Albert J. Kissling of Jacksonville, Florida; Mr. W. Frank Wood of Cleveland, Mississippi; and Reverend Russell T. Nunan of Greenville, Mississippi.

Mr. Marion L. Crist of Little Rock, Arkansas, was elected Chairman to fill the vacancy due to the death of the beloved Robert L. Peters. Dr. L. Tennent Lee of Tuscaloosa is Secretary.

VI. Urgent Needs

Perhaps our most urgent present need is for funds to provide scholarships for members of our faculty to do increased graduate work. Coupled with this is the need for graduate scholarships for some of our best students to enable them to earn their graduate degrees and become eligible to serve on our faculty.

Another need is for a greater number of "Stillman Supporters." This is a group of friends of Stillman who are contributing to the physical improvement of the College. The project chosen by them is the renovation and modernization of dormitory rooms in the Winsborough Building, erected in 1922. Two rooms have been completed and two more are in the process of being remodeled. The cost for the renovation and furnishing of a room is approximately $500.00. Winsborough Building is our dormitory for freshmen and sophomore women.

CONFERENCES

Again the Trustees would express themselves in believing the largest opportunity for Montreat to serve the spiritual life of the Church and build the Kingdom is through its conference program. We consider the fullest development of this opportunity is the first obligation to serve the Church.

The Mountain Retreat Association spent $28,130.70 on the summer program for 1956. We are grateful to the several Boards of the Church and the Director of each conference for the splendid way in which the Assembly conferences have been planned for and conducted at Montreat. We are grateful for their expressions of appreciation of what Montreat means in the development and promotion of the total program of

the Church. If we did not have Montreat, we would, like other churches without conference grounds, be raising money and attempting to build a Conference ground for our Church.

The 1957 conferences are as follows:

June 10-15	Asheville Presbytery Young People
June 10-15	Knoxville Presbytery Young People
June 17-22	Holston Presbytery Pioneer Young People
June 24-28	Young Adults
June 25-27	Synod of North Carolina
June 27-July 1	Children's Work Council
July 2-11	Summer School for Leaders
July 11-14	Church School Administrative Conference
July 11-16	Directors of Christian Education
July 11-16	Women's Advisory Council
July 17-24	Women's Training School
July 25-31	World Mission Chairmen
July 25-31	World Mission Conference
Aug. 1-7	Music Conference
Aug. 7	Annual Trustee's Meeting
Aug. 8-14	Church Extension Conference
Aug. 15-16	Stated Clerks' Association
Aug. 15-25	Bible Conference
Aug. 20-22	Ministers' Wives' Forum
Aug. 27-Sept. 1	Christian Professors' Conference
Aug. 27-Sept. 1	Westminster Fellowship

We are grateful, too, that the facilities at Montreat are used constantly during the winter months for conferences of church and educational groups. During the past fall, winter, and now spring months, larger conference groups have come to Montreat.

Some of the conferences which have met here are as follows:

Assembly's Young Adult Planning Committee
Young People of First Presbyterian Church, Asheville, N. C.
National Farm Policy Conference
Synod of Georgia
Association of Secretaries of the Y.M.C.A.'s of the Carolinas
Adult Bible Class of the Mallard Creek Presbyterian Church, Charlotte, N. C.

Senior High Fellowship of Avondale Presbyterian Church, Charlotte, N. C.
Spiritual Emphasis Conference of the Y.M.C.A.'s of the Carolinas
Youth Advisory Committee of the Board of Christian Education
Eighth Beach Battalion's Reunion
Men of the Synod of South Carolina

The money which is received at the gate during the summer months is considered a gift or contribution for the young people's program and conference program of the

summer months and development of Montreat. In the summer of 1956, we spent $28,130.70 for this program.

THE YOUNG PEOPLE'S PROGRAM

In the summer of 1956 we had more than 1,800 children and young people as active members in the children's and young people's program. It was again under the direction of Mr. A. Heath Whittle and Mrs. William H. McCorkle.

The new McAlister Gymnasium was finished in the fall and will meet a very present, pressing and emergency need for this young people's program. This is a beautiful gymnasium, well adapted for the summer use as well as for the College, which we were able to finish at a cost of approximately $160,000.00. We are very grateful to the Executors of the Amelie McAlister Upshur Estate, Mr. Logan Fulrath, Mr. Wm. A. McRitchie, and Mr. Luther Cleveland, for their generous donation of $135,000.00 towards this building.

THE DEVELOPMENT PROGRAM

Montreat moves forward in a most encouraging way. New homes continue to be built. Your trustees are making further plans for the opening of new areas in Montreat providing desirable lots for home building. Approximately one-third of those who own homes in Montreat have purchased them or built them in the past eight years.

Since the last meeting of the General Assembly, Greybeard Trail has been hard-surfaced and Assembly Drive has been re-surfaced, these two projects costing approximately $10,000.00. Also, water and utility expansions have been made adequate for new areas.

Beyond repairs on properties and replacement of equipment, more than $25,000.00 was spent in capital expansion and equipment.

During the year we made in principal payments and interest on our mortgage indebtedness $83,525.00. We also paid to the Historical Foundation on a note $5,636.11.

FINANCES

There is attached to this report a statement from the Auditor, along with his full report. We would call your particular attention to a comparison of the financial situation in 1947 and that of 1957. Again we would express our profound gratitude to the host of people who have made this growth and improved situation possible.

1. We would earnestly request that the General Assembly continue its support of the Mountain Retreat Association for its debt retirement until its present mortgage indebtedness is completely paid.
2. We would request that the General Assembly continue to appoint a Sunday to be known as Montreat Sunday when the opportunities and work of Montreat shall be presented to the churches and, wherever advisable, a free-will offering be received for Montreat.

Respectfully submitted,

J. RUPERT MCGREGOR, *President*

REPORT OF THE TRUSTEES OF MONTREAT COLLEGE TO THE 1957 GENERAL ASSEMBLY

The Trustees would express their sincere gratitude to the Great Head of the Church for the blessings of His Spirit upon the life and work of Montreat College. The blessings which have come are evidences that the prayers of the thousands of people who are praying for the College are being answered by the control and guidance of the Holy Spirit.

FACULTY

During the past ten years the faculty has been strengthened to where it is accepted as being qualified for the College to be accredited by the North Carolina College Conference. Seven of the faculty have earned doctors' degrees. Eleven have M.A. degrees. Another one will receive his M.A. degree this summer. One with a B.S. degree grew up in Mexico, the daughter of missionaries, and is well qualified to teach Spanish. The two with Bachelor's degrees in the Department of Music have training which can be accepted in lieu of a Master's Degree.

ENROLLMENT

One hundred seventy-seven students will live in dormitories this year. Day students and special students will carry the enrollment to 226. This is the largest enrollment the College has ever had. There will be 31 who will receive Bachelor's degrees at Commencement, and nine will receive two-year business certificates.

Of those receiving a degree, 15 are prepared to take church positions and 14 are prepared to teach.

The present enrollment for 1957-58 indicates that the College can have an enrollment of more than 300.

We have students enrolled from 15 states and three foreign countries.

EQUIPMENT

In the past ten years the library has been made acceptable for accreditation. Then this year a gift of $15,000.00 for new books has done much for its further improvement.

We purchased a 14-room house adjacent to the campus for the fine arts building. Partitions were put in some of the rooms, so that it is ample for the Music Department. During these ten years two organs, seven new pianos, recording and record-playing equipment have been added which are worth more than $30,000.00.

New classroom space has been provided for the Business Education Department and business machines for adequate business training.

FINANCES

In the year of 1946-47 $3,900.00 was the total amount of gifts to Montreat College. Last year there was provided for current funds beyond that which the students paid $98,291.13 in gifts and grants and $16,640.00 endowment income.

We would express our gratitude to the Executors of the Amelia McAlister Upshur Estate, Mr. Logan Fulrath, Mr. Wm. A. McRitchie, and Mr. Luther Cleveland, for a gift of $150,000.00; Mr. and Mrs. W. H. D. Simpson and daughters for a gift of $42,560.00; a foundation for an annual gift of $11,500.00; and another foundation for a gift of $25,000.00.

We would also express our gratitude to any organization of every church and every individual who shared in this with their gifts. It enabled us to provide some scholarship help for 113 girls.

We would express our gratitude, too, for the use of Howerton Hall, Anderson Auditorium, and parts of Assembly Inn. You will remember that the Mountain Retreat Association has the full use for its summer conference program of the properties of the College, which include Gaither Chapel, the Infirmary, College Hall and the McAlister Gymnasium.

MONTREAT CAMP FOR GIRLS

This is an important part of the program of Montreat College to render a fine spiritual service to the life of our Church. We like to say this is a good camp, plus that which Montreat can add, which is a wholesome, happy, glad Christian atmosphere and influence.

We regret very much to report the death of Mrs. Norman on December 21, 1956. Mrs. Norman had directed our camp for three years and had done a magnificent job. We are confident the Spirit will direct in securing one as director who will continue the development of the Camp to serve in the finest possible Christian way for the development of young girls. We are glad to announce that Mrs. Alford, who has been the associate director, will continue in this position, and most of the fine counselors who have served will return for this summer.

We, the Trustees of Montreat College, are earnestly striving to have the leadership of the Holy Spirit in the development of Montreat College into that which serves in the total educational program of our Church in the fullest and best way. We are deeply grateful for the cordial interest and support of the Trustees of the Mountain Retreat Association, who passed the following resolution on August 1, 1956:

"Voted—That the Board of Trustees of the Mountain Retreat Association express its confidence in the Board of Trustees of Montreat College, give its approval of that which the Trustees are trying to do in the development of Montreat College, and express its sincere gratitude to them for the energy and faithfulness with which they have discharged the responsibilities they have been asked to assume as Trustees to the College."

We would earnestly request that churches be asked to join with us in earnest prayer that the threefold policy of Montreat College may be fully achieved:

(1) That it is Christ-centered in faith, Bible-centered in curriculum, and Church-centered in organization, with the wholesome, happy Christianity that permeates its whole life.
(2) That it achieve the best in a sound academic program.
(3) That its costs be kept reasonable, to compare favorably with that of state institutions.

VI. REPORT OF THE HISTORICAL FOUNDATION OF THE PRESBYTERIAN AND REFORMED CHURCHES

1956

The Executive Committee of the Historical Foundation of the Presbyterian and Reformed Churches respectfully submits the following report for the year 1956:

Buildings and Grounds

The installation of appropriate lighting fixtures and additional furniture in the Lobby and floodlights for night illumination of the exterior of the building, together with landscaping of the grounds and securing of supplementary shelving for the stack areas during 1956 have added to the attractiveness and usefulness of the Foundation. Plans for further development of the grounds, through the building of walks and steps, are now in the process of realization.

Photographic Reproduction Center

The General Assembly of 1956 approved the establishment of a church-wide photographic center at the Foundation and authorized the raising of funds for the acquisition of microfilm and photostatic cameras and microfilm readers. It is planned to inaugurate this service at the beginning of 1958, with the idea of providing complete photographic reproduction facilities for the benefit of the Church and its constituency at a normal cost. Application has been made through the proper channels for operational funds for this purpose.

ACCESSIONS

Outstanding in a year characterized by numerous and notable accessions were a microfilm copy of the minutes of the Westminster Assembly; the nine-volume, folio, Amsterdam edition of Calvin's *Opera Omnia;* and the most extensive and revealing known collection of manuscript materials pertaining to the Independent Presbyterian Church (1810-1863).

Due to a trip to Western Europe made by the Director in the spring of 1956, extensive additions have been made to the Library and Archives representing the Presbyterian and Reformed churches of that area. Among these is an almost complete file of the *Messenger,* official organ of the Presbyterian Church in England, from its first issue in 1845 to the present. Minutes of the Synod in England for the years, 1836-1861, and, 1865-1880, were likewise acquired, along with copies of that Church's *Handbook* from 1893/94 through 1956.

From France have come more than one hundred volumes on the Reformed Church, largely dating from the last half of the past, and the Twentieth Century, while Switzerland is represented in recent receipts by a substantial number of books relating to the church in, and city of, Geneva. Forty-one volumes of the *Archief voor Kerelijke Geschiedenis* and succeeding publications supply a considerable body of material on religion in the Netherlands.

The Statistical Account of Scotland in its entirety, made up of the 1791-1799 (First) edition, the Second dating from the middle of the past century, and the four volumes of the Third published to date, was acquired; as were three sets of Irish biography, totalling thirty-one volumes. *The Bibliographer's Manual* (4 vols. London, 1858-1859) and *Manuel du libraire* (4 vols. Brussels, 1838-1839) were added to helps of this nature.

HISTORY OF CHURCHES AND WOMAN'S WORK

This expanding collection is now filed in 1,500 volumes, and has not only filled the room originally devoted to its housing, but overflowed into an adjoining stack section. A recent shift of books makes space available for 1,008 more of these binders; thus providing shelving for some several years to come.

During 1956, 4,107 manuscripts were added to this History. Encouraging progress is being made in the establishment, at Columbia Seminary in Decatur, of a depository for copies of these materials as they relate to the Church in Georgia. The many requests for extracts from this composite work which are received by the Foundation can be readily and economically complied with when the photographic department has been put into operation.

VISITING STUDENTS AND CORRESPONDENTS

Various visitors who have been engaged in assembling data on the subjects of their special interest have included a number of authors. The mails have, as in previous years, served to supply frequent answers to the queries of correspondents. The work of both the staff and those who call to consult Foundation holdings will be effectively simplified, and speeded, through the instrumentality of the forthcoming photographic equipment.

Columbia University, Duke, East Tennessee State Teachers' College, Peabody, Princeton University, Rice, Union Theological Seminary in Virginia, Vanderbilt, the University of West Virginia, and Western Reserve were represented by research students during the course of the year.

PUBLICATIONS

In addition to the continued circulation of the *Historical Foundation News,* which is now in its thirteenth year, a volume entitled *The Historical Foundation and Its Treasures* appeared in the spring of 1956. This book, carrying twenty-three pages of illustrations, deals with the Foundation and its work under the heads of history, home, and holdings.

RECOMMENDATIONS

1. That the General Assembly continue to remember the Historical Foundation, in the future as in the past, by way of interest, appropriations, and prayers.
2. That the Assembly call upon the churches under its care to take full advantage

of the opportunity to deposit valuable materials with the Foundation and to provide the institution with copies of all their publications.

VII. REPORT OF BOARD OF THE PRESBYTERIAN SURVEY

The Board of the PRESBYTERIAN SURVEY, completing its third year of operation as a separate Board of the Church by creation of the 1953 General Assembly, presents to the 1957 General Assembly this Annual Report, including independent auditor's financial statement and such recommendations for Assembly action as the Board of Survey deems requisite to the future growth of the Survey.

The Board first would express deep gratitude to God for His many blessings of the past year; to the General Assembly for its confidence in those charged with management of the Church's official magazine; and to all those ministers and laymen throughout the Church whose wise and friendly support has made possible a year of progress.

The Board secondly would declare that it believes it has taken the first essential steps toward the objective set forth by the 1953 and subsequent General Assemblies, to make of the Presbyterian SURVEY a church-wide magazine that would be an effective arm of information and inspiration and would go into a great majority of the homes of the Church.

The year 1956 was marked by a continued improvement of the SURVEY as to editorial content and general appearance and as to circulation growth—effecting an 18 per cent circulation increase for the year, to a total of some 43,000 subscribers. The year saw an increased interest on the part of churches toward adopting the Every Family Plan, writing the SURVEY into their budgets on the basis of a subscription for every resident family. All of this would seem to confirm the growing faith of Presbyterians in the purpose and the effectiveness of the SURVEY as an educational and inspirational tool for the Church.

The Board of the Presbyterian Survey, however, upon carefully weighing the SURVEY'S progress and present status against the directive from the General Assembly to place the magazine in a great majority of Presbyterian homes, determined to chart the second major step which it deemed must be taken to more nearly realize the goal of this directive. In the judgment of the Board of Directors, circulation growth beyond 45,000 will be slow and laborious—*unless further incentives and stronger support for the Every Family Plan are offered.*

Therefore, the Board instructed the Staff to: (1) study the experience of other religious magazines, (2) conduct its own reader interest survey, and (3) explore all possible printing methods and editorial techniques that might further increase reader appeal and effect production economies. These instructions were carried out.

It was found that twelve out of fourteen leading denominational magazines use some type of family subscription plan similar to the SURVEY'S Every Family Plan. Most of these offered a greatly reduced subscription rate, a factor especially appealing to small, hard-pressed churches. The denominational boards and/or agencies underwrite the difference between subscription income and production cost. The leading magazines reported the use of a concerted, churchwide campaign to enroll their churches in the plan. These publications were emphatic in stating that their churches recognize that

an every family plan, to be effective, must be a *continuing* part of the local church's program and operating budget.

In the light of these findings, the Board of the Presbyterian Survey formulated a three-point Plan, and called a meeting of the Executive Secretaries of the six Boards and Agencies which share in the underwriting of the deficits inevitably incurred in the operation of a religious journal.

The Plan, calling for a reduced subscription rate for churches participating in the Every Family Plan, necessary underwriting by the sponsoring Boards and Agencies, and a timetable for the new rate, was presented to these Board and Agency officials and thoroughly weighed by them. These officials thereupon commended this Plan to the General Council and the General Assembly for thought and action.

The General Council expressed the feeling that if the Church is to use the SURVEY effectively as the official magazine, it must reach substantially every Presbyterian home.

The Board of Directors of the PRESBYTERIAN SURVEY, with the endorsement of the Executive representatives of the sponsoring Boards and Agencies and of the General Council, respectfully recommends to the General Assembly:

1) That the annual subscription rate for the SURVEY under the Every Family Plan be reduced from $1.60 to $1.00.

2) That the General Assembly reaffirm its policy under which the several Boards and Agencies of the Church underwrite the publication of the SURVEY; that it take note of the fact that the amount of such underwriting for the first year of the so-called $1-a-year plan will approximate $64,000 on the basis of doubling the present circulation.

3) That it approve a schedule which calls for the year 1957 to be used to further develop the quality of the magazine and to make preparation for the use of strategic personnel in each presbytery to help carry forward a Concerted Church-wide Campaign to promote the Every Family Plan in 1958.

Further, the Board of Survey recommends:

4) That note be taken of the fact that the sponsoring Boards and Agencies will be called upon by the SURVEY to help defray the expenses of the preliminary promotional effort to be made during the remainder of 1957.

5) That the General Assembly recommend to the presbyteries that a SURVEY Chairman be appointed in each presbytery, charged with the promotion of the Every Family Plan and the further use of the official magazine within his presbytery, and that he be appointed preferably on the basis of a nomination by the PRESBYTERIAN SURVEY.

6) That synods and presbyteries be urged to invite a representative of the PRESBYTERIAN SURVEY to their meetings to present the details of the new Plan.

7) That endorsement be given to "PRESBYTERIAN SURVEY WEEK—Official Church Magazine" as proposed by the General Council for the week of November 2-9, 1958, for the purpose of emphasizing the importance of every church enrolling in the Every Family Plan.

Respectfully submitted,

WARNER DUBOSE, JR., *Chairman*,
Board of the Presbyterian Survey

VIII. REPORTS OF AD INTERIM COMMITTEES

1. ON EDUCATION OF LAY LEADERS

I.

INTRODUCTION

The 94th General Assembly (1954) approved a new chapter for The Book of Church Order, Form of Government, on "The Director of Christian Education" and sent it to the presbyteries for advice and consent (1954 Minutes, page 76 to 81). This proposed

chapter called for persons seeking a church vocation as director of Christian education to be taken under care of presbytery in the same manner as candidates for the gospel ministry. Certification of a director of Christian education or an associate in Christian education was to be done by presbytery.

During 1954-55 the presbyteries acted on the proposed chapter on "The Director of Christian Education" in the following manner: Approved, 27; disapproved, 54; no action, 4. Thus the proposed chapter failed of adoption, and it was so noted by the 1955 General Assembly.

During 1954-55 the presbyteries of East Alabama, Red River, Mississippi, Enoree, Charleston, Central Texas, Orange, Lafayette, Wilmington, Western Texas, and Greenbriar overtured the General Assembly to restudy the general subject of lay workers in our church. The 1955 General Assembly answered these requests by approving Overture No. 52 which reads as follows: (1955 Minutes, pages 28 and 52)

> The Presbytery of Orange respectfully overtures the General Assembly to appoint an ad interim committee to study the whole matter of the professional education of lay leaders in Christian Education in the Presbyterian Church in the United States, this committee to report to the General Assembly in 1956.
>
> Further, we suggest that on this committee the following be represented:
>
> 1. The Seminaries.
> 2. General Assembly's Training School for Lay Workers.
> 3. The Board of Christian Education of the Presbyterian Church in the U. S.
> 4. The Directors of Christian Education Association of the General Assembly.
> 5. The Church-related colleges of the Assembly that are offering a degree in Bible and Christian Education on the B.A. level.
> 6. The Regional Directors of Christian Education.
> 7. The Church at large.
>
> We further recommend that the following questions be included in the study:
>
> 1. What is being done on every level in our Church in the training of professional lay leaders in Christian education, and an evaluation of their work.
> 2. Standards for this training on both the college and graduate level.
> 3. The relationships between the seminaries, Assembly's Training School, and the church-related colleges in this matter.
> 4. The certification of professionally trained lay leadership.
> 5. Any other matters pertaining to the professional training of lay leaders in the Presbyterian Church in the United States.
>
> Finally, we recommend that the expenses of this committee be borne by the General Assembly.

The General Assembly's action extended the work of the ad interim committee to include "all types of lay leaders including, but not limited to, director of Christian education."

II.

THE COMMITTEE AND ITS WORK

The moderator appointed the following committee: Rev. C. Ellis Nelson, Chairman; Rev. Patrick H. Carmichael, Rev. P. Leslie Bullock, Rev. Jack B. McMichael, Rev. Marc C. Weersing, Dr. Marshall W. Brown, Miss Eleanor Belk.

The committee first met in Atlanta on January 27, 1956, during which time the whole problem was discussed along with the various reasons given for the failure of the proposed chapter for The Book of Church Order on "The Director of Christian Education." It was decided to study first the programs for training lay workers in the Presbyterian church colleges. If a college offered a degree in Christian education, it was to be asked to fill out schedules adapted from The American Association of Schools of Religious Education. Correspondence was initiated with other major Protestant denominations and with the administration and leadership department of the Division of Christian Education of the National Council of Churches concerning the experience and practice of other denominations in regard to training lay leadership for the church.

The second meeting of the ad interim committee was held in Richmond on May 1, 1956, during which time all the data from the colleges were thoroughly discussed.

During the summer it became apparent that two additional studies should be made: first, a survey of the situation in our church regarding the kind of lay leaders employed and the need for additional lay leaders; and, second, a survey of the graduates of the Assembly's Training School in order to determine the type of work entered and the length of service rendered the church. Further, it was considered desirable to hold a consultation with the presidents of the four Seminaries, the president of the Assembly's Training School, and the head of the Department of Higher Education of the Board of Christian Education regarding relationships between the graduate institutions and the training of lay workers.

After all of the data called for in the second meeting had been collected, a third meeting was held in Charlotte, North Carolina, November 27 and 28, 1956. In this meeting all of the data from the study reports were examined and a consultation was held with the president of the Assembly's Training School, the president of each of the four theological seminaries and the head of the Department of Higher Education of the Board of Christian Education.

Early in our committee's work it became apparent that the term lay worker must be identified and defined for purposes of our investigation. Therefore, in the committee's work we have considered lay workers as persons serving half-time or more in a church vocation. We included all D.C.E.'s, D.C.E.-secretary combinations, youth workers, choir directors, recreational directors and other lay people directly employed by the church for tasks that require some special training or skill. We did not include ordained ministers, custodial staff, nor people doing secretarial work exclusively.

Data in this report are condensed from longer study reports prepared by our committee. Copies of the longer report giving in greater detail the findings of our work are on file with the Stated Clerk, in The Historical Foundation, and in the hands of the secretaries of various church agencies and boards.

In brief the situation in our Church concerning the training and use of lay workers is as follows:

III.

Data Regarding the Training of Lay Workers

A. From the Colleges

1. Colleges with no specific training program for lay workers.
   a. Davidson, Hampden-Sydney, Westminster, and Presbyterian Colleges, being men's liberal arts colleges, have no special training program for lay workers. The men interested in church vocations usually go into the ministry, and no men entered church vocations from these colleges in 1956.
   b. Agnes Scott, King, and Mary Baldwin have some students interested in lay vocations who major in Bible or Philosophy. From the 1956 graduating class, three persons from Agnes Scott entered church vocations, five from King, and two from Mary Baldwin College.
2. Colleges with an informally planned program for lay workers but no degree program.

   Arkansas, Austin, Belhaven, Davis and Elkins, Southwestern, and Stillman all have an academic program planned to help a student become a lay worker, but no degree or major is offered. The number of graduates in 1956 who entered lay church vocations from these colleges was as follows: Arkansas, 1; Austin, 2; Belhaven, 4; Davis and Elkins, 1; Southwestern, 1; Stillman, 0.
3. Colleges with a degree program.

   Centre, Flora Macdonald, Montreat, and Queens all offer a degree program in Christian education. Flora Macdonald, having started about five years ago, was the first to do so. Centre, starting in the fall of 1956, is the most recent of the colleges to enter the field of training lay workers. Except for Montreat College, each of these colleges has a full-time faculty member in Christian education in addition to the Professors in Bible, Philosophy, Education, and other fields related to the training of lay workers. The number of graduates in 1956 who entered lay church vocations from these colleges were: Centre, 0; Flora Macdonald, 11; Montreat, 6; Queens, 1.
4. Number graduated from these colleges who became lay workers.

   In the spring of 1956 the colleges placed 37 students in local churches as lay

workers: 27 as D.C.E.'s, 6 as directors of music, 1 as a kindergarten teacher, and 3 in other positions.

5. Future plans of the colleges.

Every college with an educational program for the training of lay workers reports that it plans to strengthen and improve the program within the next 10 years.

B. From the Seminaries

1. Columbia, Louisville, and Union Theological Seminaries

The presidents of Columbia, Louisville, and Union Theological Seminaries report that they do not now have a graduate degree program for lay workers. In some cases these Seminaries provide one year of training for lay missionaries, but they do not have programs for the professional training of lay workers in the church. Columbia Seminary may consider the development of a program for lay workers if sufficient interest develops.

2. Austin

From 1951 to 1955 the matter of developing a graduate professional lay school in Austin Seminary was officially before various committees of the Synods controlling Austin Seminary. The Board of Trustees of the Seminary concluded the matter in May, 1955, by approving a new degree, the Master of Christian Education, and by expanding the Christian Education department within the Seminary. Three full-time professors in the field of Christian Education will carry the specialized work for the M.C.E. degree, while course work in Theology, History, and Bible will be carried by regular Seminary faculty. Some course work in Educational Psychology and related subjects will be required in the University of Texas Graduate School.

A dormitory has been purchased, scholarships have been endowed, the Synod of Texas has endowed a $250,000 Chair for a new professor in Christian Education, and the Synods of Louisiana and Texas are now carrying $10,400 in their benevolence budget for operating expenses for the lay school at Austin Seminary. Six students are now enrolled in the program.

C. The Assembly's Training School

Opening at Richmond, Virginia, in 1914 as a result of action taken by the 1912 General Assembly, the Assembly's Training School has been our church's main institution for the training of lay leadership for the church and the mission fields. At the time of its establishment, our church had a membership of 292,845, one-third of whom lived in Virginia and North Carolina.

Today the Assembly's Training School offers work on two levels. At the undergraduate level, the Assembly's Training School offers the last two years of senior college work and awards the Bachelor of Religious Education degree. At the graduate level, two degrees are available: the Master of Arts and the Master of Religious Education, both degrees requiring two years work including one summer of supervised field work. All degrees are properly accredited. In previous years separate classes were held for candidates for the two different levels of work but that plan was abandoned in the fall of 1956.

The Training School now uses the Library on the campus of Union Theological Seminary. For this use, the Training School makes an annual monetary contribution which is far below the cost of establishing and maintaining a separate library of the quality required for this type of vocational training. For similar reasons, an experiment was made in April of 1956 in enlistment for full-time church vocations through a Christian Vocations Conference for high school students, sponsored jointly by the two schools. The number of courses available to the Training School students is appreciably increased by an arrangement which allows graduate students in either institution to elect courses in the other.

The offerings at the Training School have been enlarged to make available to its students more courses in Bible, music, counseling and children's work.

Work has been completed on a new laboratory demonstration kindergarten building. There are currently enrolled in the kindergarten twenty-four four and five year olds. This additional facility will greatly strengthen the offerings of the school in the area of the Christian nurture of children. Here students will learn by observation and laboratory experience, in addition to the usual class-

room work. A residence building scheduled to be completed before the opening of the September, 1957, session will enlarge the Training School's student capacity approximately 40% and will provide living apartments for four single faculty members.

The total 1956 budget for A.T.S. was $262,000.00. Total income during 1956 was $226,453.32 and out of this amount A.T.S. put $23,560.05 into a reserve fund for new equipment, replacement and repairs, and $39,440.32 into a reserve fund for new buildings. These two reserve funds were set up several years ago by agreement with the General Council so that Program of Progress and unused benevolence funds could be used for erection of new buildings and maintenance of old equipment. This agreement makes it unnecessary for A.T.S. to conduct a capital funds campaign in the General Assembly.

At the Commencement just passed, May, 1956, A.T.S. awarded the Bachelor of Religious Education degrees to 12 students, Master of Religious Education degrees to 20 students, Master of Arts degrees to 22 students.

Enrollment at A.T.S. for the current year, 1956-57 is: 86 in the graduate division, 12 in the undergraduate division and one special student, making a total of 99 students.

IV.

DATA REGARDING THE EMPLOYMENT OF LAY WORKERS

In order to obtain factual data on which sound recommendations could be based, two surveys of the current situation were made regarding the use of and need for lay workers.

The first study, made by the chairman of the ad interim committee, was a survey of the actual situation in local churches in our Assembly. All churches above 250 in membership were asked to give an inventory of the lay workers now employed and a description of additional lay workers needed. 912 churches were included in the study, and replies were received from 831 or about 91% of the total group. This means that the actual need of the church is about 10% greater than our reported figures, for we assume the need is about the same in the churches that did not return their questionnaires in time to tabulate. Furthermore, some lay workers are used by and needed in churches below 250 in membership—a group not included in this study.

The second study, made by Dr. P. H. Carmichael, a member of our committee and dean of the Assembly's Training School, was a survey of all students who entered A.T.S. from 1940 through 1953. 53.5% of the students answered this questionnaire. The high percentage who did not reply makes it difficult to formulate firm generalizations. In studies of this type it is generally understood that persons most interested in the project return the questionnaires promptly and those least interested do not. We can, therefore, assume the facts shown in the study are conservative, representing the views of A.T.S. alumni who are most interested in and concerned for church policies.

A. *Inventory of Lay Worker Situation* (See Chart A)

1. Types of lay workers employed.

   Local churches employ 658 lay workers which can be classified in various categories as indicated in the top half of Chart A. Notice that about half of the employed lay workers are either directors of Christian education or directors of Christian education and secretary combinations. A little over a fourth of the employed lay workers are in the field of music leadership in the local church.

2. Types of lay workers needed.

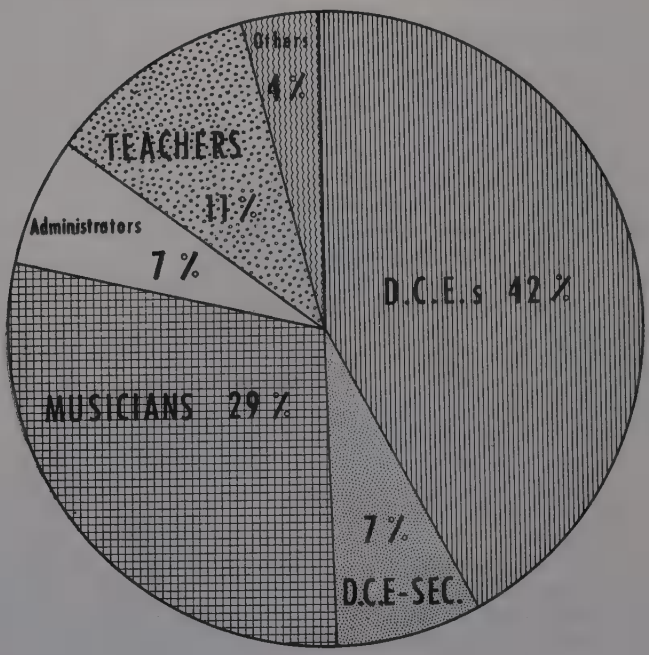
   Local churches want 284 lay workers at the present time according to type as shown in the lower half of Chart A.

   The overwhelming need is for directors of Christian Education. Over 60% of the lay workers wanted today are D.C.E.'s. If we add the D.C.E.-secretary combinations desired, we could say that almost eight out of ten of the lay workers needed in our church now are for the direction of the local church's educational program.

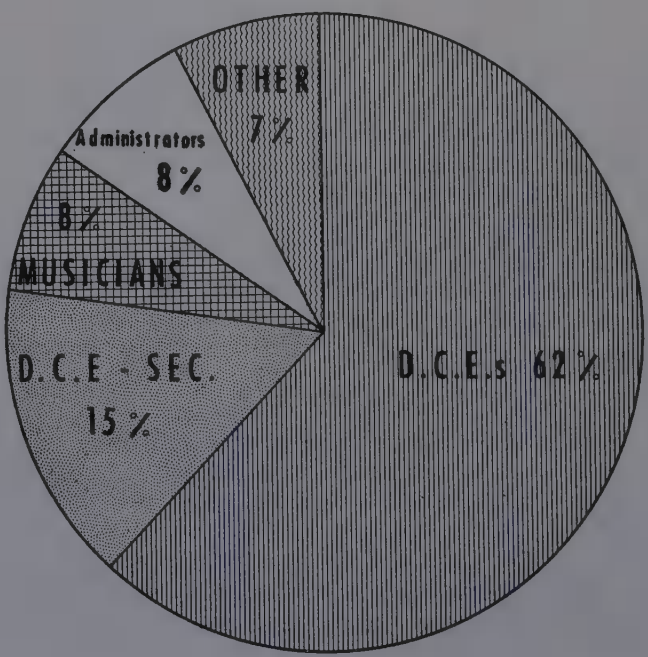
   Notice that although a third of the employed lay workers are in music, the need for additional lay leaders in this field is less than 8%. Apparently, lay leadership in music is employed by the church from the local community on a

TYPES OF EMPLOYED LAY WORKERS

Chart A



TYPES OF LAY WORKERS WANTED



part-time basis; for almost three out of every four leaders in music are paid less than $2,500 per year for their service.

Note also that there is no reported demand for kindergarten teachers, although over 11% of our lay workers are of this type. Again we surmise that this type of lay worker is employed on a part-time basis from the local community, for 86% of them receive less than $2,500 per year.

B. *The Training and Work Situation of the D.C.E.'s* (See Chart B)

1. Training D.C.E.'s have.

62.8% of the presently employed D.C.E.'s have had college training or less. Slightly over half (52.5%) of the D.C.E.'s have had no formal training in Christian education in college or graduate school.

2. Training the church wants D.C.E.'s to have.

2.4% of the local churches said they wanted the D.C.E. to have some college work. 9.2% were willing to take a D.C.E. with only a college degree. 35.5% wanted the D.C.E. to have a college degree in Christian Education. 51% wanted the D.C.E. to have a Master's degree in Christian Education. If we combine those churches wanting their D.C.E. to have a college degree in Christian Education or a Master's degree in Christian Education, we find that almost nine out of ten (86.5%) of the local churches want a D.C.E. with training in Christian Education.

3. The work situation of the D.C.E.'s.

When we compare the D.C.E.'s who have had a college degree but no special work in Christian Education with the D.C.E.'s who have a Master's degree in Christian Education, we find that each group is almost equally represented in both large and small churches. For example, in churches with a membership of 250 to 500 will be found 18% of the D.C.E.'s who have only a college degree and 14.6% of the D.C.E.'s who have a Master's degree in Christian Education. In the churches ranging in size from 501 to 750 members will be found 34% of the D.C.E.'s that have a college degree and 34.2% of the D.C.E.'s who have a Master's degree in Christian Education. In churches from 751 to 1,000 members will be found 14.9% of the D.C.E.'s with only a college degree and 14.6% of the D.C.E.'s with a Master's degree in Christian Education. Furthermore, when we examine the size of the churches where there is a need for a director of Christian Education, we find a similar situation, namely, that both small and large churches want about an equal portion of D.C.E.'s with a B.A. degree and a M.A. degree in Christian Education. We can conclude, therefore, that as far as the local church is concerned selecting a D.C.E. involves many factors of which formal preparation is one, but not the determining, factor.

Two out of 3 (67.7%) of the D.C.E.'s are now being paid between $2,501 and $4,000 per year. The average salary of A.T.S. graduates in 1955 was $3,251. Almost half (49.3%) of the churches seeking a D.C.E. expect to pay between $3,001 and $4,000 per year in salary.

92.4% of the present D.C.E.'s are women. 84.5% of the churches seeking a D.C.E. are looking for a woman for that position.

A large group (61.3%) of the churches seeking a D.C.E. do not now have a lay leader and most of these churches (78%) range in membership from 250 to 750.

C. *D.C.E.-Secretary Combination*

Almost three out of four (73%) of the D.C.E.-secretary combinations are working in churches with a membership between 250 and 500; and, except for five situations, all receive less than $3,000 per year in salary. Over a third (37.5%) have a college degree. Almost three out of four have no formal training in Christian Education.

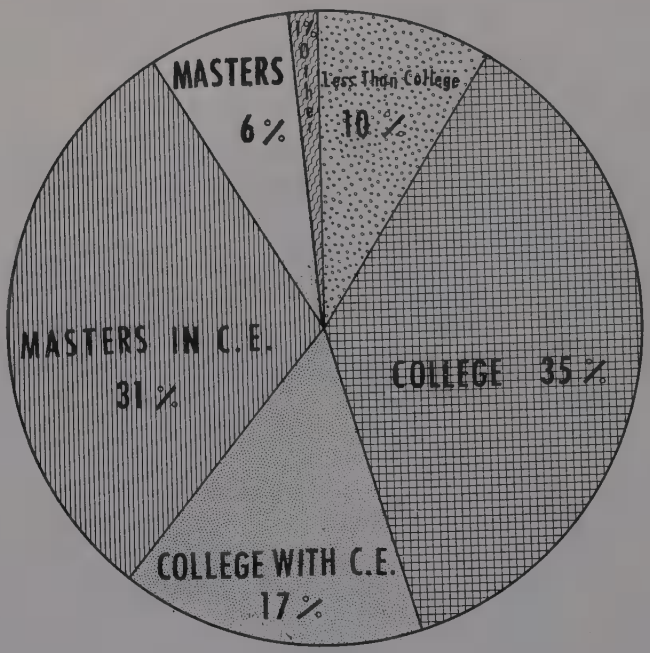
About eight out of ten (81%) of the churches seeking a D.C.E.-secretary combination range in size from 250 to 500 members. About three out of four of the churches seeking a D.C.E.-secretary combination want her to have a college degree, and almost a half of these churches (48.6%) want her to have formal training in Christian Education with her college degree.

D. *Music Leadership*

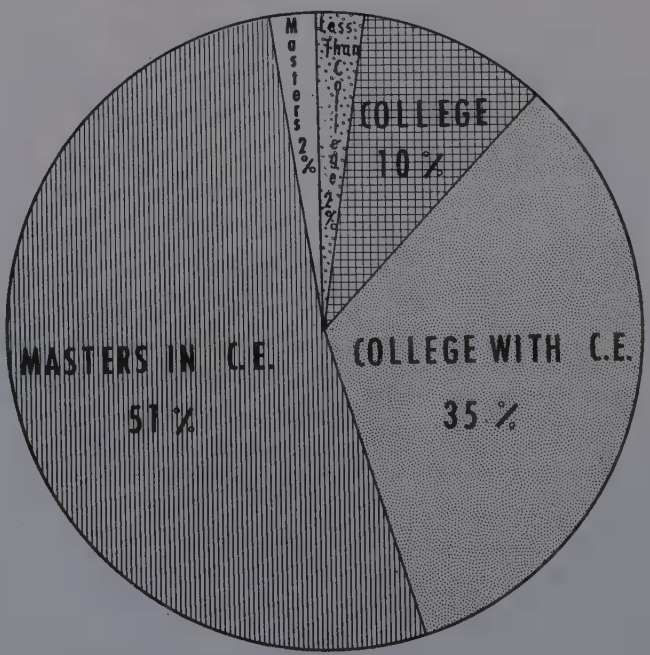
The educational attainment of the lay workers in the field of music is higher

TRAINING D.C.E.s HAVE

Chart B



TRAINING CHURCH WANTS D.C.E.s TO HAVE



than for any other lay worker in our church except kindergarten teachers. Almost half of the music leaders (49.6%) have a college degree and over a fourth (29.9%) have a Master's degree. As indicated previously, the need for lay leadership in music is not great, due perhaps to the churches' habit of securing these leaders locally. The larger churches (above 751 in membership) desire well-trained lay leaders of music and are willing to pay $3,501 per year and up for this service. However, the total need is for only fourteen persons of this type in our Assembly at the present time.

E. *Administrative Assistants*

Administrative assistant to the minister, a relatively new position for lay leaders in our church, includes the director of activities, the church administrator and business manager, or executive secretary. 44 are represented in this study, two-thirds of whom are men. Over half (53.7%) have a college degree but none have had formal training in Christian Education.

There is a need for 22 men administrative assistants in churches ranging between 750 and 2,000 in membership. These churches, incidentally, already have other lay workers on the staff so that the administrative assistant is intended to be an additional employee.

F. *Use of and Need for Lay Workers in our Church's Agencies.*

1. Use of lay workers by our church's agencies.

The total number of lay workers in our Church's agencies is 47. Almost every lay person doing educational or editorial work in our Church's agencies is a graduate of A.T.S. with a Master's degree. The salary range is from $3,000 to $4,500 per year with the average about $3,800 per year.

Up to this point in this report we have excluded lay missionaries from our data because the situation on the mission field is so different from our home church. The mission field uses lay people as nurses, doctors, engineers, industrialists, etc. Furthermore, husbands and wives are missionaries; therefore, the total number of lay missionaries would be close to 400. We did not, of course, include this vast number in our data because that situation is not comparable to our home situation.

2. The need for lay workers in our church's agencies.

Our church's agencies need about 21 D.C.E.'s and with one exception they want them to have a Master's degree in Christian Education. There is a need for seven lay people in administrative and editorial capacities.

It is extremely difficult for the Board of World Missions to make a precise statement of its need since need is conditioned on the basis of retirement, illness, death, and the shifting world situation. Furthermore, some of the wives are capable of filling some of the positions and, therefore, the Board cannot anticipate the exact number of needed lay workers in any one category. For our purpose we shall exclude the need of the Board of World Missions for agricultural, industrial, and medical workers since these positions for laymen require special training which is not normally provided by schools specializing in church vocations. However, the Board of World Missions lists the need for 20 women to do work in Christian education, Bible teaching and evangelism, and another 32 educational workers, some of whom will be married men. The latter figure does not include short term workers of specialized nature.

V.

DATA REGARDING THE SUPPLY AND SERVICE OF LAY WORKERS

A. *Supply of Lay Workers.*

The number of trained lay workers who entered church vocations in the spring of 1956 was 84. Of these, the colleges supplied 37 or (44%), and A.T.S. supplied 47 or (56%).

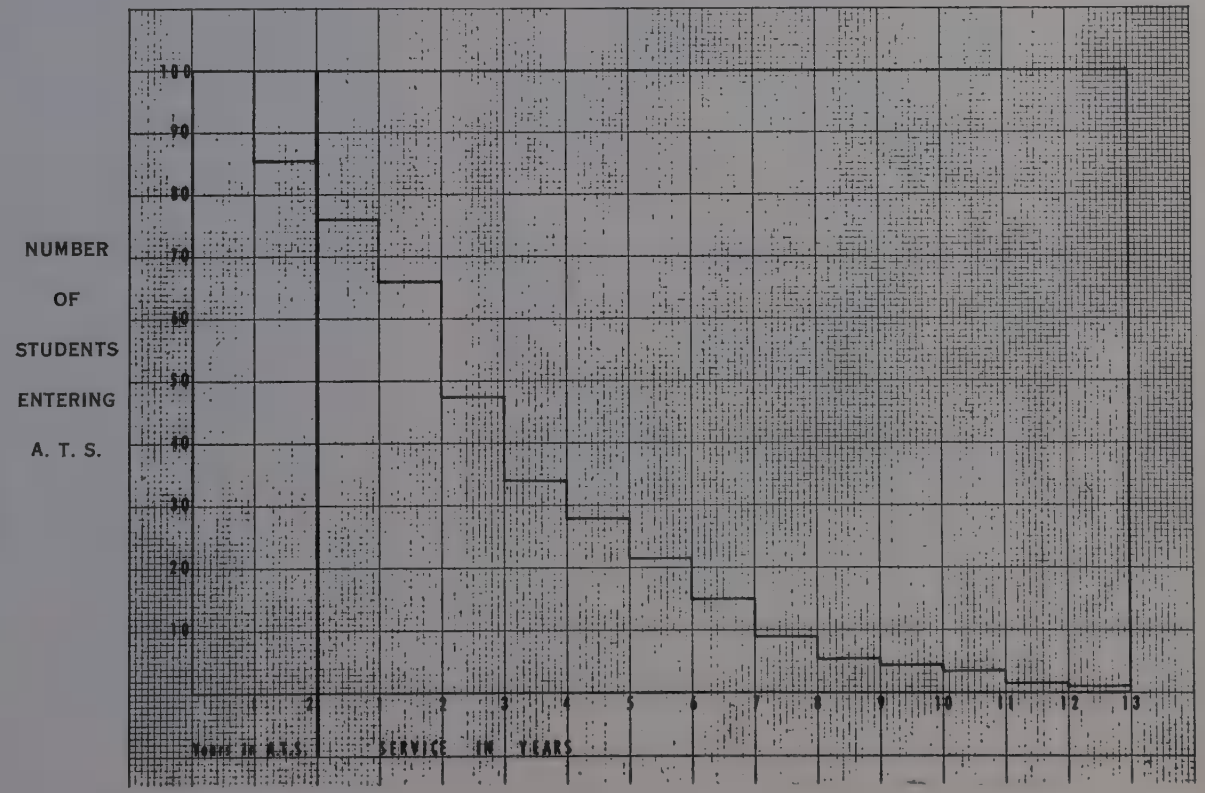
The number of untrained lay workers who entered church vocations is not known exactly, but we estimate on the basis of data obtained from local churches that the number during 1956 was between 85 and 90.

B. *Service of Lay Workers* (See Chart C)

It would be extremely difficult and expensive to determine the average length of service of all lay workers in our church. Our committee decided it was more

CHART C

CHURCH SERVICE RECORD A. T. S. GRADUATES . . . . 1942 - 1955



important to determine the service record of A.T.S. students, since this is our church's only institution established to train lay workers and since the work experience of these graduates is more readily obtainable.

We sent a questionnaire to every regular student who entered A.T.S. from 1940 to 1953 and thus we have a record of 13 consecutive years of A.T.S. graduates. On the basis of 350 students who entered A.T.S. during this period and returned their questionnaires, we can generalize as to their service to the church.

Chart C shows what happens to each hundred students who enter A.T.S. During the two year training period, about 15% withdraw, half of whom marry.

On graduation, about 11% do not enter a church vocation and in almost every case it was due to their getting married.

At the end of one year's service 10% left church work; at the end of two years about 18% left; and at the end of three years 13% left. This means that at the end of three years' service, about 67% of those entering A.T.S. for training had left church work. At the end of seven years, 91% had left church work.

Why did these people leave church work after they had become lay workers in the church? The reasons given are as follows: 71.5% married, 11.5% went into other types of work, 5.4% had to assume family responsibilities, 2.7% left because of ill health, and 8.9% withdrew from church vocations for various other reasons.

If we disregard the students who entered A.T.S. and did not finish and those who graduated but never accepted church work and if we average the length of service of only those who actually entered church work, the average term would be four years. This is the *average* term. Some lay workers serve a lifetime, but their number is offset by the large number who serve only a year or two.

Although it was possible to make this study regarding the graduates of the Training School only, the Committee calls attention to the fact that similar results would probably be found by the study of the length of service of the graduates of any school which trains women for vocational services. As is well known, the rate of turnover is always high in these fields which employ women.

Another consideration which is a part of the complete picture but could not be included in a statistical study is the fact that very many of those who are shown statistically as leaving the service of the church are not in fact leaving the service of the church, but are only ceasing to be paid employees. The purpose of this part of the study was to seek to determine the number of new workers necessary each year in order to fill the openings in the field of employed lay workers and not to seek to measure the service rendered to the church by the graduates of the Training School. There are instances of Training School graduates who are filling the same type positions as paid lay workers, but who are not on salary. There are others who were not on salary at the time of this study but will return to service as paid workers.

VI.

CURRENT NEED FOR LAY WORKERS

A. Total Lay Workers Employed (excluding missionaries): 705.

1. In Local Churches:

Total	374

C. Total lay worker positions (employed and needed) in our church today, 1,079.

D. To *obtain* and *maintain* the present situation will require on the average about 256 new lay workers annually. (This figure assumes the average term of service is four years. This, of course, is an approximation, for 15% of all lay workers are men and probably have a longer service expectancy.)

E. Supply of trained lay workers in 1956 was 84; therefore, about 172 additional trained lay workers will be needed annually.

F. In order to determine whether the local churches were earnestly seeking lay workers or were only describing their desire for them, the churches were asked if funds were available to employ the lay workers needed. Funds were available in 62% of the churches seeking a D.C.E.; in 73% of the churches looking for music leaders, in 62% of the churches seeking an administrative assistant and in 45% of the churches looking for a D.C.E.-secretary combination. Funds are available for all of the lay workers being sought by our Assembly's and Synod's agencies.

VII.

THE PROBLEM AND A PROPOSED SOLUTION

The problem facing our church is not simple enough to be solved by a promotional campaign for more lay workers. Nothing short of a constant program as an integral part of our church will produce the steady supply of trained lay workers our church needs now and will increasingly need as we continue to grow. After discussing several possible ways of establishing such a program, our committee came to the conclusion that such a program should belong in the Board of Christian Education, probably as a part of the Division of Higher Education because so many important elements related to our proposed solution are a part of that division's work. This becomes evident as we examine the following elements of our proposed solution.

A. *Certification*

Many thoughtful observers believe proper certification will have many immediate beneficial results. It will identify the lay workers who have formal training in the history, doctrine, and program of our church, and thus give proper recognition to a lay person who has committed his life to the work of the church. It will tend to up-grade the training programs in our church by setting an objective standard by which institutions can judge their work. Because this procedure will give status to the position lay workers have in the local church, it is believed more men will respond to the call for lay leadership as they see the position assume an important part of the church's life and work.

Certification must be based on well worked-out rules with proper procedures for evaluating special cases. Furthermore, the rules must be reviewed from time to time to keep up with changing conditions. We, therefore, propose that a committee on the certification of lay workers be appointed by the General Assembly through its regular procedures, this committee to consist of at least seven people, of which one shall be a D.C.E., one a minister, one a church school superintendent, and the rest from the church at large. This committee shall work out and administer rules and regulations for the certification of lay workers in the church. The rules of certification for each lay vocation in the church shall be submitted by this committee through the Board of Christian Education to the General Assembly for approval before they become operative. After rules are adopted, the committee will probably

not need to meet more than once a year. The committee shall have as its executive secretary a staff person assigned by the Board of Christian Education and the expenses of this committee shall become a part of the work of the Board of Christian Education.

Since about half of our lay workers are D.C.E.'s, we propose that the committee on certification direct its first attention to certification procedures for this group. We suggest that the committee on certification work out the necessary details for certifying D.C.E.'s according to the three following categories: First, the Director of Christian Education. This term shall be reserved for persons who have had a two year professional Master's degree in Christian Education from an accredited graduate school, or a Bachelor's degree from an accredited college plus six years of successful experience in the field of Christian education, or certification as an associate in Christian education plus three years of successful experience in the field of Christian education. Second, Associate in Christian Education. This term should be reserved for those who have a Bachelor's degree from an accredited college with a major in Bible and Christian Education, or a Bachelor's degree plus a year of graduate professional training in the field of Christian education, or a Bachelor's degree plus three years of successful experience in the work of Christian education. Third, Assistants in Christian Education. This term shall be reserved for all people doing Christian education who do not qualify under the first two categories.

B. *Recruiting*

We propose that a sustained recruiting program be undertaken which would utilize all channels of communication with young people and prospective lay workers by means of the vocational guidance program for high school youth, the church colleges, the campus Christian life program, the high school youth program, and our camp and conference program. Special literature should be prepared to describe the need and opportunity for lay workers in the church which could be utilized by the various agencies and leaders in our church for keeping this avenue of service open to our young people.

C. *Under-graduate training*

In view of the fact that the church colleges have started formal training programs for lay workers only in the last few years, yet are now supplying close to half of the trained workers, it is apparent that our church colleges can undertake a sizable portion of the training of lay workers if given the proper encouragement. Furthermore, there is a demand for the college-trained lay person as indicated by our study. We believe that the only way we can quickly produce a volume of lay workers is to develop programs for the training of Associates in Christian Education.

It is our belief that if the colleges emphasize the importance of lay work in the church and see this as another method whereby they can serve the needs of the churches in their area, many more young people will choose to serve vocationally in the church. Many young women will, of course, marry within a few years after graduation; but those who decide that they want to continue as lay workers in this or some other capacity will then go to one of our graduate professional schools for a Master's degree, having behind them a few years practical experience and a firmer conviction of their life's goal. We believe the colleges will stimulate interest in church vocations so that more students will seek graduate professional training after they have been led into the field through the church college program.

We, therefore, propose that the Boards of Trustees of our church colleges consider the development of a degree program or major for the training of lay workers if it is consistent with the educational goal of the college. We estimate that the direct instructional cost of such a program would be about $10,000 per year. In order to encourage the colleges to undertake this work, we request that an emergency challenge fund be set up by the General Assembly for a period of five years. The General Assembly would provide funds to be administered by the Board of Christian Education in such a way that $5,000 would be available from the General Assembly for each college provided three general conditions are met.

The *first* condition is that the $5,000 General Assembly grant be appropriated to and matched by the controlling courts of each college so that $10,000 of new

money would be available to each college cooperating in this venture. In some synods or presbyteries the $5,000 matching funds should become a part of the court's Christian Education Committee's benevolence budget in order to insure the raising of the funds to match those from the General Assembly.

The *second* condition would be that each college develop its training of lay workers for Christian vocations consistent with its educational aims and within the liberal arts pattern. Two extremes are to be avoided. On the one hand, the college should not attempt to offer professional-type training which is available in our graduate professional schools such as A.T.S. On the other hand, the colleges should not assume that any type of Bachelor's degree will be adequate for the training a layman needs to be an employed leader in the church. Rather, we believe that the colleges themselves can develop an educational program that will prepare a layman to do an acceptable type of education work in a local church and also be foundational for graduate professional work when taken later. We propose that the colleges entering this program meet regularly under the sponsorship of the Presbyterian Educational Association of the South to develop curricula patterns, to share experience, and to evaluate the college level program of training lay workers. Representatives from A.T.S. and any other Presbyterian Church, U.S., institution doing graduate professional training of lay workers should meet with the college group in order better to integrate the graduate with the undergraduate program in the colleges. However, during the five year emergency period when Assembly funds are being used to develop the program, we would expect the colleges to have minimum standards for the training of lay workers that would include at least 60 hours in the Arts and Sciences, 30 hours in Religion (including Bible) and Christian Education of which 12 shall be in Christian Education. Students selecting this program should also have experience in practical work in the Church under competent supervision for two semesters or one summer and one semester.

The *third* condition is that the instruction in Christian Education be given by a person who has a broad liberal arts background, at least a Master's degree in Christian Education from an approved school, and several years of practical experience in the church's program of Christian education.

If this program is approved by the General Assembly, we will expect the Assembly finances to be included in the 1958 budget so that the program can begin in some colleges in September, 1958.

D. *Graduate Professional Training*

For the next eight or ten years we believe the facilities at the Assembly's Training School and the newly created lay school at Austin Seminary will be ample for the students who desire the two year graduate professional training course leading to a Master's degree. Moreover, we commend the Assembly's Training School for the moves that have been made in the past few years to emphasize the work they offer at the graduate professional level. Furthermore, we recommend that the General Assembly's Training School for lay workers study carefully the feasibility of developing a summer program designed to make available some basic training for those serving the church, but who would not ordinarily become candidates for a degree and, if the way be clear, to put into operation such a program.

E. *In-Service Training*

Even if our expectations for this program are reached rather quickly, there will be a large number of untrained D.C.E.'s and other lay people entering church vocations annually who need orientation and help in their work. In the past few years many regional directors have held retreats for newly employed lay workers. We believe that this work should be continued, enlarged, and coordinated through the Board of Christian Education in order to provide annually some direct in-service training for new lay workers including the college graduates who accept church positions.

F. *Commissioning*

We suggest that the local church employing a lay worker plan a commissioning service as a part of a regular period of public worship in which the lay person's role in the church is clearly defined, a charge given to him to fill that position, and prayers offered for the spiritual success of the relationship being established.

G. *Evaluation*

We further propose that at the end of five years a survey of the general situation regarding the use, training, and need for lay workers comparable to this one be conducted to guide the General Assembly in making future plans for this vital part of our church's life.

VIII.

Recommendations

A. That the General Assembly instruct the Board of Christian Education to develop and administer a program for the certification, recruiting, and in-service training of lay workers as proposed in Section VII of this report.

B. That the General Assembly instruct the Board of Christian Education to plan, through regular Assembly budget procedures, an emergency challenge fund (up to $50,000 per year) to provide $5,000 a year for five years to each of our Church's colleges willing to develop a training program for lay workers according to the conditions in Section VII, C. of this report.

2. AD INTERIM COMMITTEE ON REVISION OF BOOK OF CHURCH ORDER

The General Assembly of 1955 took the following action:

"That the General Assembly appoint an ad interim committee to make a thoroughgoing revision of the Book of Church Order.

"That this committee be given three to five years for completion, but required to make a progress report to the 1957 General Assembly.

"That the membership of the committee be composed of six persons: a minister as chairman, a member of the Permanent Judicial Committee, two other ministers and two ruling elders.

"That the committee utilize the Stated Clerk in an advisory capacity."

Under the authority of this action, the Moderator appointed an Ad Interim Committee which has been at work from the date of its appointment.

Excerpts from the address of Mr. Philip Howerton to the Stated Clerks' Association on August 17, 1956 at Montreat, presents the work of your committee in an admirable way:

"Now that we realize the magnitude of the work assigned, no one could be more aware of inadequacy for a task, nor more aware of the need for God's guidance than the members of this Committee. Our appointment was an honor not sought, but accepted as an opportunity for service to our beloved Church. It is now quite obvious that much time will be required to complete our work, so we first ask for your patience and understanding. You may be interested in the personnel of the Committee:

"We have two men who are Seminary professors, Dr. James A. Millard of Austin Theological Seminary, and Dr. John H. Leith of Auburn, Alabama, who has been teaching at Columbia Theological Seminary. These men are both scholars, students of church history, and thoroughly familiar with the constitutional history of our Reformed Faith. Additionally, Dr. Millard has rendered notable service to our Church as a member of the Permanent Judicial Committee of the General Assembly.

"There are three Elder members, Dean John W. Wade of Vanderbilt University School of Law, Dr. Edward D. Grant of Louisiana and Mr. Philip F. Howerton. Dean Wade is particularly helpful because of his legal training and his service on the Assembly's Judicial Committee. Dr. Grant has rendered great service to our Church as former Secretary of the Board of Christian Education, and is probably as familiar

with the operation of our church courts as any man in our denomination. Because of his service on the Boards of several Assembly's agencies, Mr. Howerton brings great practical help to the Committee.

"The Chairman is Dr. Vernon S. Broyles, Jr., Pastor of the North Avenue Presbyterian Church and former Executive Secretary of the Board of Church Extension.

"Then we have the invaluable presence and aid of Dr. E. C. Scott, our Assembly's Stated Clerk, acting as secretary and ex-officio member. Dr. Scott is undoubtedly one of the real authorities on Presbyterian law and procedure. During any necessary absence on his part his place is taken by Dr. Archie C. Smith.

"To date the Committee has met seven times. These sessions run generally for two days, with night sessions. We did not realize how mentally fatiguing this work could be, so two days at a time is about all that is profitable. This limitation, as well as other responsibilities of the committee members, will necessarily extend the time required for completion of our task.

"Members of the Committee are assigned the structural work of particular parts in advance and distribute a rough draft sometime prior to each meeting. Then when the committee meets, each paragraph is taken up in order, thoroughly discussed, sometimes to the point that fifteen minutes may be taken on the use of a single word. The method is consultative, and the debate full, but patient. The committee has sought advice from some twenty of the best students in our Church, from the heads of our various church agencies, from pastors and professors. The committee has co-opted other people in our church to assist, and will continue to do so as the work progresses. We would like to have the Assembly's permission to invite to our meetings with expenses paid, certain of these men, when their special knowledge will be helpful at specific points. We welcome contributions and suggestions from responsible and interested people in our Church. All suggestions receive the most careful consideration and discussion.

"May we say that the committee realizes that its work is not to re-write the Book of Church Order, but to do a thoroughgoing revision of the book—the latter being a large enough task in itself!

"Furthermore, the committee recognizes its constitutional limitations: first that it is a *committee* 'appointed to examine, consider and report' (to use the language of the Book itself); and second, that any changes suggested must be carried through the usual constitutional procedures before they can become a part of the Book of Church Order.

"The action of the General Assembly was in answer to a request of the Permanent Judicial Committee, which had recognized for many years the need for such a revision, but had held up the request pending decision on the matter of church union. The need for the work is apparent when it is recalled that we have not had a thorough revision since 1925, except for a rather casual one in 1945, and there was none prior to 1925 since the Book was finally adopted in 1879, marking completion of the work begun in 1861.

"The Committee is endeavoring to accomplish these practical objectives:

—To modernize some expressions which may be archaic;
—To make the Book more intelligible and usable to laymen;
—To remove ambiguities;
—To eliminate "patchwork" caused by many amendments that affect other provisions of the Book, particularly where there is need for clarification;
—To rearrange some of the paragraphs in order to effect a well-prepared system of cross references in the body of the Book itself;
—To properly index the Book so as to make it a more convenient guide to Presbyters;
—To improve if possible, format, typography and the general makeup of the Book. For this purpose we hope to call in the best advice available.

"To this our work has been confined to the Form of Government section. The Committee has set this schedule for its work:

"(1) We plan to distribute a rough draft of the Form of Government throughout the Church immediately after this 1957 Assembly. This will be sent to ministers and to church courts and to churches, if this Assembly approves our plan. Your Committee earnestly asks that every interested person study this draft carefully and send to the Committee through its Chairman, any suggestions or criticisms. Your Committee

desires to do only what the Church desires to have done. It seeks help from all who will give it. The Committee plans to present the Form of Government for first formal action to the 1958 General Assembly;

"(2) Then a rough draft of the Rules of Discipline section for distribution and comment at the 1958 Assembly with first formal action in 1959;

"(3) Then a rough draft of the Directory for Worship section for distribution and comment at the 1959 Assembly, with first formal action at the 1960 Assembly, and possible final adoption of the entire Book of Church Order at the 1961 Assembly, our Centennial Meeting!

"Again may we emphasize our need for your help, for your prayers, and your patience. By all means we want you to feel free to comment upon our work, to offer suggestions that will guide us, to urge your associates at home to do the same. We wish to enlist you as channels of communication. Please help us by reducing to writing any suggestions you have and sending them to Dr. Vernon S. Broyles, Jr., North Avenue Presbyterian Church, 607 Peachtree, N.E., Atlanta 8.

"We are not seven men presuming to re-write the Book of Church Order, but a committee appointed by our highest church court to 'examine, consider and report' to that court our best efforts in a thoroughgoing revision of the Book of Church Order. As such, we are servants of the Church and, we trust, of our blessed Lord and Saviour Jesus Christ."

3. AD INTERIM COMMITTEE ON MANUAL FOR LOCAL CHURCH

The 1956 report of this Ad Interim Committee on the Church Manual was recommitted for further study and report to the 1957 General Assembly.

It is the unanimous opinion of your committee that the preparation of such a Church Manual ought to be placed under the direction of the Board of Christian Education, with the request from the Assembly that the Executive Secretary of this Board assign a member of his staff to prepare such a manual to fulfill the needs of individual churches desiring to use such a manual.

In view of the work being done by the Ad Interim Committee on Revision of the Book of Church Order, it is further suggested that the department of the Board of Christian Education working on this Church Manual keep in direct touch with changes contemplated in the Book of Church Order, for such a manual would be based upon the polity of our Church contained in the Book of Church Order.

Respectfully submitted,

4. AD INTERIM COMMITTEE ON "UNITED" OR "FEDERATED" CHURCHES

The General Assembly of 1955 appointed an Ad Interim Committee "to collaborate with similar committees of the U.S.A. and U.P. General Assemblies in working out and recommending to General Assembly plans and procedures for resolving present constitutional problems and for enabling such 'united' or 'federated' Presbyterian congregations more effectively to carry on their work."

This committee, consisting of the undersigned, met with representatives of the other two Assemblies in Louisville, Ky., on April 26, 1956, but found that more time was needed and, at our request, the 1956 General Assembly continued the Committee.

The three committees met as a Joint Committee again on October 30, 1956, in Cincinnati, and agreed to present to each of our Assemblies, as our report, the following:

Your Committee recommends that the General Assembly adopt the following plan of procedure in all cases where the transfer of property is contemplated among the

three Churches concerned; its effectiveness to be dependent upon substantially the same action being taken by the other two Churches.

I. In view of the fact that the Joint Committee unanimously agreed that the preferable way to handle communities where our churches overlap in jurisdiction is neither as a federated church or a so-called "union" or "united" congregation, but rather as a comity arrangement between Presbyteries and Synods whereby one Presbytery takes responsibility with the agreement of the other, for a community or larger area, your Committee recommends to the General Assembly that it approve the following plan:

In view of the fact that the Presbyterian Church in the United States and the United Presbyterian Church of North America, and the Presbyterian Church in the United States of America geographically overlap in their areas of Presbyterian and Christian responsibility, the following agreement is entered into by the General Assemblies of the three Churches, and shall be effective as of the date of the approval of the third General Assembly acting.

1. Whenever it appears that a particular church of one denomination desires to be transferred to another, the Presbyteries are hereby enjoined not to receive a congregation from another of these Churches, unless it has been regularly dismissed by the Presbytery of jurisdiction and no timely complaint to such action of dismissal has been filed and sustained as permitted under the Constitution of that Church.

2. In order to avoid unfortunate discussion and difference concerning the property values involved in such transfers, it is agreed that in every case when the transfer of a congregation has been effected ecclesiastically as above, each of the Presbyteries concerned shall appoint a Ruling Elder of that Presbytery who is acquainted with real estate and property values in the area, to meet together; and between them choose a third committee member, not to be a member of either denomination but an expert in property values in the area where the property is located. This committee by majority action will determine the value of the property to be transferred to the other Presbytery and certify such value to the Stated Clerks of the two Presbyteries. When there is an existing mortgage on the property, the receiving Presbytery shall accept responsibility for its payment with interest and the principal amount shall be reduced by the principal amount of the mortgage to establish a net value. The Stated Clerk of each Presbytery shall report the net value so determined as a sum due to or a debt owed by his Church, as the case may be, to the Stated Clerk of his General Assembly.

3. The Stated Clerks of the two General Assemblies shall record all sums and balances so reported, with the understanding that at the end of ten years from the effective date of this agreement, a full accounting shall be made between the two Assemblies and that the Assembly which is in debt to the other shall at that time pay the balance due without interest.

4. It is understood that if this arrangement has been satisfactory, the presumption is that the General Assemblies will enter into a new agreement at the end of said period of ten years for an additional period of 10 years.

5. It is agreed that this agreement shall apply to any property questions pending between the Churches at the time of this agreement, even though the transfers have been made sometime before; and the property values shall be fixed, and balances reported and accounted for according to the procedure hereinabove provided.

The Joint Committee (of the three Churches) has prepared a new chapter on Union churches which is to be submitted in 1958. This is being withheld from this report in view of the fact that union appears likely to be voted by the United Presbyterian Church of North America and the Presbyterian Church in the United States of America, and the two churches will be occupied with the details of putting the union into effect.

Therefore, your Committee requests that it be continued for another year.

5. REPORT OF THE AD INTERIM COMMITTEE ON HOMES AND HOSPITALS

Upon authorization of the 1956 General Assembly, the Moderator appointed the following to serve as the Ad Interim Committee on Homes and Hospitals: Reverend Harvard A. Anderson, Reverend Harry H. Bryan, Reverend John Olert, Jr., Dr. D. M. Allan, Mrs. O. D. Ford, Mr. Garland Lasater, Dr. John R. McCain, Dr. Monroe T. Gilmour, Dr. Alan Keith-Lucas, and Dr. Edward D. Grant, Chairman.

Into the hands of this Committee the Stated Clerk of the General Assembly placed the following communications:

1. "That the General Assembly appoint an Ad Interim Committee to study the placing of Homes for the Aging in the Presbyterian Church; that this Committee be sufficiently financed to make a thorough study of the need for such Homes, the best type of Home, the place of responsibility for the conduct, and the responsibility of the General Assembly as to oversight, etc., and to bring in any other recommendations which it may deem proper."
2. "The Presbytery of Potomac respectfully overtures the General Assembly to consider the advisability of setting up a Division of Welfare Agencies to be under the direction of the Board of Annuities and Relief, to study the problems, give guidance and set up standards for Homes for Children, Homes for the Aging, Hospitals and similar agencies."

The Ad Interim Committee after prior study of these matters held one meeting in Atlanta, Georgia, January 23 and 24 and respectfully presents the following report to the 1957 General Assembly for its prayerful consideration:

While the matters submitted to this Ad Interim Committee are particularly urgent, we do not feel that the answers offered here are final, or that these matters can be settled at any one General Assembly. Some of these problems are just emerging at this time and their full implications for the organized program of the Church are not yet altogether clear. A constructive approach in some cases calls for large capital investments not now in sight, an increasing output of professional leadership not yet fully acknowledged as our Church's responsibility, and a close cooperation between the Assembly agency responsible for this work and those in synods and presbyteries actually financing and operating these institutions. We believe that establishing standards at this time would be premature, for these must be wrought out of experience in the field rather than from theory.

It is gratifying to the Ad Interim Committee to discover that virtually every synod within the bounds of our Assembly is to some degree involved in the support and operation of Childrens' Homes, while several have moved into the field of Homes for the Aging. It would appear, however, that while seeking the Assembly's counsel as to policy in these fields, none appear to suggest Assembly's responsibility for support and operation.

Results of the Ad Interim Committee's study of each portion of the assignment, are presented herewith:

I. PRESBYTERIAN HOMES FOR THE AGING

Basic changes in our society have created for church families the responsibility for caring for more and more of our aging people than heretofore. Medical science has prolonged life far beyond the years of normal retirement. Crowding of families into smaller houses and apartments has increased the tensions of normal family living. Modern living standards have rapidly moved beyond the financial limitations of many in this age group. Mobility of family life often necessitates separation of aged parents from their children, and in planning to meet these needs the Church appears to be lagging behind governmental agencies and commercial interest.

In recent years more and more thought has gone into the establishment by various church bodies of Homes for the Care of the Aging. It appears that at least six of the larger denominations in America have already begun aggressively to attack this problem. The Methodist Church, for example, has sixty-nine such homes scattered over the country, while the Protestant Episcopal Church has not less than one hundred such Homes available to older people. Some groups have discovered that small dwelling units properly located serve better than large institutional-type buildings. It is obvious

that it is a growing function of the Church in modern society to render life happier and more spiritually satisfying for these older citizens.

Several of our own synods and presbyteries have established Homes for the Aging or are now in the planning stage, and we here record our gratitude to them for their leadership in this significant service. We confidently believe it not only is the duty but the obligation of our Church to give this largely neglected group the best knowledge, the most efficient means, and the most devoted care that can be provided.

Special considerations involved in the care of the Aging that require special study on a broad basis are building costs, initial capital outlay, sources of continuing income, proper geographical location for Homes, worthy and attainable professional standards for personnel, adequate staff training, and programs of activity that meet personal, social and spiritual needs of the Aging. It is our conviction that if the Church fails to respond to this opportunity for service, or attempts to meet it on an inadequate basis, secular agencies must and will increasingly take over. While this may be inevitable as the problem grows, we believe that only Homes which are Christian in atmosphere and in purpose, and which are operated on a non-profit basis, will adequately serve the needs of our Aging who too often must face their declining years unattended and alone.

In the light of the above, the Committee recommends:

1. That the General Assembly give its endorsement as a Christian Ministry to the establishment of Presbyterian Homes for the Aging and recommend to synods, presbyteries and local church groups, increased activity in this field.
2. That the Assembly organize itself to offer professional guidance to the projects already under way and to those who are awaiting counsel before proceeding with their plans.
3. That the Assembly through its proper agency collaborate with synods and presbyteries in setting up standards for the selection of sites and for the construction of Homes for the Aging, and in setting up policies for operation, personnel, programs of entertainment and recreation, and all that may be involved in the physical and spiritual health of the Aging.
4. That the Board of Christian Education and the Board of Women's Work be encouraged to enlarge and strengthen their present programs of education and activity to meet the growing needs of older members of our Church.

II. PRESBYTERIAN HOSPITALS

The Ad Interim Committee finds that while there are a few hospitals within the bounds of our Assembly bearing the designation "Presbyterian," only one of these, a recently acquired and long established private institution, has any official connection with the Church or any of its agencies. Because our Church has no accumulated experience in the growing complexities of hospital erection, because of the high cost of construction and operation which have reached almost astronomical figures, and because in too many cases poor public relations arise between hospital administration and their constituencies, the Ad Interim Committee believes it is unwise at this time for the Presbyterian Church officially to enter the field of hospital construction and administration.

Undeniably there exist many points within the bounds of our Assembly in need of greatly increased hospital facilities. Public Health standards suggest that every community should have 4.5 general hospital beds per 1,000 population. Over against this, the area served by our Church averages less than 3.6 beds per 1,000. Federal capital funds are available up to 60% or more for hospital construction which meets Federal requirements. These funds are available to any non-profit group that wishes to undertake the obligation of providing these professional services. While the Committee doubts the wisdom of our Church's venturing into this field on a denominational basis, we feel that Presbyterians might wisely join with other church groups and community agencies to provide Protestant or community hospitals in which the needs of Christian people may adequately be served.

Our Presbyterian Church, U.S., however, can render a greatly needed Christian service through the establishment of Nursing Homes for the treatment of chronic diseases, for prolonged convalescence, and for the rehabilitation of patients not requiring full hospital care. Federal funds are available also for this type of construction

where definite need is proved and Federal standards are met. Such undertakings could be initiated by synods, presbyteries, or even by groups of churches where the need exists. If such should be undertaken, the Assembly might well set up its own standards as to the quality of service to be rendered and the qualifications of personnel to be employed where the Church is involved.

The Committee feels also that Presbyterian Churches might well take the lead in the use of present hospital facilities for more effective Christian witness to the sick and to their anxious families through the establishing of a Presbyterian Chaplaincy Service. This calls for training facilities approved by the General Assembly, and the accreditation of Chaplains to hospitals. This ministry to patients, to families and to hospital staffs offers a rich field of Christian service in many communities over the South today.

In addition every Presbyterian church should be alert to service opportunities in nearby Federal, State and County institutions for the mentally and physically ill. This we regard as a normal church obligation which could well be undertaken by local groups with great spiritual profit to themselves and to those who so sorely need their care.

We therefore recommend:

1. That the General Assembly decline to adopt a policy of establishing Presbyterian Hospitals at this time and endorse the establishment of Nursing Homes by synods, presbyteries and local church groups as a growing and needy field of Christian service.
2. That the Assembly, while undertaking no financial responsibility for Nursing Homes, offer through the appropriate agency, counsel to synods, presbyteries and local church groups so that this work may be established on a high Christian level.
3. That the Assembly encourage the setting up of a Presbyterian Chaplaincy Service for hospitals and institutions within our area and refer this matter to the proper Assembly Agency for further study and report to the Assembly.

III. HOMES FOR CHILDREN

The physical care of homeless and neglected children, and ministry to their spiritual and material needs, have been a long recognized responsibility of the Presbyterian Church.

The Committee is convinced that our Church must maintain programs of institutional care, foster family home care, and programs of adoption, if we are to meet the varied need of homeless children in the best possible manner. All of these approaches are already well established in a few synods and presbyteries. Some programs are now being expanded to include new types of care, while in a few cases, groups are holding plans in abeyance awaiting guidance as to the direction they should take.

It is generally recognized that the problem of the Church in accepting responsibility for homeless children has become more complicated in recent years for the following reasons:

1. Most children need care today as a result of family breakdown rather than because of death of parents. This requires the Church to work with parents in the interest of family rehabilitation and tends to produce more emotionally disturbed children than heretofore.
2. The development of public programs for dependent children and in foster family care tends to place responsibility upon Church Agencies for helping the more difficult children.
3. A growing number of children need custodial care for only a limited length of time rather than for the length of their childhood. This would appear to suggest modification of our present approach to this problem.

Obviously the Church needs to rethink this whole problem and to apply new techniques and new skills to its Child Care Program. We may well be proud of those in our Church who so ably have rendered an increasingly effective ministry through this trying period of transition, and their awareness of the changing situation and their efforts to meet its growing demands are a proper claim upon the Church for increasing support and for larger assistance in adjusting their work to the changing situation.

The Committee therefore recommends:

1. That the General Assembly reaffirm its policy of synod and presbytery support and administration of our Church's Child Care Program.
2. That the General Assembly organize itself to offer increasingly effective guidance, staff training opportunities, and technical and professional assistance to local groups, and make available professional service to these groups in studying, planning, and interpreting their work and in establishing standards of performance worthy of our Church.

IV. ASSIGNMENT OF RESPONSIBILITY

All of the above recommendations have assumed General Assembly supervision and oversight of the type of Christian service under consideration. But this Committee is not prepared at this time to recommend an entirely new Assembly Agency set up for this purpose. While one of the recommendations placed in the Committee's hands suggested setting up a Division of Welfare Agencies in the Board of Annuities and Relief, the Committee feels this would not be wise for the reason that this Board is altogether fiscal in its operation. It is the Committee's judgment that the responsibility for Homes should be assigned to an Assembly Agency already serving in an advisory capacity to synods and presbyteries in matters of common interest against a background of successful experience in cooperative enterprises.

Therefore the Committee recommends:

1. That the General Assembly establish a Division of Homes and Christian Welfare within the Board of Church Extension which shall be responsible for counseling and collaborating with synods and presbyteries in all matters relating to policies and standards of Children's Homes, Nursing Homes, and Homes for the Aging.
2. That the General Assembly made adequate provision for budget and staff of this new Division as soon as the way be clear.

6. AD INTERIM COMMITTEE ON MASS COMMUNICATION

The General Assembly of 1956 directed "that an Ad Interim Committee of seven be appointed to study the whole field of Mass Communications and their use by agencies of the Assembly, the costs involved, and the policies and procedures to be followed in promoting the most effective use. This committee shall include representatives of the Agencies of the Church, business men, and representatives of the radio and television industry."

The Committee has held two meetings of one full day each. The first was on December 7, 1956 and the second on February 15, 1957. Both were held at the Protestant Radio and Television Center in Atlanta. Two members were absent from the December meeting, but all were present for the February meeting. The Committee, believing that its task from the Assembly was to study Radio and Television and Audio-visual aids, agreed to limit itself to the electronic field. We agreed to proceed along three lines:

1. To study the whole field of Mass Communications and their use by the Agencies of the Assembly.
2. To study the costs involved.
3. To recommend policies and procedures to be followed in promoting the most effective use of these media.

A sub-committee was appointed to make a survey of the use of Mass Media by the Agencies of the Assembly. This survey is complete as of February 15, 1957.

A sub-committee was appointed also to survey the use of media by other religious bodies, in the belief that this information would be helpful to us in making plans and recommendations.

The men representing the industry were asked to ascertain policies and procedures to be followed in promoting the most effective use of the Media.

At the present meeting of the Assembly we are unable to make a final report because of the size of our assignment. This progress report is therefore submitted to the Assembly with the following recommendations:

1. That the present Ad Interim Committee on Mass Communications be continued for another year and expanded to include representatives of the General Council and the Board of Women's Work.
2. That the General Assembly authorize the Ad Interim Committee to secure the services of a qualified consultant whose task it would be to undertake research, surveys, and fact finding studies concerning the most effective utilization of radio and television by the Church. This consultant would be directed by and report to the Ad Interim Committee. It is further requested that the General Assembly provide the necessary funds in the amount of $13,600.00 to carry out this recommendation.
3. That as a matter of policy it is considered important that religious programming and material be supplied free of charge to broadcasters.
4. That, in spite of good quality programming already available and its direct-mail promotion, experience indicates that effective placement of such programs will require more "direct selling" in the field. This "direct selling" may be accomplished by the most persuasive local unit. Depending upon the individual situation, this unit may be a local pastor, or a group of pastors, or local lay group.
5. That there exists a need for an additional service which would have as its purpose the development of religious program ideas, formats, and audio-visual aids of all kinds. Such ideas and materials would be channeled to local pastors and church groups, for their use in the planning and implementation of better local live programs.
6. These recommendations are intended to augment rather than supplant current activities.
7. That, pending consideration of these recommendations, the Assembly hear Mr. Kenneth I. Tredwell, Vice President and Managing Director of Jefferson Standard Broadcasting Company of Charlotte, N. C. and a member of the Ad Interim Committee.

7. AD INTERIM COMMITTEE ON THE CENTENNIAL

The committee met in Atlanta on Thursday, March 7th, and organized for its work, with President Wallace M. Alston, as chairman.

The committee carefully reviewed and discussed the action of the 1956 Assembly in connection with its authorization of the observance of 1961 as the Centennial year of the Presbyterian Church in the United States.

It was decided to organize the work of the committee under the following five heads for each of which a sub-committee was appointed:

1. *Celebrations.* This includes all programs of special observance from the local church to the General Assembly.
2. *Goals.* Certain goals will be recommended to the Assembly and other Agencies and groups will be encouraged to set their own.
3. *Special Literature.* It is contemplated that certain books and shorter works will be produced in connection with the Centennial.
4. *Communications.* The production of a film and possible use of Television, Radio and other audio-visual aids is envisioned.
5. *Publicity.*

It was the judgment of the committee that the theme of the Centennial should be:

"Our Presbyterian Heritage and Mission." In agreement with the action of the 1956 General Assembly, this committee is of the conviction that the effect of the observance will depend largely on the spirit and manner in which it is carried out. Accordingly it proposes that the Centennial program be designed primarily to point the Church forward. While our appreciation for the abiding values in our heritage should be deepened, we should be chiefly concerned to clarify our vision of our future role and receive fresh stimulus in the service of our Lord. Furthermore, the committee hopes to fashion a program which will enlarge our horizons and vivify our sense of fellowship with all other Presbyterian and Reformed Churches throughout the world, both those which are older and those which have come into being as a result of the missionary enterprise. Our common traditions in doctrine, polity, worship and practice will be presented in such a way as to strengthen our sense of unity with the Calvinistic Family, and through it with the Ecumenical Church.

Recommendations

1. That the Assembly adopt as the theme of the 1961 Centennial: "Our Presbyterian Heritage and Mission."
2. That the Centennial Committee request expense funds of $2,000.00 for the remainder of 1957 and $5,500.00 for 1958.
3. That the committee be instructed to work out a budget for the years beyond 1958, based on the estimated cost of a program to be proposed to the General Assembly.
4. That this budget referred to above be referred to the General Council with the request that they recommend to the Assembly a procedure for financing it.

WALLACE M. ALSTON, *Chairman*

IX. THE REPORT OF THE PERMANENT COMMITTEE ON INTERCHURCH RELATIONS

The Permanent Committee on Interchurch Relations met in the Conference Room at the Presbyterian Center in Atlanta, Georgia, January 22, 1957. Fifteen members were present and four absent. After a period of devotion the Committee organized itself as follows: *Chairman,* Rev. W. R. Courtenay; *Vice-Chairman,* Judge J. A. Fulton; *Secretary,* Rev. J. S. McMullen. Committees were as follows: *Sub-Committee on National and World Councils:* Rev. Donald G. Miller, *Chairman;* Rev. H. H. Bryan, Mrs. A. R. Craig, Mr. R. E. Kell, Rev. W. T. Thompson and the representative from Louisiana (not chosen). Sub-Committee on Working with Presbyterian and other Evangelical Denominations: Rev. J. C. Ruffin, *Chairman,* Rev. J. M. Crowell, Judge J. A. Fulton, Rev. U. S. Gordon, Rev. J. S. McMullen, Rev. C. E. Piephoff and Rev. J. M. Singleton. Sub-Committee on Interdenominational Agencies: Rev. G. T. Gillespie, *Chairman;* Rev. W. R. Courtenay, Rev. J. R. Cunningham, Rev. W. M. Elliott, Jr., Mr. J. H. Martin and Rev. E. C. Scott.

A. THE WORLD COUNCIL OF CHURCHES

The Committee has received the following report from Col. Francis P. Miller, Member of Central Committee, World Council of Churches:

The year 1956 was a year of steady growth in the life of the World Council. The Central Committee met at Galyateto, Hungary July 28-August 5 and was preceded by meetings of Working Committees and Commissions in Germany. The Executive Committee met in Australia in February.

At the meeting of the Central Committee a review of the Council's work revealed that world-wide studies were underway on many subjects including the following: "The Lordship of Christ over the World and the Church," "Theological Education and the Training of the Ministry," "Christians and the Prevention of War in an Atomic Age," "The Life and Growth of the Younger Churches," "The Word of God and the Living Faiths of Men," and "Areas of Rapid Social Change."

Regional conferences were also being planned by the Department of Faith and Order to consider the "Nature of the Unity We Seek."

To finance various studies and conferences Mr. John D. Rockefeller, Jr. had made a special gift of $145,000.00.

Decisions taken by the Central Committee included:

1. Commending to the churches for their consideration a statement on "The Ministry of the Laity in the World," which stressed the fact that the task of the laity was not merely to help the pastor run his church but to be the church "on the job" in the world. As a corollary of this it was pointed out that the main function of the minister was to prepare the laity to be the church in the world.
2. Drawing the attention of the churches to the importance of full representation from all countries and denominations in the programs of the Ecumenical Institute.
3. Approval of report of Executive Committee on action taken to open the Theological Seminary in Madrid.
4. Instructing the General Secretaries to continue to give all possible assistance to the Christians in Istanbul and to support the Ecumenical Patriarchate in its just demands for adequate compensation and for guarantees against a recurrence of the events of September, 1955.
5. Agreement that the time had come when the WCC and IMC should consider afresh the possibility of the integration of the two councils and authorization to the Joint Committee to formulate a draft Plan of Integration for presentation to the Central Committee in 1957 and to the IMC Assembly in December-January, 1957-58.
6. Acquisition of additional property necessary for building a proper Headquarters in Geneva, Switzerland.

The fact that the Central Committee met behind the Iron Curtain in Hungary had great significance for the life of Christ's Church Universal. During the course of the meeting the following symbolic events occurred:

1. The Baptist Church of Hungary was received into the World Council.
2. An agreement was reached with the Peoples Republic of Hungary to rehabilitate Bishop Lajos Ordass. (This agreement has been kept.)
3. Members of the Central Committee preached in the Protestant Churches of Hungary. (40% of the Hungarian population is Protestant and nearly two-thirds of the Protestants belong to the Reformed Church.) I shall never forget the three thousand adherents of the Reformed faith who filled every inch of space in the John Calvin Church in Budapest on two successive Sunday mornings to hear Dr. John Mackay and Dr. Eugene Blake preach. There were only seats for 1,800 and it was not a congregation of old people—half were young men and women.

Perhaps the greatest single service of the World Council of Churches came at the end of 1956 when it became responsible for looking after a considerable proportion of the refugees who fled to Austria from Hungary.

The World Council is a gift from God to us members of the Presbyterian Church U.S. Through it we can stand shoulder to shoulder with our Reformed Brethren in Hungary and with all Christians in every land as they confess their faith and strive for religious liberty.

The 1957 meeting of the Central Committee with preparatory committees, conferences and consultations will be held in America (at the Yale Divinity School, New Haven, Connecticut). The Central Committee itself (preceded by twenty different preparatory meetings) will be in session from July 30 until August 7, 1957. (Report signed by Francis P. Miller).

B. NATIONAL COUNCIL OF CHURCHES

The Committee received the following report from Rev. John S. Land, representing our Church on the General Board of the National Council:

Since our report a year ago, meetings of the General Board have been held as follows: New York City, February 1-2, 1956, Toledo, Ohio, June 6-7, 1956; Washington, D. C., September 26-27, 1956; Los Angeles, California, December 1-2, 1956. The purpose of having these meetings in various parts of our nation is to interpret the work of the Council more widely and to give the members of the General Board an intimate knowledge of the cooperative work of the Churches in these areas. Two or more of your representatives have attended each of these meetings. In addition, some of us have participated in the deliberations and decisions of the important committees of the General Board.

As our report was written a year ago, the delegation of the National Council of Churches to visit Soviet Russia had been chosen. At the Toledo meeting of the General Board a full report by members of this delegation was given both in words and by

pictures. At that same time the General Board received a delegation of eight representatives from Churches in Russia on an exchange visit to our country. Reports of both delegations have been carried in the religious press.

Two useful leaders in the work of the Council passed away during 1956. They were Dr. Walter W. VanKirk, secretary of the Department of International Affairs, and Dr. Earl F. Adams, one of the assistant general secretaries of the National Council and director of the Washington office. The outstanding service of these two stalwart leaders was appropriately recognized by the General Board.

We would call attention to the service rendered to the Protestant Churches of America by the Bureau of Study and Research of the National Council. Before giving some illustrations of this valuable endeavor, it should be stated that the General Board took the following action:

> That, since it is clear that the National Council of Churches must have a program of research and survey if it is to base its policies and program upon a reasonable, factual foundation,
>
> And, since the place of such a program in the work of the Council has not been adequately determined as measured by agreement as to the extent of such a program and the stabilization of financial provision for it;
>
> Therefore, appropriate steps be taken under the guidance of our administration officers to provide a proper study of the situation in looking toward such determination and to present to the General Board appropriate recommendations or report.

In this connection let us refer to the publications of reports containing valuable facts in three areas. In doing so we hope that members of our churches will avail themselves of the full documents from headquarters and will use condensations of these as published in the church papers. They are: "The Yearbook of American Churches," published on September 15, 1956; "The Survey of Church Members," released in October, 1956; and "The Report of the Missionary Research Library," which is a joint agency of the National Council of Churches, Division of Foreign Missions, and Union Seminary in New York, with our Dr. Frank W. Price as library director.

Steady progress is being made in the preliminary steps of erecting the headquarters building on Riverside Drive in New York City. It has been decided to call this building "The Inter-Church Center."

The National Council has adopted an official symbol. The emblem combines a cross, as the symbol of Christianity, and an outline map of the United States, to signify that the Council of the thirty Protestant and Orthodox communions is a U. S. A. religious organization. Circular in design, the emblem carries on the rim the words: "Jesus Christ, Divine Lord and Saviour." On the face of the map is an approved, shortened version of the name of the Council, "National Council of Churches."

The National Council continues to operate within its budget. All of us are indebted to a body of able and consecrated business men who give outstanding leadership in this important phase of our cooperative work. These men are eager to build up a reserve for the Council. For a fuller understanding and appreciation of its far-flung work, we submit the proposed budget for 1957. The allocations of money in percentages and dollars will be seen from the following analysis.

*Excess of income over expenditures subject to distribution by General Board action in February 1957 following review of Budgets of Projected Needs.

Of special interest is the manner in which the far-flung work of the Council is reviewed at various meetings of the General Board. In addition to the reports of the divisions and departments, leaders of the Council who attend ecumenical meetings in various parts of the world bring back their reports. In addition, leaders from abroad address the meetings of the General Board from time to time. Closer cooperation in the work of the Overseas Department with the similar department of the World Council of Churches is being encouraged. Through its departments and their leaders, immediate aid is given in disaster areas at home and abroad. In the latter category outstanding response has been made to the needs in Hungary.

At Christmas time Dr. Eugene Carson Blake, president of the Council, visited the men and chaplains of the Alaska Command as a spiritual ambassador of the Churches at home. He not only carried the message of the Gospel and greetings from the Churches at home, but he brings back to these Churches an interpretation of the needs in the areas visited.

It will be of interest to know that Dr. J. McDowell Richards, president of Columbia Seminary, Decatur, Georgia, and former Moderator of our Church, has been elected chairman of the Advisory Committee of the Southern Office of the National Council of Churches.

The next General Assembly of the National Council of Churches will be held in St. Louis in December 1957. (Report signed by John S. Land, Chairman.)

C. COOPERATION WITH PRESBYTERIAN AND OTHER EVANGELICAL DENOMINATIONS

The Committee received the following report from its Sub-Committee, Rev. J. C. Ruffin, Chairman:

A. Cooperation with Presbyterian and Other Evangelical Denominations.

During this year when the Presbyterian Church U.S.A., and the United Presbyterian Church are voting on "The Plan of Union," our cooperative efforts with both Churches have been continued and extended.

Many areas of cooperation at various levels could be pointed out. We will only indicate the following that seem particularly significant:

(1) The undertaking of a united mission work in Iraq with the Presbyterian Church U.S.A., the Evangelical and Reformed Church, and the Reformed Church of America.

(2) The inauguration of work on a joint Book of Worship with the Presbyterian Church U.S.A., and the United Presbyterian Church, through our Board of Christian Education.

(3) A joint session of our Assembly's Youth Council with the corresponding groups in the U.S.A. and United Churches at Hanover College, Indiana.

(4) A three state conference of Presbytery and Synod World Mission Committee chairmen with like representatives from the U.S.A. Churches in Missouri, Ken-

tucky and West Virginia. Also included were Women of the Church chairmen of Missions on presbytery and synod levels. The conference was in Louisville, Ky.

B. North American Area of the World Alliance of Reformed Churches.

The annual report of the North American Area of the World Alliance of Reformed Churches, of which our Church is a member, is appended to this report and passed on as information to the General Assembly.

C. Fraternal Delegates.

The following were named as fraternal delegates:

(1) To the Presbyterian Church, U.S.A., to meet at Omaha, Nebraska, May 16, 1957: Rev. George Vick, Charleston, W. Va.; Alternate, Rev. Louis Patrick, St. Louis, Mo.

(2) To the United Presbyterian Church, to meet at Muskingum College, New Concord, Ohio, June 12, 1957: Rev. J. Ralph Neale, Palatka, Fla.; Alternate, Rev. William V. Gardner, Lexington, Ky.

(3) To the Associate Reformed Presbyterian Church, to meet at Little Rock, Arkansas, June 4, 1957: Rev. Kenneth Snipes, El Dorado, Ark.; Alternate, Rev. T. B. Hay, Little Rock, Ark.

(4) To the Church of Scotland, Dr. Lewis Schenck, Davidson, North Carolina.

(5) To the Presbyterian Church of England, Rev. C. Rodney Sunday, Houston, Texas.

(6) To the Presbyterian Church of Ireland, Dr. Lewis Schenck, North Carolina.

(7) To North American Study Conference of the World Council of Churches Meeting, Oberlin, Ohio, September, 1957. (To be named by Standing Committee.)

D. COOPERATION WITH INTERDENOMINATIONAL AGENCIES

The Committee received the following report from its Sub-Committee, Rev. G. T. Gillespie, Chairman:

1. The American Bible Society

The American Bible Society, through its secretary, Mr. Roy I. Madsen, has submitted a summary report of its activities for the year 1956, including a Report of the Findings Committee of the Advisory Council.

The Advisory Council met in New York November 27-28, 1956, and was attended by the following official representatives from the Presbyterian Church U.S.: Dr. James G. Patton, Mr. A. Walton Litz, and Dr. Walter R. Courtenay; and also by Dr. Janie W. McGaughey as a guest.

The Advisory Council in its findings commends the diligence and consecration of the administrative staff to the over-all task of making the Word of God available to all the people of the world in their own language.

The theme adopted by the Society for 1957 is: "Now in 1,100 Tongues." The Society also clearly recognized that the challenge to still more aggressive effort is found in the fact that there are yet 1,000 languages and dialects without a word of the Bible.

During the past year the Society has cooperated with other agencies in Europe in attempting to meet the needs of the Hungarian refugees for the Scriptures in their own language. More than 200,000 copies of the Gospels and of the whole Bible have been made available by the Society directly, or through funds which it provided for this purpose.

Distribution of the Scriptures to men and women of the Armed Forces both at home and overseas continues to be one of the major activities of the society, which tends to keep strong the link between the home church and the men and women in service.

A budget of $1,400,000 has been approved for the year 1958, and the churches supporting the Society are asked to increase their contributions in order to reach this goal. The quota of the Presbyterian Church U.S. for 1957 is $40,459, which has been officially accepted by the Church, and which incidentally gives us the distinction of being the first denomination to officially accept its full quota. The same quota is being requested for 1958.

Below is the record of contributions made by the Presbyterian Church U.S. for the past three years:

	1954	1955	1956
Through General Fund	$19,708	$22,913	$26,212
Direct to Society	12,778	10,347	11,300
	$32,486	$33,260	$37,512

Since the Society, as one of our General Fund Agencies, was in the budget for 1956 for $37,500, it is evident that we have actually met the goal for the year with an increase of more than $4,000 over the previous year.

2. Religion in American Life

In 1949, a non-sectarian organization, known as *Religion in American Life,* or usually designated by the initials *R I A L,* was started by a group of earnest laymen, to encourage people of all religions to attend the place of worship of their own faith.

These men believed that advertising, on which industry and business spend millions of dollars annually, could likewise perform a service for religion, and that many large industrial and commercial organizations would be willing to cooperate in the promotion of such a program.

Up to the present time twenty-four denominational groups including our own, have endorsed the movement and are making annual contributions towards its support. The Advertising Clubs of America, sixty-eight national business organizations, and many local civic organizations across the nation have given it enthusiastic cooperation and support.

It is estimated that for every dollar contributed by the churches to R I A L, sixty dollars worth of advertising, at commercial rates, has been contributed by other organizations.

It is significant that during the seven years in which this program has been in operation, there has been a substantial increase in the percentage of the adult population attending religious services, as shown by surveys conducted by reliable fact-finding organizations.

There may be some who will question the wisdom and propriety of prompting church attendance by such methods, and due consideration should be given to this point of view. It must be recognized that there are certain dangers inherent in a program of this kind; that in the hands of well-meaning but injudicious leaders it might tend to employ bizarre and sensational methods, which might cheapen and misrepresent true religion, and thus defeat the ends which it has in view.

Up to the present time, however, insofar as we have been able to observe, the program seems to be in the hands of capable and judicious leaders, and has been pitched upon a high plane. The publicity and advertising have been restrained and dignified in form and content; the major objective has been kept clearly in mind: to emphasize the spiritual needs of all men and to exalt the essential place of religion in the life of the individual and the nation.

Believing that this program as now administered, is in accord with the spiritual aims and practical objectives of our Church, we recommend that our Church continue to cooperate in this program for the year 1958, and that an appropriation of $2,000 be authorized toward its support.

3. The Lord's Day Alliance

In accordance with the action taken by the General Assembly, as shown on page 52, Recommendation 5, of the Minutes of the Assembly of 1956, which is as follows: "That the Permanent Committee be instructed to study and make recommendations to the 1957 Assembly regarding continued financial support of the Lord's Day Alliance," your committee begs to report that such a study has been made. In response to a request from this committee, a special comprehensive report has been submitted by the General Secretary of the Lord's Day Alliance, Rev. Melvin M. Forney, and a statement concerning the history and work of the Alliance, has been submitted by Rev. Andrew R. Bird, D.D. of Washington, D. C., who has served as the representative of our Church on the Board of Managers and as Vice-President of the Alliance for a number of years.

This organization was formed in 1888 in the city of Washington, D. C., by the representatives of seven leading Protestant denominations in the United States, including the Baptist, Episcopal, Methodist North and South, Presbyterian North and South, and the Reformed Church, in order to develop "a united effort to protect the Lord's Day and to stimulate its largest spiritual use by all Christians." Dr. Harry L. Bowlby, a Presbyterian minister of Altoona, Pa., was chosen as the General Secretary of the organization, and devoted forty years of distinguished service to this work. Upon his retirement a few years ago, Rev. Melvin M. Forney, a successful Baptist

pastor in Philadelphia, was chosen as his successor and, according to Dr. Bird, is an able and consecrated Christian leader and is doing an aggressive and effective work, with offices in New York City, and an increasing number of co-workers over the country.

In view of the importance of the Lord's Day observance in the promotion of the entire program of the church, and of the protection of the civil sabbath from the continuous assaults which are being made upon it by modern business and commercialized sports and entertainment, there would seem to be a greater need than ever for united efforts on the part of Protestant churches and other organizations to avert the moral and spiritual disaster to the churches and the nation which would follow the complete secularization of The Lord's Day.

We, therefore, recommend that our Church continue its support of this organization, and call upon all of our pastors and people to re-emphasize the vital importance of a proper observance of The Lord's Day in personal and family life, and to unite as Christian citizens in every worthy effort, at the local, state and national level to safeguard this indispensable bulwark of Christian civilization.

At the same time we recommend that the Assembly direct its representatives on the Board of Managers to bring to the attention of the Board certain unfavorable criticisms which have arisen in the Presbyterian Church U.S. to the effect that the program of the Alliance has become "archaic" and its methods lack freshness and vigor, and that the management be requested to make a fresh study of its program and procedures with a view to increasing its efficiency and expanding the influence and usefulness of the organization.

4. Reformation Day

Sunday, October 27, 1957 has been designated as Reformation Day.

Since the field of special emphasis selected by our Church for the year 1957 is *Christian Citizenship,* it is suggested that the theme for programs and sermons for the proper observance of the day would be *Calvinism and Good Citizenship,* which should include historical reference to the distinctive type of God-fearing, liberty-loving, responsible citizenship developed in Switzerland, Holland, Great Britain, America and other countries, under the influence of Calvin and other leaders of the Reformed Faith.

E. REPORT OF THE INTERCHURCH COMMITTEE ON THE NATIONAL AND WORLD COUNCIL OF CHURCHES

The Committee received the following report from its Sub-Committee, Rev. Donald G. Miller, Chairman:

The Permanent Committee on Interchurch Relations was charged by the General Assembly of 1956 (See *Minutes of the Ninety-sixth General Assembly,* p. 52) with the task of investigating "the specific charges made or implied in Overtures 28, 29, 25-7, 50, submitted to the 1956 Assembly, and any other specific charges of a related nature submitted to the Permanent Committee on or before November 15, 1956;" and making "a further study of the advantages and disadvtanges of membership of the Presbyterian Church, U. S., in the National Council of Churches and the World Council of Churches," and reporting the results of the study to the 1957 General Assembly. The Committee presents the following report in fulfillment of the task assigned to it:

CHARGES

(1) That "continued membership gives tacit approval of public pronouncements and resolutions that have been widely circulated which do not express the convictions of a majority of the total membership of our church."

It is the judgment of your Committee that this charge would not justify our church's withdrawal from either the National Council of Churches nor the World Council of Churches, for at least two reasons:

(a) It is to be expected that at times both of these organizations will have judgments concerning various questions which may be different from our own. These Councils are Councils of Churches, made up of all branches of the Church of Jesus Christ, representing various traditions and viewpoints. They are not Councils of Southern Presby-

terians, nor of Presbyterians, nor Councils made up exclusively of Reformation Churches. They are rather Councils composed of all churches who are willing to unite in common study and service on the basis of their united declaration of faith in Jesus Christ as Divine Lord and Saviour. In such a fellowship, both thought and action would be completely paralyzed if all the cooperating churches should insist that nothing be said or done which did not meet the full approval of their own group. We cannot believe that our General Assembly desires to limit cooperation with other Christians solely by the principle that they agree with us in every respect. This would be an imposition of our own views on the other churches—a sort of Presbyterial domination of the total church—which both Christian grace and wisdom would forbid.

(b) The official pronouncements of the National and World Councils of Churches are formulated by the duly elected representatives of the churches which make up these Councils. They are discussed in open debate and represent group wisdom. Any denominational group represented in these Councils may dissent from the pronouncements, and the dissenting vote is made a matter of record and released to the public along with the pronouncement. Hence, we may be officially disassociated from any action with which our denominational representatives are in disagreement, and thus do not give tacit approval to it by virtue of our membership in the Council. This has been made clear in a report from the National Council of Churches published in the Minutes of the *Ninety-Fifth General Assembly of the Presbyterian Churches in the United States* (p. 155), which reads: "The General Board calls to the attention of its constituent communions and their members that when it approves a pronouncement, it does so on the authority given to it by its constituent communions according to the constitution of the National Council of Churches. It is clear, however, that this means on the one hand that the constituent Communions or any of their members have full right and responsibility to protest and to differ when their own convictions, under the authority of the Scriptures illumined by the Holy Spirit, vary from the Council's pronouncement."

(2) That "resolutions of the National and World Councils have accused those not in agreement with their social, economic, and political views as un-Christian."

(a) A fundamental distinction is to be drawn here between calling *people* un-Christian and *views* un-Christian. It is quite possible for a Christian person to have un-Christian views on many subjects. Only God has the right to pronounce upon people. The church, nevertheless, has both the right and the duty, however distastful it may be, and however much she may shrink from it, of interpreting the Christian faith and applying it to the issues of life in each generation. It may, therefore, be called upon at times boldly to say what the Christian faith and its meaning for society are in any given situation. When this is done, obviously it cannot escape the implication that views opposed to these may be a reflection of the sinfulness of human nature—even redeemed human nature—and of the pressures of an unredeemed society in which the church lives, and are thereby un-Christian. This is the awful demand of the church's proclamation of her faith to the world. But it is quite other than an affirmation that any person differing from the pronouncement is *not a Christian.* In no instance brought to the attention of this Committee has either the National Council nor the World Council of Churches named any *people* as being un-Christian. The charge, therefore, that they "have accused those not in agreement with their social, economic, and political views as un-Christian" is not well founded.

(b) The pronouncements of the National and World Councils of Churches have been no more out of accord with the views of many members of our churches than have some statements passed by our own General Assembly. They merely reflect the fact that there are wide differences of opinion on the part of Christians. These differences of judgment would be no more justification for our churches to withdraw from these Councils than there would be for members dissenting from the deliverances of our own General Assembly to withdraw from it.

(c) The full meaning of the Gospel in its application to life problems will always involve differences of opinion, and often create opposition on the part, even, of very good people. Bodies such as the National and World Councils of Churches, composed of duly elected representatives of their constituent denominations, will reflect the judgments of such leadership. It would be an alarming prospect for the future of the church if such bodies should reflect only the conventional outlook of the average church member. Especially is this true for the Reformation Churches, whose very nature is

derived not merely from the fact that they were reformed in the 16th century, but that they are being constantly "re-formed" and renewed by the Holy Spirit. It is the duty of the church constantly to be re-examining the expression of her life in the world in the light of changing contemporary situations, and to bring herself again and again penitently under the judgment of God for her failure to manifest the full stature of Christ, in order that she may likewise know continually His renewing grace. We must not repeat the mistake of Israel in Jesus' day, in equating the tradition of men with the Word of God. If we do, as surely as for ancient Israel, our spiritual house shall be left unto us "desolate." As a church we must continually live in the "sinner-Saviour" relationship! The word for the church in our time must be: "God be merciful to us, sinners."

(3) That "the leadership of both Councils openly envision the ultimate goal as organic union of all Protestant Churches in one world Church."

Your Committee failed to find evidence supporting this charge. In fact, there is clear evidence to the contrary. It may be possible to point to statements by some leaders in these Councils, made entirely on their own, as individuals, which might seem to justify this charge. But such statements should not be allowed to prejudice the case against the official bodies of which they are members.

The National Council of Churches has officially said, through its accredited representatives, that it "does not have any control over the individual utterances of the persons who are named by the denominations to the General Assembly or to the General Board or its units. These members are the trusted representatives of these member churches, elected or appointed through their responsible bodies. If such persons occasionally make statements or take positions which prove objectionable to other Christians either within or without the Council, they cannot be held to be statements of the Council." ("Notes Regarding National Council of the Churches of Christ in the United States of America," prepared by Dr. Roy G. Ross, General Secretary.)

It is clear, therefore, that to adduce statements made by individuals outside their Council activities as evidence of the mind of the National Council on this subject, manifestly has no bearing upon the issue.

The National Council itself has repeated and officially affirmed that it is not "a superchurch, and does not aspire to become one." *(A Letter to the Christian People of America,* The Message Adopted by the General Assembly, National Council of the Churches of Christ in the U. S. A., Denver, Colorado, December, 1952.) To insinuate that such an official pronouncement is insincere and not to be trusted, is to make a judgment of Christian brethren unworthy of our General Assembly.

Furthermore, an examination of the National and World Council of Churches indicates that they are in no sense churches, cannot as presently constituted become churches, and could not—in the event they ever did—have any authority to force any body of Christians to join them. These bodies are not churches, but Councils of churches which exist independently and are members of these Councils by their own deliberate choice. The Councils have no authority whatsoever over member churches, but act in a purely advisory role. They make no financial assessments, but are wholly dependent upon requests which the member churches fulfill according to their own ability or judgment. They have no members save the members of the churches which compose them. They have no clergy, nor do they train any. They do not administer the sacraments. They have no liturgy. They have no local parishes. Not one feature which constitutes a church do either of these Councils have. Since they can act only through the representatives elected by the member churches, it is impossible that they could even foster a "superchurch" save through the consent of the churches which now constitute the Councils. Should that day ever come—and it is certainly not foreseeable for many generations, if ever—any member church may at that time freely withdraw from association with it, and maintain its autonomy.

(4) That there is a deep cleavage between laymen and clergy concerning these Councils, and that they are both dominated by clergymen, who are impervious to lay advice and indifference to issues which laymen hold dear.

In answer to this, it is sufficient to point to the report made to our last General Assembly by Dr. John S. Land, one of our denominational representatives on the General Board of the National Council of Churches: "In view of the wide publicity given to the one-man report of Mr. J. Howard Pew, chairman of the National Lay Committee,

we shall include a brief history of the National Lay Committee and then conclude with an analysis of the clerical and lay participation in the life of the Council which will correct the impression given by Mr. Pew and Mr. David Lawrence that there is a cleavage between the clergy and the laity and that the clergy dominate the National Council.

"The National Lay Committee was one experiment in lay participation. It was originally set up by the Planning Committee before the Constituting Convention was held in Cleveland in December 1950. At Cleveland the General Board expressed its deep appreciation to the National Lay Committee for the help its members had given to the Planning Committee in preparation for the Constituting Convention and invited the Committee to continue in a planning capacity to help the Board formulate plans for the 'more complete integration of laymen into the total organization of the National Council . . . ' At the same time it approved provisions for the appointment of 35 members of the Lay Committee to the Council's Business and Finance Committee. The General Assembly at Denver, in 1952, expressed its 'basic conviction that the ultimate method of securing that vital and effective degree of lay participation which the Planning Committee visualized must be through the complete integration of lay persons into the organic structure of the Council. . . .' It approved changes in the constitution for the appointment of additional lay representatives by the denominations and continued The Lay Committee as a committee of the General Board until June 30, 1954. By that time, the Assembly and General Board believed members of the Lay Committee would be actively working throughout the Council 'from top to bottom on a variety of policy, managerial, and program committees' and there would be no further need for the Committee. The General Board, on March 17, 1954, noting that the goal of integration had not been completed, voted to continue the National Lay Committee for another year. The Committee ceased to function on June 30, 1955.

"The Lay Committee had 170 members on its rolls when it ceased to function last year. A check of the Council's leadership on February 1, 1956, showed that 71 of the 170 remain active in the National Council as members of the General Assembly or General Board or in other capacities. There are 4,230 men and women participating in the life of the Council—almost an equal division between clergy and laity. As of February 1, 1956, the division stood: Clergy, 2,165; lay men and women, 2,065.

"Let us conclude our report with two observations and convictions. The differences of attitudes and opinions of those who comprise the participants in this great cooperative movement are marked between layman and layman as between layman and clergyman. It should be remembered that the membership of the General Board and of the General Assembly of the National Council is elected by the member denominations as their direct representatives. Not only are there nearly as many laymen and laywomen sharing in this work, but also the general departments of United Church Men and United Church Women are vigorous and active. It is significant that the former chairman of the Division of Christian Life and Work was Mr. Arthur S. Flemming, a layman, and that the present Chairman is a laywoman, Mrs. Douglas F. Horton. It is furthermore interesting that the chairman of the Department of Church and Economic Life, which prepared the report to which Mr. Pew and some of his associates so violently disagreed, was prepared and presented to thhe General Board several times under the leadership of its chairman, Mr. Charles P. Taft.

"The second observation is this. It is to be expected that there will be many different points of view and items for discussion and action which will not please everyone. When the comprehensive and cooperative work of the member communions in the basic and central task of extending the Kingdom is considered, we should not allow one objection here or one there to loom so large that this 'mote' of criticism should seem larger than the 'beam' of united Kingdom endeavor."

Your Committee feels that this statement speaks for itself. It would add, however, its own concern that the place of laymen in the National Council be kept vital and influential. In view, therefore, of the widespread publicity given an alleged breach within the National Council between the clergy and laymembers, we reaffirm our church's historic position that effective Christian witness by ecclesiastical organizations requires joint participation and joint responsibility between the clergy and laymen in the vital problems confronting the church today.

(5) That the National Council of Churches is led by men many of whom are disloyal to the form of government under which we live, and are set to undermine it.

This charge is a grievous one, indeed, and one which impugns the motives of men in a very serious way. Your Committee cannot appraise motives, but at this point is willing to accept the judgment of our own denominational representatives who work closely with the leaders of the National Council, and are forthright in estimating their integrity. One of our representatives on the General Board, Dr. John S. Land, has stated: "During my service on the General Board of the National Council I have had the opportunity of knowing rather intimately the officers of the Council, the leaders of the Divisions, and the members of the General Board. In addition to attending the meetings of the General Board, I have served on a great number of committees, by which I have gotten to know most intimately the ministers and laymen in the top organization. I can truthfully say I have never detected any evidence of disloyalty to our Lord or our country on the part of anyone. To me it has been a heartening thing to see our cooperative Christian enterprise in America handled by men of the stature and soundness of those chosen by the respective denominations." To this another of our representatives, Dr. Ben R. Lacy, Jr., has added: "I am impressed as my colleague with both the wisdom of the men and women in the General Board and Staff and their loyalty to Christ as Saviour and Master."

In addition to the judgments herein expressed, the General Council of our Church has stated "that it is convinced that all accusations made against the National Council implying that it is 'Red' and 'subversive' are without any foundation whatsoever." For this reason it refused to "dignify" such charges by endorsing a statement answering them. It is the judgment of your Committee that charges of 'subversionism,' frequently made anonymously, are without basis in fact. These charges, in turn, are taken up by many sincere people, who do not have access to the facts and are not aware that if they did their judgment would be quite different.

To list but two examples: A leading clergyman of our country was labeled as subversive by an anonymous propaganda sheet because he participated in a rally of "Soviet-American Friendship." The sheet did not indicate, however, that this rally was held in 1942 when Russia was our ally in arms, and that the same meeting was sponsored by Sec. of State, Cordell Hull; Sec. of Commerce, Jesse Jones; Christian A. Herter, Governor of Massachusetts; Senators Kapper and McKellar; and other high-ranking patriotic leaders. Another Christian leader was accused of being associated with an un-American organization because he published an article opposing Nazi propaganda against the Jews in a magazine with which he had no official connection whatsoever, which later turned out to be a subversive journal. Such misrepresentations of fact are to be reprobated, and offer no basis for our church's withdrawal from the National Council of Churches.

ADVANTAGES AND DISADVANTAGES OF MEMBERSHIP IN THE NATIONAL COUNCIL AND WORLD COUNCIL OF CHURCHES

In seeking to determine the relative advantages and disadvantages of our church's membership in these Councils, your Committee consulted the executive secretaries of the various Boards of the church, and some of our denominational representatives on the Council. We have reached the following judgment:

ADVANTAGES

(1) There are many areas of common Christian endeavor which either could not be done at all or could not be done as well if our church had no membership in these Councils.

(a) Evangelism. Both at home and abroad, united evangelistic efforts have been made in which our church, by virtue of its Council membership, has had a part, which would otherwise have been wholly beyond the reach of our influence or endeavor. In addition to large evangelistic campaigns and preaching and teaching missions on college and university campuses, there are also radio and television ministries, ministries to migrant workers in various parts of the country, summer ministries in our National Parks, and similar endeavors to spread the gospel to neglected areas.

(b) Christian Endeavor. The benefits accruing from united endeavor in the field of Christian Education are manifold. Training Schools for specialized ministries on the

part of Staff Members of our Board of Education are conducted by the National Council, as well as workshops in various specialized fields, which are available through no other channel. Studies are made and information amassed which are of benefit to the member churches. Mission study materials, leadership education curriculum materials, vacation church school materials, audio-visual aids in many fields, all are produced by the cooperative endeavor of the member churches in the National Council. These are far vaster in scope and far cheaper in cost than materials which we could produce ourselves. The joint planning of curriculum, and the experimentation and research into new methods of educational procedures, add immeasurably to the effectiveness of our own church's educational program. These services are available nowhere else, and could not well be sponsored by our own church alone.

(c) Relief and Rehabilitation to Sister Churches. One of the amazing stories of our day is the way in which the Christians in lands of plenty responded during and since the Second World War to the needs of the churches in lands that had been decimated. The bonds of Christian love that have thus been fostered are one of the abiding marks of the living presence of Christ in our world today. This work has been largely carried on by the National and World Councils of Churches, and could not have been done on such a large scale apart from them. United endeavor in areas such as this is imperative to be effective. Through the World Council of Churches, our Church has been able to be represented "on the spot" in the recent crises in Hungary and the Near East, and thus to offer a helping hand in time of desperate need.

(d) Mutual Enrichment through Interchange between the Churches. The National and World Councils of Churches have sponsored the interchange of many Christian students from other countries to our land, and from ours to theirs. Ministers also have been brought from abroad, and representatives of our churches have been sent to other countries. This has helped toward mutual understanding, has strengthened the bonds between the various branches of the Church of Christ, and has measurably enriched the church's understanding of the faith and its application to life by this cross-fertilization.

(e) World Missions. Membership in the National Council of Churches is the place where our church now sustains a relationship, along with the other churches, to the cooperative endeavor to take the Gospel of Christ to both the geographical frontiers of the world and the frontiers of thought and life. In this way, we both draw from and contribute to the wisdom and devotion of the missionary leaders of all the member churches.

These, and other cooperative endeavors, are the channels through which our church aligns its forces with others in ways that would be impossible alone.

(2) Efficiency in carrying forward the program of our own church is also a result of our membership in the National and World Councils. The Staff members of our various boards, through these Councils, are related to staff members of similar departments in other churches. Through this mutual association, much is learned which facilitates the work of the various departments of our church.

(3) Through our membership in the National and World Council of Churches, our church has an opportunity to contribute, out of the richness of her own life, the resources of her leadership to the larger life of the church. One of our representatives on the General Board of the National Council, Dr. Ben R. Lacy, Jr., has written: "Our members, while not offensively vocal, do give expression to the position of our church, and I am at times greatly surprised that a church of such small membership as ours, confined to one section of the nation, has as great a voice as it does among so many millions of American Protestants." By membership in these councils, our representatives can aid them in self-criticism, and can enrich the life of the whole church of Christ by sharing the riches of our own church's theological heritage and practical wisdom. To refuse to do this would be to renounce a part of the mission which the Holy Spirit has set before us at this time.

(4) Membership in these Councils affords our church the opportunity for fellowship with Christians of other traditions, and for bearing witness to the world to the essential oneness which is the gift of the Holy Spirit to His church. The outstanding mark of the Holy Spirit's leadership in His church in our time is His enabling of His People to rediscover their unity in Christ. Christ has but one body, not many. It is God's mercy and grace that He has in our generation, when all other aspects of world community have been disintegrating, led His People together into a closeness of fellowship

and a sharing of mission which are deeper than at any time since the Reformation. This increasing discovery of the church's oneness should be particularly congenial to our church, for it is wholly in line with the biblical doctrine of the church, it expresses the mind of John Calvin who said that he would not hesitate to cross ten seas to help make the church one, and it accords fully with the doctrine of the church set forth in the Westminster Confession of Faith, which defines the church not as a Southern Presbyterian Church, nor even as a Presbyterian Church, but as made up of "all those throughout the world, that profess the true religion, together with their children." To withdraw from the National or World Council of Churches at this time would be a denial of our heritage, a negation of the biblical doctrine of the church, and a step running counter to the apparent leadership of the Holy Spirit in our time.

DISADVANTAGES

The disadvantages suggested to the Committee are as follows:

1. Cost in time.
2. Cost in money.
3. The loss by the Division of Foreign Missions of several denominations which were formerly members of the Foreign Missions Conference, but did not unite with the National Council of Churches.
4. Faulty organizational procedures, with too much authority and responsibility vested in too few people.
5. The lack of a sufficiently positive theology.
6. The questionable nature of some of the Council's political, social, and economic pronouncements, and the extreme statements in these fields of certain leaders on the Councils.

To most of these alleged disadvantages, your Committee feels that an adequate reply may be made, as follows:

1. Cost in time. It is true that our denominational representatives on the Councils and that certain staff members of our Boards spend a good deal of time in work related to the National and World Council of Churches. This is balanced, however, by the fact that a good deal of time is likewise saved by the various services to our church rendered by the Councils, and by the fact that time taken away from our own church's work is given to the larger life of the church and is in no sense wasted.

2. Cost in money. As a member of these Councils, our church contributes her proportionate share to their work. This is, to be sure, costly. But it is money contributed to the work of the Kingdom, and may bear even more fruit than a similar amount used solely by our own church. It has been suggested that the administrative costs in the Division of Foreign Missions of the National Council are disproportionately high. If this be true, it is imperative that our representatives strive to get the Council to correct this.

3. The merger of the Foreign Missions Conference into the National Council of Churches meant that quite a few of the cooperating bodies withdrew. There were 110 member boards and societies in the Foreign Missions Conference in 1950, and only 75 in the Division of Foreign Missions of the National Council in 1957. This is, of course, a great loss to cooperative endeavor. For our church to withdraw from the National Council, however, would only increase that loss, and would align us with the denominations with "separatist" tendencies, which would run counter to our Presbyterian heritage and our doctrine of the church.

4. The organizational procedures of the National Council are considered by some to be unwieldy. It is alleged that the General Assembly of the Council and the General Board are too large and meet too infrequently to handle the business of the Council, and that therefore a disproportionate amount of responsibility and authority fall upon the Executive Committee and the Staff. Insofar as this is true, it should be incumbent on our own representatives to use whatever influence they may have to correct this. To grant this, however, is quite irrelevant to the question of whether our church should stay in the Council or withdraw from it. To grant a weakness in an organization is no reason to forsake it. Furthermore, this weakness is not at all confined to the National Council of Churches. It is characteristic of many of our own Presbyteries, and criticism is sometimes made of a similar weakness in some of the Boards of our own church. This is merely one of the customary marks of administrative

difficulty in any organization. To work for its improvement is praiseworthy, but to abandon an organization because of a weakness inherent in most organizational life, even that of our own church, would hardly seem to be justified.

5. The fact that the cooperative nature of the National and World Council of Churches forbids a forthright declaration of faith which includes specific affirmations of various Christian doctrines, is considered by some to be a weakness. As was noted before, however, these Councils are not churches, but Councils of churches, each one of which makes its own specific doctrinal affirmations. They are all united at the center, boldly declaring their faith that Jesus Christ is "Divine Lord and Saviour." The Councils have refused membership to those churches, such as the Unitarian and the Universalist, who cannot subscribe to this belief. Should they begin to make further doctrinal affirmations, they would soon be divided among themselves as the member churches are from each other in doctrinal matters. Thus the whole purpose of bringing together those who, in loyalty to Jesus Christ, differ in their interpretation of the faith, would be defeated.

6. Your committee shares in the deep concern of many over questionable pronouncements on social, economic, and political questions. We are in agreement that the Christian faith must be announced not in principle alone, but must be applied to the concrete realities of the sinful situation in which we find ourselves. For that reason, we do not quarrel with the efforts of the National Council to relate the faith to all aspects of our individual and corporate life. It is all too easy at times, however, for religious leaders to make pronouncements on intricate questions in which they are amateurs, and to go beyond the persuasive role of the church in confronting the world with the gospel by becoming political lobbyists or partisan advocates. We are convinced that, with all good intentions, the Council has on some occasions seemed to succumb to this temptation, and has therefore embarrassed the members of its constituent churches. As a church, we deplore this. Although we feel that we ought to maintain our membership in the National Council, we also feel that the Council should avoid extreme public pronouncements which may compromise the role of the church as a witness to the gospel above party, class, or social theory.

We also strongly protest the utterances of individual Staff or Council members who seemingly speak for the Council and its member churches, yet speak only their personal views. Although the Council disclaims responsibility for the public utterances of such individuals, it is our opinion that the Council does have some responsibility in this regard, and should do all within its power to discourage such utterances, and give due publicity to the correction of such misunderstandings as arise from this source.

RECOMMENDATION

In the light of the foregoing considerations, our answer to the directive of the General Assembly to our Committee is as follows:

It is the judgment of our Committee, after investigating the charges made against the National and World Council of Churches, and weighing the advantages and disadvantages of membership in them, that our church should maintain its membership in both. To withdraw from either would be a regrettable step which we cannot believe our church desires to take.

F. WORLD PRESBYTERIAN ALLIANCE

Our Church is one of eleven North American Churches which are members of the Alliance of Reformed Churches throughout the World Holding the Presbyterian System. The North American Area Council, consisting of 100 delegates, meets annually.

The Administrative Committee of the North American Area meets three times each year.

Dr. Ralph W. Lloyd is North American Secretary and Mr. John Visser, Milwaukee, Wisc., is Treasurer. Total receipts for the Area for 1956 were $27,157, with expenditures totaling $24,907. Each member Church pays as dues six mills per communicant member.

Dr. John A. Mackay is President of the World Alliance. Dr. Marcel Pradervand, a minister of the Swiss Reformed Church, is General Secretary, with office in Geneva. Nearly $150,000 has been contributed for restoration of John Calvin's Auditorium in Geneva. An additional amount of $25,000 is needed to furnish it as a place of worship. Our Church contributes to this project through the Interchurch Agencies Fund.

RECOMMENDATION

That these reports be adopted and that the Presbyterian Church, U.S., continue its relationship with the National and World Councils.

Respectfully submitted,

WALTER E. COURTENAY, *Chairman*

X. REPORT OF THE PERMANENT COMMITTEE ON CHRISTIANITY AND HEALTH

Your Permanent Committee on Christianity and Health held two meetings in the conference room at the Presbyterian Center in Atlanta, Georgia. Both meetings were well attended.

The first meeting was held November 12-13, 1956. At this meeting the committee organized itself as follows in accordance with the directive of the 1956 General Assembly:

Class of 1957:
- Dr. Charles Phillips
- The Reverend S. S. Wiley
- The Reverend Allison Williams

Class of 1958:
- Dr. L. Nelson Bell
- Dr. Thomas D. Sparrow
- Dr. William E. Knight

Class of 1959:
- Dr. Lila Bonner Miller
- The Reverend W. Priestly Conyers, III
- The Reverend Wade H. Boggs, Jr.

The committee received from the 1956 General Assembly the following assignment: that the Permanent Committee on Christianity and Health "meet at least once each year and (be) charged with the responsibility of keeping this important area of our mission as a Church before our membership, and of providing positive help by encouraging the publication of . . . reviews of books and articles on this subject, the setting up of local and area groups and conferences which would have this subject as their concern, the encouraging of cooperation between clergy and physicians, and/or any other things which may seem to them appropriate."

Since with one exception the personnel of the Permanent Committee were new appointees, most of the first meeting was devoted to a study of the reports of the Ad Interim Committee on Christianity and Health in 1955 and 1956, to exploring each other's thoughts with reference to the problems in this area, and to assigning responsibility for individual study by committee members of specific aspects of the task given us by the Assembly.

At its second meeting on February 4, 1957, the committee proceeded to the hearing of reports from its members on tasks assigned in the previous meeting, and to the formulation of the following report which summarizes our progress to date with reference to our assignment.

I. A letter has been sent to the editors of seven of our church papers and magazines communicating to them the expressed desire of our Assembly that they give attention to the publication of articles and reviews of books related to this area. Numerous articles and reviews have been published this past year, including no doubt many that would have appeared in the natural course of events. Specifically, three articles

and two book reviews in the field of Christianity and Health appearing over the signature of the chairman of your committee have been published in recent months. An article entitled *Faith Healing Cults* appeared in the January 1957 issue of "Interpretation"; an article entitled *Health, Healing and the Will of God* appeared in the October 8, 1956 issue of "The Presbyterian Outlook"; an article entitled *The Faith Healers and Their Claims* appeared in the October 1956 issue of "Presbyterian Survey." Reviews of A. Graham Ikin's book, *New Concepts of Healing,* appeared in the October, 1956 issue of *Action,* and of Emily Gardiner Neal's book *A Reporter Finds God Through Spiritual Healing,* in the January 21, 1957 issue of "The Presbyterian Outlook."

II. Several pilot discussion meetings between physicians and clergy, and conferences on Christianity and Health have been arranged by our committee in various areas of our Church. One of these, a two-day conference, planned by the Ad Interim Committee before its dissolution, was held at the General Assembly's Training School in Richmond, Virginia, August 2-3, 1956. Four doctors, one nurse and thirteen ministers traveled at their own expense to Richmond, Va. Participants in this conference were:

W. B. Blanton, M.D., Richmond, Va.
Lila Bonner Miller, M.D., Atlanta, Ga.
Neta Shuping, nurse, Richmond, Va.
H. F. Webb, M.D., Sealevel, N. C.
W. P. Williamson, M.D., Kansas City, Kansas
Irvine H. Williams, Pastor, First Presbyterian Church, Orange, Texas
W. T. Thompson, Moderator, Presbyterian Church, U.S., Richmond, Va.
E. T. Thompson, Professor, Union Theological Seminary, Richmond, Va.
Herbert Spaugh, Pastor, The Little Church on the Lane, Moravian, Charlotte, N. C.
W. B. Oglesby, Jr., Professor, Union Theological Seminary, Richmond ,Va.
Oren Moore, Jr., Pastor, Front Royal Presbyterian Church, Front Royal, Va.
Henry Mobley, Pastor, Oakland Ave. Presbyterian Church, Rock Hill, S. C.
Thomas H. McDill, Professor, Columbia Theological Seminary, Decatur, Ga.
Charles E. S. Kraemer, President, General Assembly's Training School, Richmond, Va.
Jesse Hutcheson, Pastor, Buena Vista Presbyterian Church, Buena Vista, Va.
Arthur Vann Gibson, Pastor, Morningside Presbyterian Church, Atlanta, Ga.
Patrick H. Carmichael, Dean of Faculty, General Assembly's Training School, Richmond, Va.
W. H. Boggs, Jr., Professor, General Assembly's Training School, Richmond, Va.

In addition, Dr. William Knight reported on plans for an area meeting between physicians and clergymen in or near Fort Smith, Arkansas; The Reverend Allison Williams reported on plans for a panel discussion between physicians and clergy in the Atlanta area; and the Rev. Sam Wiley reported a cooperative effort between pastors and the Mental Health Clinic in Chattanooga, Tennessee. The findings of all of these pilot conferences and area meetings will be carefully studied by your committee at its scheduled summer meeting, and the results utilized in our continuing efforts to encourage and guide other such meetings and cooperative efforts.

III. Our committee was instructed by the 1956 General Assembly to keep before our Church membership its important mission in the area of health. We were deeply impressed with the comprehensiveness, the common sense, the sound Biblical truth of the statements given the Assembly in 1955 and 1956 by the Ad Interim Committee on Christianity and Health. Nevertheless, in order to comply with the last Assembly's expressed desire, we felt there would continue to be a need to deal with specific aspects of this subject in the form of written reports. This year we have undertaken to give a sound interpretation of one of the classic New Testament passages dealing with sickness and health, James 5:13-16a. Incorrect interpretations of this passage have furnished support for many of the bizarre practices and unjustifiable claims trumpeted abroad in the name of the Christian religion by faith healers. It is our purpose in the following paper not only to refute the distortions of the faith healers, but also to bring into proper focus the positive elements in James' program in behalf of the sick. It is our recommendation that this paper together with the reports of 1955 and 1956 be used by local congregations and groups within a congregation as bases of group study and discussion. We have entitled our paper.

The Christian Faith and Good Health

"Is any one among you suffering? Let him pray. Is any cheerful? Let him sing praise. Is any among you sick? Let him call for the elders of the church, and let them pray over him, anointing him with oil in the name of the Lord; and the prayer of faith will save the sick man, and the Lord will raise him up; and if he has committed sins, he will be forgiven. Therefore confess your sins to one another, and pray for one another, that you may be healed." (James 5:13-16a.)

"Is any one among you suffering?" Beginning with these words James not only gives expression to a divine concern for those who are sick, but also goes on to suggest that there is some connection between the Christian faith and good health. In this passage, he mentions five specific things that may be done by or for the sick.

1. Let the sick person pray. (James 5:13a.)

James' first recommendation for the suffering person is, "Let him pray." For what should prayer be made in time of sickness? Of course it is natural and inevitable that petition should be made for restoration of health; "Let this cup of suffering pass from me!" But it must be remembered that real prayer goes on to add, "nevertheless, not as I will, but as thou wilt." The true purpose of prayer is not to persuade God to change his plans, but rather, being convinced of the wisdom and love of God, and knowing that he alone is deserving of our unconditional trust, we therefore submit ourselves to him, saying, "*thy* kingdom (or rule) come, *thy* will be done." Should we be unwilling to submit to God's rule over us, such resistance unfits us to receive physical and spiritual blessings from him.

Once this fundamental truth about prayer is accepted, we may go on to describe the role of prayer in the maintenance and restoration of health.

a) Prayer is the means by which fellowship with God is maintained. Without such fellowship harmonious relations with other people are unlikely, and harmonious functioning of the various parts of the self—mind, will, emotions, glands and organs of the body—becomes an impossibility. Daily prayer, therefore, plays an important role in prevention of conflicts which lead to sickness even when we are healthy and cheerful. In times of suffering it is particularly important and appropriate that the child of God be aware of the presence of his heavenly Father, of whose love he is assured. It makes a great deal of difference whether the sick person believes himself to be fighting a lone battle for health in an alien universe, or whether he is conscious of a divine Presence, supplementing and reinforcing the work of the doctor with invisible and immeasurable power.

b) Prayer is the means by which we surrender all negative emotions or attitudes which might hinder the effective release of the healing forces that God has put into the human body and with which the doctor only cooperates. Through prayer we push self aside as the controlling center of life and realign ourselves with God and His purposes for us. Insofar as we cease all rebellion against God and trust our lives and destinies unreservedly to Him, insofar as we permit Him to rule over us, insofar as we put ourselves at His disposal, we shall to that extent rid ourselves of damaging emotions and attitudes such as self-centeredness, anxiety, fear, hate, anger, hostility, bitterness, resentment and prejudice.

c) James adds that it is also the responsibility of Christian people in times of sickness to "pray for one another." (James 5:16.) The exact way by which God uses intercessory prayer as a channel for His blessing may be beyond our comprehension, but it is clearly enjoined, and there is every reason to believe that power for healing is often thus released. In general, corporate prayer for the sick should have the same objectives which have been mentioned as appropriate for individual prayer.

2. Pray in faith. (James 5:15a.)

Next, James indicates that only the "prayer of faith" will be effective in saving the sick. The faith to which James here makes reference is the faith of the Christian friends of the sick person. Of course, one man's faith can never be employed as a substitute for another man's, but it may often have the effect of inspiring or strengthening the faith of the sick person himself. But what does James mean by "faith"

a) Surely he would agree that there must be no doubt in the mind of the person praying about God's power to heal. The Christian should not find it difficult to believe that the God who originally gave life also has power to prolong life by destroying

disease. No limitation whatsoever should be placed on the power of the Creator of the ends of the earth.

b) But it is important to remember that by "faith," James means much more than intellectual assent to a proposition, even to the proposition that "all things are possible with God." (Mark 10:27). James in his second chapter has already made it clear that a faith which does not issue in works profits a man nothing. (2:14). True Christian faith therefore results in an orderly and disciplined life of obedience to God's laws of health. Neither prayer nor faith would help a sick person recover from the adverse effects of overeating so long as he persisted in gluttony. The prayer of faith for healing can only be prayed by one who avoids a life of over-indulgence and intemperance, by one whose faith proves its genuineness by obedience to God's fundamental laws of health.

c) Also involved in Christian faith is the belief that God has a divine purpose for each one of us. Insofar as I believe that God has a purpose for my life, and insofar as I am willing to do God's will, my Christian faith reinforces my will to live, and thus becomes an important factor both in the maintenance and in the recovery of health.

3. Let the sick person call for the elders of the church. (James 5:14.)

James' next suggestion is that the sick person call for the elders of the church, who will visit him and pray with him. We recognize that visits to the sick can be prolonged to the point of hurting the patient's recovery. We realize that unwise and harmful comments can be made in the patient's hearing. But the practice of medicine can also be carried on in unwise and harmful ways. In neither case do abuses constitute an argument against the validity and helpfulness of the practices themselves. To neglect either is to deprive the patient of resources that have tremendous therapeutic values.

a) James recognizes that it is usually impractical for an entire congregation to visit a sick member. Hence he suggests that the visit be paid by the elected official representatives of the church. The pastor who is also an elder, a member of the session who has been freed from worldly cares and avocations, will do much of this visiting of the sick, but James clearly states that this obligation is to be shared by the other elders also.

b) Notice that the sick person is to "call for the elders." He is not to wait passively wondering whether or not Christian friends will happen to learn of his illness. He is to notify the session of his sickness; he is to request a visit.

c) Whether the pastor visits by himself, or whether other members of the session or congregation make the visit, one of the main purposes should be to let the patient understand that they represent the entire congregation, and that he is not alone in his battle against sickness, but rather is surrounded by the Christian love and affection of the entire brotherhood. Thus do they become channels through which is mediated something of the divine love and concern for each individual person. The awareness that Christian friends are concerned, uplifts the patient in his spiritual struggles, and supports him in his efforts to regain health.

4. "Confess your sins to one another." (James 5:16a.)

a) James further recommends that those who are sick should confess their sins, in the confidence that God is faithful and just to forgive us. (5:15b, 16.) Of course everyone of us, whether sick or well, ought to confess his sins. But since James' reference to confession occurs in a paragraph dealing with the subject of sickness and health, we may be sure that numerous connections between guilt and sickness had come to his attention. Old Testament writers were aware of such connections (Deut. 28:58-61, Psalms 32:3-4, and 107:17-20), and at least twice in his healing ministry, Jesus traces sickness to an unrelieved sense of guilt (Matt. 9:2, John 5:14a). So it would appear that an experience of confession, repentance and forgiveness may sometimes be essential to recovery of health.

b) Protestants who believe in the priesthood of all believers are convinced that ordinarily such confession should be made directly to God. But if a person feels so alienated from God by his sins that he has difficulty in receiving assurance of pardon, it may be advisable for him to have a spiritual counselor to serve as a witness to this transaction between the soul and God. Although James does not in this passage state to whom confession should be made, and thus leaves us free to choose who may seem best, yet we may suppose that pastors are ordinarily better qualified than others, and our choice ought therefore to fall mainly upon them.

c) James does not say, nor does the Bible as a whole teach, that *all* sickness is caused by sin, or that healing for the body is *always* a benefit of the Atonement. There may frequently be such connections, but to assert that these relations are always true is to create a needless and harmful sense of guilt in many who are innocent sufferers. It is to arouse expectations and hopes which are unsupported by the Bible. Jesus on at least two occasions confirmed the insight of Job that our suffering is not always in proportion to our sin. The disciples seeing a man blind from his birth asked Jesus, "who sinned, this man or his parents, that he was born blind?" Jesus answered, "It was not that this man sinned, or his parents . . ." (John 9:2-3a.) Again, Jesus taught concerning the eighteen upon whom the tower in Siloam fell, "do you think that they were worse offenders than all the others who dwelt in Jerusalem? I tell you, no . . . (Luke 13:4-5a.)

We have now briefly expounded four elements in James' program in behalf of the sick. In all four of these ways, James suggests the importance of non-physical components in sickness. In all of these ways he stresses the importance of spiritual factors in the recovery from disease.

5. Let the sick person be anointed with oil. (James 5:14b.)

a) Finally, James advises that the sick person be anointed (literally "oiled") with oil in the name of the Lord. (v. 14.) Interpreting Scripture by Scripture, we note that in Biblical times, oil was in common use for medicinal purposes. According to Isaiah (1:6b) it was used to soften wounds. Hence the good Samaritan, after bandaging the wounds of the victim of the thieves, pours on oil and wine. (Luke 10:34.) Of course James does not mean that oil was always to be used, regardless of the nature of the illness. Other medicines were also used in Biblical days. (Cf. II Kings 20:2-11, I Tim. 5:23, John 9:6-7.) It seems clear that James used oil as typical or representative of all medicines. So we today should not limit ourselves to New Testament medicines; rather we should use prayer in conjunction with the best medical procedures recommended by trained physicians of our day. The point is, James believed there was no conflict between faith in God and the use of medicinal remedies. He taught that prayer should be used in conjunction with the best medicine available.

b) Such an interpretation of James' words is in complete harmony with the teaching of the rest of the Bible. Whether a healing occurs with or without the help of physicians and medicines, the Bible characteristically credits God with the cure. It knows no tension between these two kinds of cures, because it teaches that all healing is from God.

c) So James in this passage attaches value to individual and corporate prayer for the sick, to faith, to pastoral visitation of the sick, to confession of sin and forgiveness, and to medicinal helps. But when healing comes, James wants us to understand that it is *God* who raises up the sick (5:15), it is God who heals all our diseases (Psalm 103:3). For it is God who graciously provides all five of these ways by which the human family can be helped in its battle against sickness. To use only some of these, and to neglect others, is to spurn help which God Himself has made available to us.

6. Conclusion.

We may accept every one of James' statements as true, but there is grave danger in accepting them in an unqualified sense apart from the light of other relevant passages of Scripture.

a) James does not mean to say, and certainly the Bible as a whole does not support the conclusion, that the Lord will *always* raise up the sick in response to prayers of faith, for then there would be no death. Such a conclusion would be a denial of the Scriptural teaching about human mortality. And were God to answer in the affirmative every sincere prayer offered to Him, He would in effect be abdicating as ruler of the universe, and turning its control over to the human race. Prayer should always be presented in the attitude, "Thy will be done."

b) Moreover, many people today are tempted to invert the Christian scale of values by placing physical health above all other values in importance. To the contrary, the Bible teaches that Christlikeness in character is the pearl of greatest value. The rule of God, not health, wealth and happiness, is to be sought first. Sickness is not therefore necessarily to be regarded as the worst evil; we cannot even say that it is always contrary to the will of God. James in his first chapter writes that the testing of our faith by adversity produces steadfastness, thus enabling us to make progress toward

Christian perfection. (1:2-4.) Sickness and suffering can and often do stimulate our growth toward Christian maturity. "We know that *in everything* God works for good with those who love Him, who are called according to His purpose." (Rom. 8:28.)

c) On the other hand, much suffering is needless, in that we bring it upon ourselves or others by our sins and our follies. Assuredly God does not will this kind of suffering. Much additional suffering can be progressively eliminated as the human family intelligently marshals its resources, and by cooperative effort makes medical, scientific and spiritual advances in understanding the causes of sickness, and in discovering effective remedies. Such struggle against remedial suffering is consonant in every sense of the word with the Christian faith, because it is obedience to that primal command, Subdue the earth (Gen. 1:28), because it is in harmony with our Father's will for the human brotherhood that its members should be related to one another by love, the strong bearing the burdens of the weak (Gal. 6:2), and because this struggle makes its indispensible contribution to the development of strong Christian character.

Respectfuly submitted,

Permanent Committee on Christianity and Health,

WADE H. BOGGS, JR., *Chairman*

XI. NINETEENTH ANNUAL REPORT OF THE ASSEMBLY'S COMMITTEE ON THE MINISTER AND HIS WORK

The Assembly's Committee on the Minister and His Work is glad to report considerable progress in this area of the life of our Church during the past year. There are undeniable signs which point to the fact that Committees and Commissions on the Minister and His Work have approached maturity. In the first place, these Committees and Commissions have been accepted generally throughout the Church. In the second place, these Committees and Commissions are conscientiously endeavoring to discharge the responsibilities which have been laid upon them. Lest there be any misunderstanding, Committees and Commissions are assisting churches seeking pastors and ministers who might be available for calls.

I. OFFICERS OF THE ASSEMBLY'S COMMITTEE

The officers elected by the Committee to serve for the year 1957 are:

Rev. Harry B. Wade, *Chairman;* Judge John A. Fulton, *Vice-Chairman;* Rev. J. Clyde Plexico, Member-at-Large of the Executive Committee.

Dr. Wade was commended for his leadership of the Committee during the past year.

Mr. R. Graham White was re-elected to serve the Committee as secretary for another three-year term. The Committee expressed its sincere appreciation of Mr. White and of the excellent work he has done through the years.

RECOMMENDATION: That the General Assembly give its approval of the re-election of Mr. R. Graham White as Secretary of the Assembly's Committee for a three-year term.

II. SUPPLEMENT TO MINISTERIAL DIRECTORY

Commissions of Presbyteries and nominating committees of pastorless churches have found the MINISTERIAL DIRECTORY of the Presbyterian Church, U.S., helpful. Dr. E. C. Scott, Stated Clerk of the General Assembly, has prepared a supplement to the MINISTERIAL DIRECTORY which covers the period from 1951 to 1956. The Committee commends the supplement to Commissions and nominating committees.

III. DATA FORM (FOR SEMINARY SENIORS)

The Data Form which was approved by the 1953 General Assembly was designed primarily for use by ministers who have served at least one pastorate. There has been a need for a companion form for use by seminary seniors and one has been developed. The text is as follows:

IV. Resolution III, Page 48, 1956 General Assembly Minutes

The 1956 Assembly referred the above Resolution to this Committee for study and report. It was assigned to a sub-committee composed of Col. D. T. Moore and the Rev. Z. V. Roberson. The report of the sub-committee, adopted by the Committee follows:

DIGEST OF REPORT ON RESOLUTION PRESENTED BY THE REV. J. McDOWELL RICHARDS TO THE 1956 GENERAL ASSEMBLY

Introduction

The Rev. J. McDowell Richards submitted the following resolution to the 1956 General Assembly (page 48 of the Assembly Minutes):

> "WHEREAS it is desirable under the Presbyterian System that there be opportunity for ministers to change the field of their pastoral labors at reasonable intervals, and
>
> "WHEREAS many ministers today are experiencing difficulty in making such changes, with the result that both the ministers and the congregations concerned are prevented from rendering their most effective service;
>
> "THEREFORE be it resolved that this General Assembly, through its Moderator, appoint an Ad Interim Committee consisting of at least five persons to study this matter, to seek suggestions from qualified individuals throughout the Church, and to report to the next General Assembly, making such recommendations concerning our system for exchange of pastorates as it deems wise and practicable."

Instead of referring the matter to an ad interim committee it was referred to the Assembly's Committee on the Minister and His Work.

A sub-committee composed of Col. D. T. Moore and the Rev. Z. V. Roberson was appointed for this study. This report is the result of research, correspondence and conversations. There are many ramifications which do not appear at first glance and many of these are called to attention herein.

1. Definition of a Minister

(A) Definition of a Minister of the Word by the Presbyterian Church, U.S.

The definition of a minister is given in Paragraphs 33 through 39 of our Book of Church Order. He: (1) holds the first office of the Church, in dignity and usefulness; (2) must be prudent and wise; (3) has oversight of the flock of Christ, feeds the flock spiritual food, is sent to declare the will of God to sinners, bears the glad tidings of salvation, expounds the Word and dispenses the manifold grace of God; (4) must possess competency of human learning, be blameless in life, sound in the faith and apt to teach, (5) should exhibit sobriety and holiness of life, and rule his own house well; (6) prays for and with the people, directs the congregation in singing unto the Lord, administers the sacraments, catechises children and youth, oversees the educational program of the church, visits the people, especially the sick, afflicted and dying and with other Elders exercises the joint judgment of government; (7) may be called to teach in a college or theological seminary or to serve in an administrative capacity, appointed as an evangelist or commissioned as a missionary.

(B) Popular Definition of a Minister.

A minister today is looked upon as a specialist instead of a general practitioner. The demand is that ministers increasingly become experts in only a few areas of the ministry. Administrative, organizational and promotional roles have increased in importance in churches of all sizes.

2. Recruitment for the Ministry

(A) Whose Responsibility?

This question could have been answered more easily in days gone by when the home was afforded a position of greater meaning and influence and carried more distinct lines of responsibility. In a changing culture many of these responsibilities have been assumed by others. The responsibility for recruitment is jointly with the home, the local church, presbytery, colleges, seminaries and various departments of the Church, such as the Candidate Division of the Board of World Missions, Department of Christian Vocation of the Board of Christian Education, and Town and Country Church, Urban Church and Negro Work Departments of the Board of Church Extension.

(B) Is the Selection of Candidates Taken Seriously by Church Sessions and Presbyteries?

It has been noted some Sessions are willing to approve young men simply on the basis of membership in the church. Such Sessions fail to inquire deeply into such matters as qualifications and motivations.

Apparently some presbyteries approach the matter too lightly. The Book of Church Order gives the presbytery an intimate relationship in the areas of counsel, advice and encouragement toward its candidates.

(C) Is There a Need for More Adequate Screening?

Some denominations have established standard screening procedures. The results obtained have been highly satisfactory.

(D) Should There be More Rigid Oversight of the Training of Candidates?

The question applies to all candidates. It applies particularly to those who attend non-accredited or semi-accredited colleges, universities and theological schools. Some educational institutions, independent or semi-independent, are divisive in their teachings. Such independent or semi-independent institutions lack a natural stream through which their graduates would flow normally into a denomination.

(E) Do Our Candidates Come from Rural Communities and Small Churches?

This may have been true fifty years ago. A survey of the seniors who graduated from our seminaries in 1956 showed the following:

	Rural	Town	Suburban	City
Austin Seminary	1	9	2	11
Columbia Seminary	7	9	3	26
Louisville Seminary	4	10	--	15
Union Seminary	3	10	3	27

(2) Membership of Churches from which seniors came:

	1-49 Members	50-99 Members	100-250 Members	251-500 Members	501-999 Members	1,000 & More
Austin Seminary	1	--	9	4	3	6
Columbia Seminary	1	2	13	8	9	12
Louisville Seminary	--	--	6	14	8	2
Union Seminary	–	–	6	14	8	15

3. Minister's Personal Competence and Adjustment

(A) Such things as theological viewpoints, professional and social relationships, exalted opinions of self, super-ego, or over-ambition work as deterrents against ministers receiving calls to churches. It is one thing for a minister to have an ambition for the part he may play in the on-going of the Kingdom. It is another thing to be motivated only for personal advancement.

(B) Do the Pressures of the Church and Society Affect the Minister?

Some ministers feel a sense of frustration. Most ministers refuse to allow prejudices to interfere with their work or to deter them from it. This group has adjusted happily.

(C) What About the Minister Who Flaunts the Value of the Community in Which He Serves?

The section of the country in which our Church serves is undergoing an industrial revolution. The accompanying problems are varied and deep-rooted. One school of thought would have the minister playing the role of a fire-brand or agitator. Another viewpoint sees the minister living serenely in the midst of turmoil and strife. The minister should face the problem in the light of his calling rather than according to his personal preference.

(D) Is There Need for Continued In-Service Training?

Seminary libraries are helpful in this area. Seminary facilities also are available toward advanced graduate study. Some synods provide summer and other conferences for ministers. Synods and presbyteries could study the advisability of conducting regular annual seminars and preaching clinics and ministers should be encouraged in attendance.

(E) What About Pastor to Pastor Relationship in Counselling and Guidance?

This woud apply in the relationships between young ministers and those in the mature years of life. The young minister may feel reticent about approaching a mature minister. The mature minister may be too busy to seek out his young friend. The value to each of an intimate relationship should not be overlooked.

(F) What About a Pattern of Short Pastorates?

Such a pattern is set easily and ofttimes unconsciously. Once set it is difficult to change. Some of the reasons underlying such a pattern are: a sense of frustration or insecurity, lack of courage to face problems, inability to cope with situations, inordinate personal ambition and clashes between personalities. Ministers need to plant and cultivate deep roots. This can be done only over a period of years.

(G) Does the Minister's Wife Play a Part in Her Husband's Competence and Adjustment?

Very definitely. She should have a divine sense of vocation. At the same time she should understand hers is a subordinate position.

4. WHAT ARE THE ATTITUDES OF CHURCHES TOWARD MINISTERS?

(A) In many churches excellent attitudes prevail. These are the churches which find through prayer the answers to major problems. It is these churches which experience happy and fruitful ministries.

(B) What About Domineering Church Officers or Members?

These are among the most difficult attitudes assumed by Christian people. Sometimes such attitudes are subtle and often they are openly expressed. Could they be expressions of immaturity?

(C) Do Churches Expect Frequent Changes in Pastors?

Most churches expect and hope for long pastorates. Some, however, expect frequent changes. In such there may be lacking a definite sense of Christian challenge.

(D) Do Churches Look Upon Ministers as "Hired Hands?"

Unfortunately this is true but fortunately only to a small extent. When it does occur, and when a major question arises the congregation knows only one answer; and it is economic. It is a cold, calculating attitude and does not reflect the best Christian teachings and practices.

(E) Are Age Barriers Against Ministers Erected by Churches?

It has been assumed that churches are interested only in calling younger ministers. An analysis of the changes in pastorates during 1956, excluding seminary seniors who accepted their first calls, showed the following:

Age Group	No. of Ministers*	No. of Changes	% of Change
20-29	355	38	10.7
30-39	746	128	17.2
40-49	635	82	12.9
50-59	501	49	9.8
60-69	378	16	3.2
70 and Over	101	8	7.9

*(Note: For the purposes of this report the records of the Board of Annuities and Relief were used. These are the ministers who have membership in the Minister's Annuity Fund.)

5. THE FLOW OF OBJECTIVE AND SUBJECTIVE INFORMATION ABOUT MINISTERS AND CHURCHES, AND FORMAL AND INFORMAL MEANS OF CHANGING PASTORATES

(A) In some denominations it is approved and accepted practice for ministers to take the initiative toward pastorless churches. In our Church, however, this practice definitely is frowned upon. The preliminary steps in changes in pastorates within the Presbyterian Church, U.S., ordinarily are taken by local churches and the Commissions on the Minister and His Work of presbyteries.

(B) Methods by Which Objective Information is Gathered and Disseminated.

At the outset, in our terminology objective information about ministers excludes all evaluations. Such information is gathered by the office of the Assembly's Committee on the Minister and His Work for use by Commissions of Presbyteries and pulpit nominating committees of pastorless churches.

Ministers, likewise, desire objective information about churches which take steps in their directions. Such may be obtained from Church Surveys prepared by officers of pastorless churches, Stated Clerks of Presbyteries, Commissions on the Minister and His Work and others who are aware of the facts pertaining to such churches.

(C) Methods by Which Subjective Information is Gathered and Disseminated.

Subjective information covers evaluations of a minister's sermons, his effectiveness, and diligence in attendance to pastoral duties, his efficiency as a church administrator, and his attention to the importance of church courts. It may be obtained from Stated Clerks of Presbyteries, Commissions on the Minister and His Work, and people who have knowledge of the minister and the church he serves.

Subjective information is the judgment of a minister's peers. Is it sound? Is it unbiased? Is it fair? These questions should be considered carefully.

There is neither a set pattern nor a definite rule for gathering subjective information. Such information should be treated in the strictest confidence.

(D) Is There an Easy Flow of Ministers from East to West and Vice Versa?

The dividing line between east and west is the Mississippi River. There is an easy flow of ministers from east to west. There is not an easy flow from west to east. An easy flow is needed in both directions at all times.

(E) Is There Need for More Changes in Pastorates?

During the period from 1950 through 1955 the following changes in pastorates occurred:

Year	No. of Changes	No. of Ministers	% of Change	No. of Churches	% of Change
1950	378	2,717	13.9	3.647	10.4
1951	397	2,795	14.2	3,665	10.8
1952	424	2,852	14.9	3,706	11.4
1953	437	2,954	14.8	3,733	11.7
(Short 1953 year)	371	3,068	12.1	3,776	9.8
1954	489	3,197	15.3	3,805	12.9
1955	437	3,292	13.3	3,852	11.3

There must be a certain degree of fluidity for our system of change to function properly. However, on the one hand, there can be too much change, and, on the other hand, there can be too little change. National or sectional economic conditions contribute to rapid or little change.

6. DISFUNCTIONAL ELEMENTS IN OUR PRESBYTERIAN SYSTEM

(A) Irresponsible Presbyteries.

A presbytery is responsible for the candidates under its care, ministers who are members of it, and churches within its bounds. It is a stream which flows in two directions: to the presbytery and from it.

(1) What about the presbytery which ordains men, or receives ministers from other denominations, whose education are sub-standard according to our requirements? Reference has been made to this under Section II, (D), above. Whenever this happens a problem for the future may be created. Where will the minister go when he wishes to have a change in pastorates, or a change becomes necessary, unless he stays in the same presbytery? Thus the responsibility instead of remaining unilateral becomes bilateral as it affects other presbyteries and the entire denomination.

(2) What about the attitude taken by a presbytery in which a difficulty within a church has arisen making it necessary for a minister to have a change in pastorates?

The presbytery or its Commission should go into such situations carefully and should determine the facts. These facts should be divulged to responsible persons or agencies of the presbytery to which such a minister would move. Too often the attitude prevails that if the minister receives another call nothing will be said, at least openly, and this especially is true if he is at fault or if he is guilty of some grave charge.

(3) What about the presbytery ordaining a minister or receiving one from another denomination, who at the time is a potential disability case?

The demands on the ministry call for strong spirits, minds and bodies. Recent case histories which the Board of Annuities and Relief have shared lead us to believe some presbyteries are woefully lax in this matter. Whenever it results our ministerial relief funds are diluted, and our Ministers' Annuity Fund is jeopardized.

(B) The Commission on the Minister and His Work Which Fails to Discharge its Responsibilities.

Paragraphs 96, 127, 129, 147 and 232, Book of Church Order, apply to the activities of Commissions and serve as a guide for their activities. Most Commissions definitely are responsible and are performing a wonderful service to our Church and its ministry. There are a few which fail to function properly. Such failures may be due to the following three causes:

(1) Lack of knowledge of the Book of Church Order.

(2) Lack of a desire to apply the Book of Church Order.

(3) Failure of presbytery to provide proper financial support of its Commission. Members of such Commissions are penalized in that they have to bear the expense of attending to the presbytery's business.

7. Voluntarily Limited-Term Calls

One possible answer to the Resolution is by use of a plan of voluntary limited-term calls. The sub-committee in approaching this phase directed a questionnaire to church sessions through Presbyteries' Commissions on the Minister and His Work. Another questionnaire was sent to 500 ministers concerning voluntarily limited-term pastorates selected from the various presbyteries. The results of these questionnaires by states are as follows:

	Number Replies	Sessions Yes	?	No	Ministers Yes	?	No	Number Replies
Alabama	34	19	3	12	2		9	11
Arkansas	10	3	1	6	6	1	2	9
Florida	15	5	2	9	12		10	22
Georgia	70	25	6	39	14		14	28
Kentucky	17	9		8	9		3	12
Louisiana	32	10	2	20	6		13	19
Maryland & D.C.	9	3		6	7		2	9
Mississippi	41	12	3	26	3		2	5
Missouri	25	9	2	14	2	1	8	11
North Carolina	67	28	3	36	20	1	17	38
Oklahoma	9	5		4	5		1	6
South Carolina	97	31	7	59	12		10	22
Tennessee	55	21	3	31	11		5	16
Texas	108	52	4	52	15	1	17	33
Virginia	122	59	8	55	38	1	27	66
West Virginia	46	20	6	20	22		10	32
New Mexico	1			1				
?	5		2	3				
TOTAL	761	311	52	400	184	5	150	339

Church sessions, on the one hand, oppose voluntary limited-term pastorates by a ratio of four to three. Ministers, on the other hand, are in favor of it by a ratio approximating four to three. At least three-fourths of both sessions and ministers stated the matter of voluntary limited-term call should be given further study.

8. Conclusion

The sub-committee found its study an interesting experience. It desires to thank those who graciously responded. It also thanks Mr. Graham White, Secretary of the Assembly's Committee, for his cooperation and efficient help.

The committee believes the question, in which a great number is interested, has been brought to the attention of the Church. While by no means are all our people interested in limited-term pastorates there are many who want to see this study continued to a definite conclusion regardless of their personal attitude towards the question at this time.

RECOMMENDATIONS: That the General Assembly is requested to give an *en thesi* deliverance on the legality of a call by a church to a minister on a voluntary limited-term basis and to cite Paragraphs in the Book of Church Order which would prohibit such calls. We make this request:

(A) Because in addition to limited terms of service granted to men nearing compulsory retirement age, we feel there are particular times of tension and distress in the lives of some ministers and churches which could be relieved by a voluntary limited-term pastoral agreement. This agreement to be voluntary by both pastor and church and to be recommended to presbytery by the Commission on the Minister and His Work and, at the same time, the Commission to be responsible for proper change at the end of such term pastorate.

(B) Because we believe this action, if answered in the affirmative, would give sufficient aid and encouragement to enable Commissions to work out with ministers and churches the conditions causing unrest and tension.

(2) That permission be granted to continue this study for an additional year and furthermore for permission to bring to membership on this sub-committee persons on the outside whose thinking and experience would be valuable in the further consideration of the matter.

V. Comity Agreement

The 1955 General Assembly adopted Recommendation No. 4 of the Report of the Standing Committee on Interchurch Relations (page 70 of the Assembly Minutes) which reads: "That the General Assembly authorize and encourage its Boards and other agencies to explore and carry out, subject to the approval of the General Assembly, as much joint and cooperative activity within the sphere of their responsibility as may advance the cause of our Lord Jesus Christ."

The Assembly's Committee on the Minister and His Work and the Department of Ministerial Relations of the Presbyterian Church, U.S.A., enjoy a most happy and cooperative relationship. This is particularly helpful in view of the many ministers each year who transfer from one Church to the other. The Committee is glad to report a Comity Agreement has been executed with the Department.

VI. Film Strip and Record: "So Your Church Needs a Minister"

The Committee in 1956 through the facilities of the Protestant Radio and Television Center, produced the above filmstrip and accompanying long-playing record. It was produced for use by Commissions on the Minister and His Work in their negotiations with nominating committees of pastorless churches, and, in making reports to presbyteries and other groups. The film strips and records have been made available for Commissions on the following bases:

for purchase—$15.00 for the film and record
for rental—$1.00 for one showing
$1.50 for two showings
$2.00 for three showings

These may be obtained from the office of the Assembly's Committee, 341-A Ponce de Leon Avenue, N.E., Atlanta 8, Georgia.

RECOMMENDATION: That the film strip be commended to Commissions on the Minister and His Work.

VII. Synod Conferences on the Minister and His Work

Since 1950 Regional Conferences have been held regularly. The Assembly, for this purpose, was divided into four regions. In the fall of 1955 and the spring of 1956 Synod Conferences were held with the approval of the General Assembly. All of these

conferences were well-attended and were most helpful. It is the opinion of the Committee that hereafter only Synod Conferences should be held for the following reasons:

(A) Synod Conferences, unlike Regional Conferences, are attended by members of Commissions on the Minister and His Work in addition to Commission chairmen.

(B) The intimate and confidential nature of the responsibilities of Commissions means that discussions ofttimes may be conducted more safely at the Synod level than at the level of the Region.

RECOMMENDATIONS: (1) That the General Assembly approve annual Synod Conferences on the Minister and His Work to be held at the convenience of Synod's Committees on the Minister and His Work, Presbyteries' Commissions on the Minister and His Work and the Secretary of the Assembly's Committee.

(2) That Synod's Committee members and Presbyteries' Commission members be encouraged to attend such meetings, and that Synods and Presbyteries make provision for the expenses of their representatives.

VIII. FINANCES

The Assembly's Committee on the Minister and His Work submits the following financial statements which cover the actual expenses for the year 1956 and the anticipated expenses for 1957:

REPORT OF THE BOARD OF DIRECTORS OF COLUMBIA THEOLOGICAL SEMINARY

I. THE BOARD OF DIRECTORS

Columbia Theological Seminary is owned and controlled by the Synods of South Carolina, Georgia, Florida, Alabama and Mississippi. Its governing body is the Board of 21 Directors who are elected by the synods and charged with responsibility for the policies of the institution. The only new Director to be elected during the year is Rev. Neil E. Truesdell of Newberry, South Carolina, who was named by the Synod of South Carolina to succeed Ruling Elder Frank S. Hay of Charleston. The officers of the Board of Directors are as follows:

Chairman: Dr. P. D. Miller, Atlanta, Ga.
Vice-Chairman: Dr. J. R. McCain, Decatur, Ga.
Secretary: Rev. Donald B. Bailey, Kingstree, S. C.
Treasurer and Assistant Secretary: Miss C. Virginia Harrison, Decatur, Ga.

II. FACULTY

The faculty of Columbia Theological Seminary consists of its president, ten full time professors, one full time instructor, and seven guest professors who teach upon a part-time basis.

Dr. Richard T. Gillespie, Professor of Homiletics in the institution, resigned his position at the Seminary on January 1 to become pastor of the First Presbyterian Church of Anderson, S. C. It is expected that his successor in this office will be elected in the early future.

Professor Cecil Thompson is at present on leave of absence from his duties and is pursuing special studies in New York City preparatory to continuing his work as Professor of Missions and Evangelism.

Dr. J. G. S. S. Thomson of New College, Edinburgh, came to the Seminary at the beginning of the Winter Quarter as Associate Professor in the Old Testament Department and is rendering valuable service in that capacity.

It was the privilege of the Seminary during the Winter Quarter to have Dr. J. S. Whale of Cambridge, England, as guest professor in the Department of Systematic Theology. The two courses which were taught by Dr. Whale were largely attended and were received with great appreciation.

III. STUDENT BODY

The continued growth of the student body of the Seminary is a source of real gratification in the light of the needs of the Church. At the same time it has taxed the facilities of the Seminary to capacity and beyond, and faces us with the necessity to seek added resources for additions to our physical equipment and to our faculty. The school year 1956-57 has witnessed the largest enrollment in the history of Columbia Seminary up to this time. The enrollment of students for this year in the several classifications recognized has been as follows:

Graduate Students	25
Seniors	67
Clinical Students	7
Middlers	72
Juniors	75
Bible Training Course	6
Special Students	4
Total	256

The members of the student body represent 25 different states of the Union and 4 foreign countries. The degrees held by members of the student body were awarded by 79 different universities and colleges. Although the vast majority of the students are candidates for the ministry of the Presbyterian Church, U. S., there are 7 different denominations represented in the student body.

IV. FINANCES

The income of Columbia Seminary for current operations during the fiscal year which ended December 31, 1956, amounted to $208,959.67. The expense of operations

for the same period was $208,901.46, leaving an excess of revenue over expenses amounting to $58.21. Thus for the twenty-fourth consecutive year Columbia Theological Seminary has operated without any deficit for current expenses. The book value of the Seminary's campus and equipment at the end of the year is shown in the auditors' report as $1,377,957.17, and the total endowment of the Seminary was $1,295,203.58. There was an increase in the Seminary's endowment during the year of $157,530.47. Of this increase in endowment $111,112.35 represents profit to the Seminary through the sale of certain securities which had greatly increased in value, while $46,418.12 represents new gifts for endowment received during the year.

V. Visiting Lecturers

The Seminary was particularly fortunate in the distinguished group of lecturers who were heard during the annual Ministers' Week in October, 1956. The Smyth Lectures for the year were delivered by Dr. Joseph Haroutunian of the McCormick Theological Seminary in Chicago. Other lecturers who were heard with great appreciation by students and visiting ministers alike were Dr. Halford E. Luccock, formerly of the Yale Divinity School, Dr. Louis H. Evans, Minister at Large of the Presbyterian Church, U. S. A., and Dr. John H. Leith, pastor of the First Presbyterian Church, Auburn, Alabama.

Ministers' Week for the coming school year will be held November 4 to 8, 1957. President John A. Mackay of the Princeton Theological Seminary will be the Smyth Lecturer. Other speakers during this period will be Dr. William M. Elliott, Jr., pastor of the Highland Park Presbyterian Church of Dallas, Texas, and Dr. James M. Robinson of the Candler School of Theology, Emory University, Atlanta.

VI. The Columbia Friendship Circle

In our report last year we mentioned the initiation by interested individuals in the supporting synods of the Columbia Friendship Circle. This organization consists of members of the church who are concerned to pray for the Seminary, to present the cause of the ministry to choice young men, and to contribute at least $1.00 per year to the capital funds of the Seminary. During the year 1956 the number of members enrolled in this Circle was 4,831 who contributed a total of $21,455.41 to the Peter Marshall Memorial Endowment for the Department of Homiletics. The first annual pilgrimage of members of the Friendship Circle was held at the Seminary on April 4, 1957, with 286 persons in attendance. Gifts made by these members during the coming year are to go toward the building of additional married students apartments on the Seminary campus.

VII. World Missions Conference

The students of Columbia Seminary continue to manifest a gratifying concern for Evangelism and World Missions. On April 5-7, 1957, the Student Society of Missionary Inquiry held its Fifth Annual World Missions Conference at Rock Eagle State Park near Eatonton, Ga. This conference, which is wholly a student undertaking, is intended primarily for college students and high school students above the tenth grade. There was an enrollment for this year's conference of 750 persons who came from seven of the southeastern states. The excellent panel of speakers and leaders who participated included members of the Board of World Missions in Nashville, representatives of the Seminary faculty, and some 20 missionaries of our Church who represented all of our fields except Portugal. Great interest was manifested on the part of most of those who attended and 19 persons indicated during the conference for the first time their decision to volunteer for service on the foreign field.

VIII. The Seminary's Development Program

As an initial step in an effort to secure at least $2,500,000 for buildings and endowment, the Seminary is engaged at present in a financial campaign in the Synod of Florida. This campaign is a joint effort in behalf of student work at state institutions of higher education and of Columbia Seminary. The announced goal is $500,000 of which $300,000 has been designated to meet the needs of the Seminary. The response in this campaign to date has been highly encouraging and it is hoped that the goal which has been set will be reached in the early future. It is expected that as a result of the Florida Campaign the Seminary will be able to undertake the erection of a new dormitory in the reasonably early future.

The time limit set in connection with a conditional gift of $50,000 toward the endowment of the Chair of Homiletics in honor of the late Dr. Peter Marshall has been extended. In order to claim this gift it will be necessary that the Seminary complete the raising of $200,000 for this memorial endowment by January 1, 1958. A quiet effort to secure this amount is being continued but at least $60,000 more must be secured by the end of this calendar year if the effort is to be crowned with success.

Financial campaigns in behalf of the Seminary have been authorized in each of the other four supporting synods but because of conflicts with other causes the efforts in those synods have been somewhat delayed. It is expected that campaigns in each of the synods concerned will be carried forward in 1959 and 1960. Approximately half of the $2,500,000 which is being sought has been designated for additions to the physical plant of the Seminary and half will go toward the increase of the Seminary's endowment funds.

Respectfully submitted,

DONALD B. BAILEY, *Secretary*

REPORT OF LOUISVILLE PRESBYTERIAN SEMINARY

Louisville Seminary respectfully submits the following report for 1956-57:

I. STUDENTS

With the increase in married students in recent years, requiring more and different housing facilities, the Seminary has operated for the past two years at about 70% beyond its physical plant facilities for housing. The trend for the past 11 years is indicated by the following table:

Year:	1946	1948	1950	1952	1954	1956	1957
Total:	56	62	106	148	151	171	166

Students this year are from 27 states, District of Columbia, and 2 foreign countries, and they have previously attended 99 different institutions. Denominationally, 144 are Presbyterians—89 USA, 53 US, 2 other; and 22 are from 5 other denominations. Married students number 126, and unmarried 40.

During the first semester, only two students fell below minimum standards and were eliminated. On the whole, grade averages were the highest in the memory of the faculty for a student generation.

Omitting non-Presbyterians whose addresses were not available, Louisville graduates are serving in 42 states and 17 foreign countries.

II. FACULTY

Dr. Kenneth J. Foreman was on Sabbatic Leave during the first semester. In addition to his usual volume of writing for church papers and newspapers, his book, *Candles on the Glacier*, was published during the year. On a Foundation grant, he made a trip around the world, visiting many missions stations and educational institutions.

Three new part-time faculty members began their teaching during the year—Dr. George R. Edwards, in the field of New Testament; Rev. Edward S. Golden, in the field of Pastoral Care of the Sick; and Dr. Peter H. Pleune, in the field of Homiletics.

Dr. A. B. Rhodes will be on Sabbatic Leave during the summer and fall of 1957, doing study and travel in the Middle East and Europe on a Foundation grant.

Under the editorship of Dr. Rhodes, members of the faculty have completed the writing of a book on *"Isms" Faced by the Church*, which is in the hands of Abingdon Press for publication during this year. This book is expected to create considerable discussion among critics, but, on the basis of student reactions to the course out of which the book was developed, and of judgments expressed by twenty-one critics to whom the syllabus was submitted by the publishers, this book should be of unusual value to men in the pastorate.

III. FINANCES

On a budget of expenditures of $233,803.00, the Seminary has again managed to operate within its income, and it is grateful to controlling synods for their continued support. The expanding service of the Seminary inevitably calls for increased support

by the Church, and we earnestly request that such support be given in budgets adopted by synods for the calendar year, 1958.

Especial attention is called to the unusual opportunity provided by the Board of Christian Education, U.S., which has offered each of the four seminaries and Assembly's Training School $2,500, if, over and above benevolence gifts for the regular budgets of these institutions, the controlling synods (General Assembly, in case of the Training School) will provide an amount to match this Challenge Fund. The money thus received from the Board and the synods must be used by these institutions for the following purposes:

(a) To provide visiting lecturers and guest professors.
(b) To aid faculty members to pursue further study.
(c) To augment the books and facilities of libraries.
(d) To improve the recruiting program for Church vocations.

If Louisville Seminary is to be able to claim this Challenge Fund, it is very important that each synod provide in its budget specifically for this purpose.

Capital funds receipts for *endowment* during the year 1956 were as follows:

Scholarships	$ 7,438.42
Library	5,469.65
General Endowment	700.00
Life Annuities	800.00
Professorships	20.00
TOTAL	$14,428.07

Cash receipts for the "Building Fund—New Campus" to March 15, 1957, aggregated $621,888.00. The completion of payments on pledges made in campaigns already conducted would bring this total to approximately $1,215,000.00.

The *first essential stage* of this project is estimated to require $2,398,614.00 in addition to estimated proceeds from sale of present property. This first stage includes the land cost of 32 acres; one-half the grading, walks, roads, and plantings contemplated; erection of the re-designed and enlarged academic quadrangle; erection of a Married Students' Apartment Building of 27 units; and architect's fees on construction. This minimum is urgently needed in order to let contracts for the beginning of construction of the Seminary on the new campus, and those individuals and congregations which have not yet made pledges to this project are earnestly requested to do so.

IV. Directors

New Directors elected since the last report are: Mr. Paris Singer, elected by the Synod of Fla., USA; Mr. T. H. Broecker, elected by the Synod of Ky., USA; and Dr. Charles E. Allen, elected by the Synod of Ky., USA.

Respectfully submitted,
FRANK H. CALDWELL,
President.

THE BOARD OF TRUSTEES OF UNION THEOLOGICAL SEMINARY IN VIRGINIA

The Board of Trustees of Union Theological Seminary in Virginia submits the following report for the Session of 1956-57 to the General Assembly of the Presbyterian Church, U.S.:

I. Student Affairs

During the Session 297 students were enrolled, 245 students being undergraduates and 52 students being graduates. There are 60 candidates for the Bachelor of Divinity Degree, 13 for the Master of Theology Degree, and four for the Doctor of Theology Degree. Nine members of the Senior Class, not taking the Biblical language course required for the awarding of the degree, will receive diplomas and other forms of recognition. The students come from 23 states, from three foreign countries, and from 128 literary institutions. Fifty-seven of the 85 Presbyteries of the Church, and fourteen denominations are represented in the Student Body.

It is interesting to note the lowering of the median age of the Seminary students. No doubt this fact is occasioned by the reduction of the number of men going directly from colleges to the military services. Shortly after World War II the average age of the entering classes was about twenty-eight years. Now the median age is nearer twenty-three years. A concomitant of this condition is the reduction in the percentage of married students in the student body. At the present time 58 per cent of the students are married. It is estimated that for the academic term beginning in September 1957, only 46.2 per cent of the students will be married.

Most of the graduates of the Seminary will go directly into the parish ministry. An increasing number will go into the service of the Church overseas. Several will enter the chaplaincy in one of the branches of the Military Services. Approximately ten men will continue in graduate study.

II. Faculty and Administration

The Board is happy to report the addition of two members to the Faculty beginning July 1, 1957. The Reverend James Luther Mays, who is completing his second year of study as a candidate for the degree of Doctor of Philosophy in the University of Manchester, England, will become a member of the Faculty with particular responsibilities in the field of Old Testament. The Reverend William B. Kennedy, after two years of study as a candidate for the degree of Doctor of Philosophy in Yale University, joins the Faculty to teach in the field of Christian Education. Professor Kennedy, at least for the coming academic year, will work in close cooperation with the Department of Christian Education of the General Assembly's Training School.

Dr. John S. Whale, a minister of the Congregational Church in England, has served as "Alumni Visiting Professor" during the third quarter of this academic term. Dr. Whale, one-time Principal of Cheshunt College of Cambridge University, and formerly professor of Ecclesiastical History at Mansfield College, Oxford University, has taught a course on "The Christian Faith in the World Today." This course has been required for all Middlers and Seniors in the student body, and for all students at the Training School taking the Theology course offered by that Faculty. As a consequence the course has enrolled the largest class ever convened on the Campus of the Seminary. The funds which have made this possible were contributed by the Alumni of the Seminary during the year 1956. It is encouraging to note that the inauguration of this Alumni Fund and its continuation for 1957-1958 will undergird this significant aspect of the Seminary's program for next year, as well.

The Reverend W. Priestley Conyers, III, a graduate of this Seminary and pastor of the First Presbyterian Church of Belmont, N. C., has accepted a call to become the *Executive Associate in the Office of the President.* He will begin his work during the summer of 1957. The Reverend David Rice Holt, who has served as Assistant to the President during the year, will resume his graduate studies as a candidate for the Doctor's Degree in September 1957.

The increase in student enrollment and the prospective growth in the number of men attending Seminary have laid upon the Faculty, both in the Graduate and Undergraduate Departments, sizeable and continuing burdens which so small a group should not be expected to bear for long. As a consequence of this condition the most pressing need in the life of the Seminary is for the financial undergirding of the teaching program and the enlargement of the teaching personnel.

III. Special Activities

The annual *Sprunt Lectures Week* was held during the last week of February 1957. Dr. Charles B. Templeton, Evangelist of New York City, delivered the Sprunt Lectures on the subject "The Church and Its Evangelistic Task." The Faculty and Trustees of the Seminary design to bring to the Campus Sprunt Lecturers who will emphasize the several disciplines of theological education. The Faculty has felt the necessity of emphasizing again the central importance of the Church's evangelistic responsibility. Dr. Templeton was asked to deliver the Sprunt Lectures for the purpose of exalting this aspect of the Church's mission. Dr. John Baillie, formerly Principal of New College, Edinburgh, and Dr. Hendrik Kraemer, Director of the Ecumenical Institute, Bossey, Switzerland, were the Auxiliary Lecturers for the Sprunt Lectures Week. Dr. Baillie lectured on "The Christian Interpretation of History" and Dr. Kraemer on "The Coming Encounter of Western and Eastern Culture."

For several years during the summer the Seminary has sponsored a *Preaching Clinic.* It is the design of the Clinic to bring to the Campus for a period of concerted study a group of parish ministers interested in receiving specific help in their preaching responsibilities. The Clinic in 1956 was attended by 62 ministers, representing seven denominations, and coming from 16 states and Canada. The Clinic's faculty was composed of Dr. Paul Scherer, Professor of Homiletics in Union Theological Seminary, New York; President David L. Stitt of Austin Presbyterian Theological Seminary, Austin, Texas; Dr. Warner L. Hall, pastor of the Covenant Presbyterian Church of Charlotte, N. C.; Dr. Julian Lake, pastor of the First Presbyterian Church of Winston-Salem, N. C.; and Dr. Donald G. Miller, Professor of New Testament in the Faculty of the Seminary. The Clinic during the summer of 1957 is scheduled July 28-August 9. Members of the Faculty will be Dr. William A. Benfield of Louisville, Kentucky; Dr. John Bright of the Seminary Faculty; Dr. James T. Cleland of the Duke Divinity School, Duke University; Dr. Massey Mott Heltzel of Richmond; Dean Elmer G. Homrighausen of Princeton Theological Seminary; Dr. Robert White Kirkpatrick of the Seminary Faculty; and Dr. Benjamin Lacy Rose of the Seminary Faculty.

The Seminary feels that one of its responsibilities is to challenge young people to a Christian estimate of vocations. The *Tenth Annual Conference on Christian Vocation* was held March 15-17, 1957. It is the purpose of this conference to present to college and university students the claim of Christ upon their lives in the matter of vocational decision. Effort is made to emphasize the fact that every vocation should be considered in the light of the call of God. The speakers for this conference were the Honorable Walter Judd, Member of the House of Representatives from Minnesota and formerly a medical missionary in China; the Reverend Archie G. McKee, pastor of the First Presbyterian Church of Lenoir, N. C.; and Dr. William Taliferro Thompson, Jr., Chief of Medical Services of the McGuire Veterans Administration Hospital, Richmond, Virginia. This Conference was attended by 70 students from 27 educational institutions.

A Conference designed to present the claims of the variety and importance of *Church Vocations* was held March 29-31. It has been discovered that many young people make decisions concerning their vocations in the latter years of high school. As a consequence, the Seminary, in cooperation with the General Assembly's Training School, invites selected young people in the junior or senior years of high school to examine the opportunities of service within the various forms of church vocations. This Conference was attended by 88 young people from the Synods of North Carolina, Virginia and West Virginia.

IV. Improvements to Physical Facilities

During the year two houses, approximately one block from the main Campus of the Seminary, were purchased as faculty homes. One house formerly occupied by a professor was remodeled to accommodate twelve married couples. Schauffler Hall, on the Campus, was air-conditioned to provide an adequate facility for the enlarging summer program of the Seminary.

During the Mid-Century Development Campaign a generous gift in memory of Mr. and Mrs. J. Lee Robinson of Gastonia, North Carolina, was made to enlarge the audio-visual program employed by the Seminary in the training of students. These facilities, now nearing completion, provide studios for closed circuit television, playback rooms, and a monitoring center for recording lectures and addresses from any classroom on the Campus. The sizeable recorded library is being progressively employed by the students and by the Church at Large.

During the year an anonymous donor has contributed the necessary funds to erect an *FM Broadcasting Station* in memory of Dr. Robert Foster Kirkpatrick, a graduate of the Seminary in the Class of 1900. The FM Broadcasting Station will offer an effective facility for the teaching of religious use of radio in the communication of the Gospel. It will serve, as well, a large population within the range of the station in the metropolitan area of Richmond.

V. Finances

The Seminary operated for the fiscal year within its budget of $471,875.91. While the books have not been officially audited as of the date of this report, it appears that the Seminary will have a very small operating surplus of less than $1,000.00.

The income of the Seminary is proportionately received as follows:

1. From endowment 53.8%

These are funds available to the Seminary because friends of theological education in other years undergirded the Church's responsibility to train its ministers. Under careful supervision by an excellent Finance Committee the return on the invested funds of the Seminary was at the rate of 5.905%.

2. From church contributions 16.57%

The four synods supporting the Seminary increased their gifts from current benevolence funds during the year, but still the Church of today pays only one sixth of the cost of training a minister.

3. From student fees 26.18%

The students received during the year in excess of $51,000 in scholarship assistance. Beyond funds available to them from this source, and in payment of tuition fees, board, room, etc., the students themselves paid approximately one quarter of the cost of their training.

4. From current gifts 4.7%

Some individuals make annual gifts to the Seminary to sustain students, to undergird certain particular programs, such as books for the library and tapes for the Reigner Library of Recorded Sermons and Addresses.

The Seminary reports with gratitude an *increase in permanent funds* in the amount of $359,664.00. Some of this increase came as the result of the Mid-Century Development Program. Most of the contributions to this particular program have been made, and the Seminary has no reason to anticipate that additions to permanent funds can be maintained at this ratio without an aggressive program that seeks to enlist financial support for the cause of theological education.

VI. PROSPECTS

While the first and continuing responsibility of the Seminary is for the training of ministers who are candidates for ordination in the Church's several presbyteries, it does feel that it has an obligation to ministers actively engaged in their tasks in the field and to laymen generally in the Church. Effort is being made to perform this task through the development of a *Program of Continuing Education.* This program, employing the sizeable resources of the Library, attempts to direct individuals in programs of consecutive and constructive study, supplementing formal education offered by the Seminary, and being of particular assistance to individuals responsible for teaching Bible, giving leadership to church school classes, and planning programs throughout the Church.

The Church needs to mark the fact that the *student population in this country is sure to double and more* within the next twelve to fifteen years. If the Presbyterian Church in the United States continues to grow, if the South maintains anything of the recent ratio of expansion which has characterized it, then the Church's theological institutions will be under exceptional pressure to provide adequate training for those men who offer themselves for the Gospel ministry. It will not be enough to try to deal with the problem when it arises. Wisdom dictates that all concerned for leadership in the life of the Church give themselves conscientiously in any effort to discern ways whereby the theological institutions of the Church can be undergirded and made ready for the opportunities which soon will be before them in such magnitude.

The Seminary records its gratitude to God and to all who in love of Him support the cause of theological training by their gifts, their prayers and their intelligent interest in these men who will occupy places of leadership in the Church of tomorrow.

Respectfully submitted for the Board of Trustees,

JAMES A. JONES, *President of the Seminary.*

XIII. REPORT OF COUNCIL ON CHRISTIAN RELATIONS

FREEDOM—THE CHRISTIAN CONCEPT

The light of freedom that brightens our land is a reflection of the Christian faith as revealed in the New Testament. The freedom of the New Testament is basically a freedom from error about God, error that produced many forms of religious perversion,

such as idolatry, oppressive legalism, hypocrisy. In the absence of a pure religion, society was essentially predatory. The ultimate truth about God is summed up in the person of Christ, and it is through a faithful and affectionate knowledge of Him that we are freed from error about God. The result is release from all that is demonic, from the tyranny of lust, from unresolved guilt, irrational discipline, sterile tradition, a sense of futility. As our Westminster Confession states it: "The liberty which Christ hath purchased for believers under the gospel consists in their freedom from guilt of sin, the condemning wrath of God, the curse of the moral law; and in their being delivered from this present evil world, bondage to Satan, and dominion of sin, from the evil of afflictions, the sting of death, the victory of the grave, and everlasting damnation; as also in their free access to God, and their yielding obedience unto Him, not out of slavish fear, but a childlike love, and a willing mind." (The Confession of Faith, Chapter XXII). Yet this New Testament freedom is neither irresponsible nor libertine. Characteristically, Paul describes the converts as "having been set free from sin, have become slaves of righteousness." (Romans 6:18).

The New Testament does not specifically treat those issues of freedom that we face today in corporate life. It says nothing directly about the abolition of slavery and child labor, the emancipation of women, national autonomy, or democratic government. The Christian is exhorted to enjoy his personal freedom even if he is in bondage because his faith now enables him to endure his earthly category and at the same time transcend it. Yet we can safely infer that the corporate freedoms we now have or covet are the products of that original freedom conferred upon every man who learns the truth about God. There are two reasons for this inference. First, no man can retain his own sense of freedom as long as he, individually or collectively, consciously violates the nature of another. He must be one who confers freedom in order to attain it. Second, if it is argued that Jesus never made any social pronouncements it must be answered that rather He never made any distinction between one's behavior toward man, the individual, and man, the aggregate. His teachings in the framework of individual relationships were categorical and therefore applicable to every relation from the simple to the complex.

Our technique then as churchmen is to place our personal freedom in the matrix of present conditions and encourage its growth into all areas of life. The experience of this personal freedom creates a healthy discontentment with every form of bondage, subtle or conspicuous. That's why the Christian faith has issued into a form of government that offers the highest degree of liberty. John Milton, one of the articulate spokesmen of the Reformed Faith, wrote: "After our liberty and religion thus prosperously fought for . . . nothing remains but in all reason the certain hopes of a speedy and immediate settlement forever in a firm and free commonwealth . . . And what government comes nearer to the precept of Christ than a free commonwealth; wherein they who are the greatest, are perpetual servants and drudges to the public at their own cost and charges, neglect their own affairs, yet are not elevated above their brethren; live soberly in their families, walk the street as other men, may be spoken to freely, familiarly, friendly, without adoration?" (Establishing a Commonwealth). We have in this land a commonwealth of which the reformers dreamed. In the case of Meyer v. Nebraska, 1923, the Supreme Court of the United States offered this interpretation of liberty: "(It) denotes not merely freedom from bodily restraint, but also the right of an individual to contract, to engage in any of the common occupations of life, to acquire useful knowledge, to marry, establish a home and bring up children, to worship God according to the dictates of his own conscience, and generally to enjoy those privileges recognized at common law as essential to the orderly pursuit of happiness by free men."

As modern churchmen, who have known the truth that sets us free, let us apply our devotion to the maturing of these freedoms.

I. Freedom of Worship

Early settlers came to the shores of America in the belief that here they might enjoy a measure of freedom in fulfilling the aspiration of their inner convictions. One of these aspirations was to worship God according to the dictates of their conscience without fear of molestation. The gospel encourages and supports this right of men to worship God as their conscience directs them. Early in the history of the Christian Church the doors of the Church were opened to *any* person who believed in the Lord

Jesus Christ, without further qualification. The manifestation of the Holy Spirit on the day of Pentecost symbolized the nature of the Christian Church with respect to those who would comprise her membership, and share in her worship and program.

A noted constitutional lawyer has written: "Of all our liberties, perhaps the most important is religious liberty. A government that coerces its citizens in the domain of the spiritual will hardly hesitate to coerce them in the domain of the temporal. If it will direct how they shall worship it will certainly direct how they shall vote. Certain it is that religious liberty is the progenitor of most other civil liberties. Out of victory in the struggle for freedom to worship as one's conscience dictates came victory in the struggle for freedom to speak as one's reason dictates. Freedom of the press came from the struggle for freedom to print religious tracts, and freedom to assemble politically can be traced to the successful struggle for freedom to assemble religiously. Even procedural liberties incident to our concept of a fair trial grew largely out of the struggle for procedural fairness in heresy and other religious trials." (*The Liberties of An American*, Leo Pfeffer, Beacon Press.)

Freedom of worship is more than a right to one's private views and devotions, it is a right to express them in organized public assemblage, to publicize the Church's faith by the written and spoken word, to make converts, to instruct children, to apply that faith to the whole of life. This right is denied many of our fellow believers behind the Iron Curtain, in many nations predominantly Roman Catholic, such as Colombia and Spain, in Mohammedan territories as in Saudi Arabia. Our own Westminster Assembly in forming our Confession of Faith felt bound by Scripture to make this freedom of worship specific: "Saints by their profession are bound to maintain an holy fellowship and communion in the worship of God . . . which communion, as God offereth opportunity, is to be extended unto *all* those who, in *every* place, call upon the name of the Lord Jesus." (Confession of Faith, Chapter 28, Paragraph II; see also I John 1:3; 3:16-18). The General Assembly, therefore, urges that its members pray that this fundamental freedom become available to all people, that the Department of State exert its influence toward that end, and that the Roman Catholic hierarchy receive upon its conscience a sense of responsibility for mutual tolerance.

Within the bounds of our own Assembly there seems to exist a striking example of the violation of the right to worship. Members of the Koinonia community near Americus, Georgia, state that their communal life is not primarily a social or agricultural experiment but an experience in worship. They have professed their allegiance to this nation, they have denied affiliation in any subversive party, they have violated no laws, and have made a significant contribution to farming techniques in this area. Yet because their experiment knows no barrier of color they are treated as enemies of society. Their property has been strafed, dynamited and burned; their children maligned, their lives jeopardized. Even worse, many "respectable" citizens of the area have joined in an economic boycott designed to destroy their financial stability and drive them to ruin. The General Assembly would remind the citizens of this area of the danger of trying to destroy those who dare to live by their Christian convictions, even though they may differ from them in their opinions. The General Assembly commends all Christian individuals and groups in Georgia who have spoken out so strongly against this denial of freedom to worship. Other examples might be given from other areas of attempts to destroy freedom of worship as a basic right of all Americans. The Assembly calls on Christians everywhere to be alert to this grievous threat to freedom of religion.

II. Freedom to Learn

It is in the Protestant tradition to support the public school system, for a free public education is the handmaiden of democracy. Ignorance and prejudice are the weapons of tyranny. Yet we find our school system in jeopardy. There is a shortage of qualified teachers, buildings are inadequate or obsolete, indecision reigns as a result of the Supreme Court decision. This condition shall continue unless we give the teaching profession the respect it is due, and support financially a service we have received too cheaply. Therefore, the General Assembly urges its members to make every effort to maintain an adequate public school system for all elements of its population and to provide proper compensation for its teachers. It commends those teachers who have regarded their work a Christian vocation, refusing more lucrative offers to stay at their positions; those mothers of families who fill the breach during this critical

shortage; and those qualified young people who are now training to teach as a Christian service to their community. The General Assembly would call attention to the fact that the Christian faith has never countenanced racial discrimination and that the supreme law of the land requires that it no longer be practiced in the public school system. Therefore, during this period of transition every member of the Assembly is urged to work in his own community for an honest and durable adjustment.

III. Freedom of Speech

The Christian Church advocates the right of free speech even if the idea expressed be wrong. Freedom of speech involves the right of dissent, yet of late America has been compelled to struggle for this right both within and without her own borders. The fear of Communism has bred suspicion and distrust which is injurious not only in arresting creative thinking but in bringing our nation into disrepute among the free nations. The consequences of this fear are still seen in many areas of life whenever the stigma of Communism is put on anyone who dares vary from the customary pattern of society. It may occur in politics, in business, in education, or in the Church. A congressman is not re-elected, a school teacher faces investigation, a health officer is dismissed, a journalist is forced to leave the community, a man suddenly loses his credit and a minister loses his congregation—all because they exercised their right to speak freely. We would reaffirm our condemnation of Communism as a system and deplore the use of its evil methods against our own citizens by our own citizens.

Freedom of speech includes the right to register one's opinion through the medium of voting. While it is deplorable that so many of our citizens fail to exercise their franchise, there are many others who are denied the privilege by devious means, such as severe literacy tests, the use of a poll tax as a prerequisite to voting, concealing information concerning the time and place of registration, economic pressure, and threat of reprisal. The price of this corporate dishonesty is political demagoguery in its worst form.

IV. Freedom of Assembly

In many parts of the world people have not had the privilege of public assembly except as it is sponsored or sanctioned by the state. This condition is to be deplored and feared. Yet in the United States there are areas in which freedom of assembly is seriously restricted. Where there are groups which would meet on a non-segregated basis, the state sometimes stands in the way. Efforts to maintain the *status quo* in social patterns and to intimidate those who believe in the right of public assembly to discuss mutual social problems have been made by numerous "citizens" groups formed in many states. To strive to carry out the law of the land and to advocate the same is to incur the enmity of these groups. Perhaps it is in the areas of freedom of speech and freedom of assembly that Christian citizens should give primary attention at this time, for people with full freedom to voice their convictions cannot remain fettered.

V. Freedom to Serve

One ought to have the freedom of becoming the person intended by his Maker that he should be, and to serve in the place and way for which he was given life. Work in which one may have a sense of fulfilling God's purpose for him should be available to all. Recent figures indicate that less than 3% of the total labor force in the United States is unemployed. Yet many people, because of racial or national background, encounter great difficulty in obtaining that work for which they are best prepared by their gifts and temperament. In a survey of the employment practices of major business firms in one large American city it was discovered that 18% of 20,000 job orders placed during the last six months with commercial employment agencies barred Jews from consideration. (Anti-Defamation League—*Rights*, January 1957).

While there has been a trend in the last ten years toward the use of Negroes in federal, state and municipal employment, far too many capable people are unable to get into the professions and certain salaried jobs. When such channels open up, it often necessitates moving to a section of the nation strange to them.. Discriminatory practices in promotion and upgrading are often found among business firms and other agencies.

As Americans we believe in the "pursuit of happiness" for all citizens. If happiness is to be the lot of the man at work there must be mutual respect and loyalty between the employer and the employee. This is especially important in an age when automation

plays such an important part. As mass production tends to depersonalize the activity of the individual worker it is all the more important that the relations between the employer and employee be Christian. This means the will for the good of the other on the part of each.

There is need also today to consider the lot of the aging lest their right to satisfying work be taken from them. There are approximately 13,500,000 people over the age of 65 and this number is increasing. Christian business men in places of influence can render a fine service toward the happiness of a great many by giving thought to this problem in the planning of their business.

VI. Freedom of Fellowship

One of the subtlest deterrents to the effectiveness of the Christian faith is restrictive fellowship. Even that faith itself when pridefully employed becomes a divider rather than a binder. When a particular church or denomination recruits its membership from one stratum of society it mistakes social compatibility for Christian fellowship. In much of American life churches and secular organizations restrict their fellowship on the basis of economic, cultural, racial and national factors. It is a type of short-sighted selfishness which prevents such groups from recognizing the good in another and from receiving the good of another. Churchmen are supposed to be the ambassadors of reconciliation. They cannot perform this function if they practice aloofness toward those of a different status. A social climate must be created which will encourage a free concourse of men of good will regardless of their race, status or national origin.

VII. Freedom from Want

Freedom from want is essential if one is to grow properly. Clothing, food, shelter and health contribute to one's physical, moral and spiritual well-being. Jesus was concerned that people should have bread to eat. Recognizing that man's life consisted of more than food and clothing, he yet was quick to relieve such need. In this land of plenty there are still groups of people who find life hard, and because of circumstances beyond their control, know the pain of hunger and the strain of providing for themselves and their loved ones. In the early Church provision was made for the needs of the community especially for those of the "household of faith." Conditions have changed greatly since the first century, but the Church should not permit anyone to suffer who can be reached by its ministry whether at home or abroad. "No people can live in isolated plenty in the midst of a needy world and expect to avoid the withering of its Christian spirit. As stewards of abundance, owing all to God, we must in simple justice and brotherhood share with those in need." (From "American Abundance"—National Council of Churches, Page 9).

Adequate clothing and shelter are not the possessions of some people, even in America. Recent reports show that some 10,400,000 housing units are rated sub-standard. In rural communities 23% of the housing fails to measure up to satisfactory living standards. (See "Houses and People" by Margaret E. Kuhn, National Council of Churches, pp. 6, 7.).

Freedom from want means freedom from disease and from the anxiety occasioned by one's inability to obtain proper medical care. In America much progress has been made in providing for the sick. The family doctor is giving way to the clinic and community hospital where diseases can be diagnosed and the patient treated. This transition gives good promise for the future welfare of our people but in the interval some are being denied adequate medical care. Where patients are not admitted because of insufficient funds or because of lack of space for patients of a particular race, their freedom to live has been seriously, if not critically, curtailed. The rapid growth in population has far outstripped the development of facilities for the treatment of the sick. A tragic part of the picture is the woeful inadequacy of facilities for the care and treatment of mental cases so prevalent today. Far too many of God's family will not be treated for diseases which are remediable. For them life becomes a period of waiting. The program of Jesus included the restoring of individuals to physical and mental health. The early disciples were directed to continue this healing ministry. The Church today must manifest its concern and give its support to this expression of Christian faith.

One channel of opportunity with rich dividends is Church World Service through our Department of Overseas Relief. In the year 1956, 186,000,000 pounds of food were

sent abroad under the Share Our Surplus program. This was distributed through Christian channels abroad at an average rate of 254 pounds for one dollar of cost. Our Church's share in this was 14 million pounds, valued at over two million dollars. In addition, Church World Service collected nearly four million pounds of clothing, beddings, etc., of which the people of our Church sent in 178,293 pounds. Food, clothing, medicines, vitamins and self-help materials were sent to thirty-three countries abroad. Church World Service has also been active in helping find new homes for refugees. For instance, of 22,258 Hungarian refugees who have come to the United States, 4,099 were cared for by this organization. The field for service in this area is still the world.

VIII. Freedom from Fear

We all recognize that the emotion of fear will never be extinguished by either religion or government. Nor would this be desirable, for there are natural fears that every man has that sharpen his senses. But man has a right to be relieved of the dangers that threaten his well-being which result from the sinful aggression of other men. In this nation where Christianity and democracy are bywords it is unthinkable that a Christian should join himself to klan or council whose purpose is to gain its point by intimidation, reprisal and violence, or that he should lift no voice of protest against those who appeal to prejudice and spread fear. In the world community the chief threat to man's sense of well-being is the threat of war. The destructive potential of another conflict leaves us no alternative to peace. To this end the General Assembly (1) urges its members to support the United Nations as an instrument by which sovereign nations can meet together, plan together, and act together "to save succeeding generations from the scourge of war"; (2) urges our government to continue negotiations for the elimination of weapons of mass destruction, pursuing such negotiations vigorously within the collective security concepts of the United Nations, when possible, and to continue to make unremitting efforts to find a solution to the present deadlock over methods of disarmament; and (3) urges the Congress to review and debate foreign aid proposals without malice and partisan maneuvering so that decisions will be made on the basis of need and in relation to our goal of peace; and firmly to support the technical assistance programs developed both by the United Nations and by our own government.

Conclusion

While we have dealt with basic freedoms principally in the light of American life we would urge just as strongly that we as Christians recognize the right of all people and nations to them. We would further recognize that unless we give our efforts to the winning of them for others, we shall hardly win them for ourselves; and surely our hands will be impotent to help others if they are idle in removing the barriers to freedom at our doorstep.

"Where the Spirit of the Lord is, there is freedom." (II Cor. 3:17).

XIV. STANDING RULES

1. ORGANIZATION

(1) The normal date for the annual meeting of the General Assembly shall be the last Thursday in April. The Permanent Committee on the Office of the General Assembly will select the place of meeting after opportunity has been given to those who wish to extend invitations. The Permanent Committee shall select places in different parts of the Church from time to time when circumstances seem to warrant it. In the event of an emergency which prevents the meeting at the place selected, the Moderator shall designate a place of meeting.

(2) The General Assembly shall be self-entertaining.

(3) The Assembly shall be opened with a sermon preached by the retiring Moderator. The Lord's Supper will be observed after the sermon at 11 o'clock a.m. Sunday.

(4) After the reading by the Stated Clerk of the roll of the commissioners present and enrolled by him, a Moderator shall be elected. Nominations for Moderator shall be received but only one speech not exceeding ten minutes in length nominating a commissioner for Moderator shall be made; and only one speech seconding a nomination not exceeding five minutes in length shall be made.

(5) After all nominations have been made and seconded, the Assembly shall proceed to the election of a Moderator in the following manner: If more than one commissioner is nominated, the election shall be by ballot. The Stated Clerk shall have suitable blank ballots prepared and cause same to be distributed among the commissioners for use in the election. The Stated Clerk shall appoint two tellers to count and tabulate the vote and report the tabulation to him. The ballots of the enrolled commissioners shall be collected and delivered to the tellers by commissioners appointed by the presiding officer for such purpose. If there are more than two nominees and no nominee receives a majority of the votes cast, a second ballot shall be called; but all of the nominees except the two receiving the largest number of votes shall be dropped on the second ballot. An election shall be declared by the Moderator when a nominee shall have received a majority of the votes cast by the commissioners present and voting. As soon as the Moderator shall have been elected, he shall assume his duties as Moderator.

(6) In the election of the Moderator the tellers shall retire to an anteroom and count the ballots, bringing back the results to the Assembly.

2. THE MODERATOR

(1) The Moderator shall preside at all sessions of the Assembly except when he may temporarily invite a commissioner to act as Presiding Officer; he shall appoint all committees unless the Assembly otherwise prescribes; he shall call the succeeding Assembly to order and preside over its sessions until a Moderator is elected as provided by the rules in the Book of Church Order.

(2) The Moderator shall appoint five assistants, whose duty it shall be (a) to assist the Moderator in preserving decorum in the Assembly and adjoining halls; (b) to distribute reports of standing committees; (c) to cooperate in any other manner requested by the Moderator.

(3) The General Assembly recognizes the value of ad interim service by the Moderator and approves his undertaking of one or more itineraries which shall bring him before representative ecclesiastical gatherings in various parts of the Church.

(4) Where feasible, the local church, or other employing agency, is requested to grant the Moderator a leave, or leaves, of absence aggregating not more than two months for such itinerating service. The General Assembly shall provide funds to defray expenses such as: (a) Travel and entertainment on such itineraries. (b) The necessary compensation for a substitute, or substitutes, to carry on the regular duties of the Moderator's normal task, the maximum of such compensation to be at the rate of $600 per month.

(5) All invitations and arrangements relating to such itineraries shall be made through the Office of the General Assembly to the end that the Moderator's time be not dissipated, but that it may be devoted economically to the best interests of the church-at-large.

(6) The Moderator shall have the following committee assignments: Chairman of

Program and Worship Commitees; Member of General Council and *ex officio* member of Permanent Committee on Interchurch Relations.

3. Stated Clerk

(1) The Stated Clerk shall be elected for a term of three (3) years. The election shall be the first order on the morning of the second day of the Assembly. The Permanent Committee on the Office of the General Assembly is allowed to nominate the Stated Clerk to the General Assembly with the understanding that further nominations are always in order and that this arrangement will take effect only after the vacating of the position of Stated Clerk by the present incumbent. He shall perform all the duties required of him by the Book of Church Order and by the Standing Rules of the Assembly and such other duties as may be imposed on him by the Assembly.

The General Assembly of 1955 abolished the office of Assistant Stated Clerk and the Stated Clerk was given the privilege of nominating to the Permanent Committee on the Office of the General Assembly for its approval an Assistant to the Stated Clerk.

(a) The Stated Clerk shall list all communications and present them in an orderly manner, suggesting the proper reference and, when necessary, suggesting the time for the consideration of each communication.

(b) As Stated Clerk, he shall keep the minutes of the Assembly, and be custodian of all books, papers and documents of the Assembly, and prepare and supervise the printing of the minutes and distribution of the minutes and documents required to be printed and distributed.

(c) He shall be *ex officio* Treasurer of the Assembly, and shall receive all funds. He shall pay out funds only on order of the Assembly. He shall make full statement of receipts and disbursements annually to the Assembly. He shall also serve as Treasurer of the General Fund and Interchurch Agencies.

(d) He shall serve on the Assembly's Committee on the Minister and His Work, conducting the work in accordance with the action of the Assembly on this subject. He shall also be *ex officio* member of the Permanent Judicial Committee and Permanent Committee on Interchurch Relations.

(2) The salary of the Stated Clerk shall be determined by the Permanent Committee on the Office of the General Assembly. The same rule applies to the Assistant to the Stated Clerk and all other staff members.

(3) In event the office of Stated Clerk becomes vacated for any reason, the Permanent Committee on the Office of the General Assembly shall nominate to the Moderator a person to serve as Acting Stated Clerk, and after consideration of such nomination, the Moderator shall appoint an Acting Stated Clerk to perform the duties of the Stated Clerk until his successor has been elected and qualified to serve.

4. Blue Book

(1) All reports of permanent committees except reports printed by the various agencies, all ad interim committees and special committees and all reports of outside organizations which make an annual report to the Assembly shall be delivered to the Stated Clerk of the Assembly by February 25, and all overtures by February 25 in each year; provided further, no overture received by such Stated Clerk after April 10 shall be referred to or considered by such meeting of the General Assembly convening in April of that year.

(2) The Stated Clerk shall print in the Blue Book the reports of all permanent committees, except those submitting printed reports, all ad interim committees and reports of such outside bodies as make an annual report, and select committees. He shall also print the overtures, having previously classified and numbered them for presentation to the Assembly. He shall also print a full and complete docket in the Blue Book, which shall be the docket for the Assembly each year.

(3) The Stated Clerk shall prepare a manual for the benefit of new commissioners, particularly laymen, to be printed in the Blue Book. It shall include sections on (a) how the Assembly operates; (b) the most used parliamentary rules; (c) the duties and responsibilities of each standing committee; (d) hints and comments that will be helpful.

5. Standing Committees

(1) The number of standing committees shall be limited as follows: Bills and Overtures; Judicial Business; Office of the General Assembly; General Council; World

Missions; Church Extension; Christian Education; Annuities and Relief; Women's Work; Interchurch Relations; Presbyterian Survey; Christian Relations; Christianity and Health; and Minister and His Work.

(2) The planned docket for Friday and Saturday mornings—a total of eight hours—shall be set aside for the meetings of the Standing Committees.

(3) The Standing Committees shall be named in the following manner:

Prior to the meeting of the General Assembly the Stated Clerk shall conduct a drawing through which each commissioner shall be placed on a standing committee in as fair and equitable manner as possible. The mechanics of the operation shall be as follows:

(a) When the commissioner is elected by the presbytery, he shall fill in a printed 3 x 5 card, showing his first, second, third and fourth choices among the standing committees. (Alternates will have to accept the choice of their predecessors if the drawings have been completed.)

(b) The card shall be given to the Stated Clerk of the Presbytery. (The commissioner is thus given several months in which he may study the work of his preferred committees.)

(c) Six weeks (four weeks deadline) before the General Assembly meets, the clerk of the Presbytery shall verify the correctness of the cards and mail them to the Stated Clerk of the General Assembly.

(d) Three weeks before the Assembly, the Stated Clerk shall conduct a drawing. The total number of commissioners shall be divided by the number of committees to ascertain the number of men who will serve on each. As each name is drawn, the sequence number shall be written on a card, and the card placed in the first choice shown. When the quota is reached by any committee, the second choice on the card drawn will dictate the particular committee. If the quota for the second choice is filled, then the card shall be placed with the third choice of the particular commissioner and so on.

(e) No more than one minister and one layman from a presbytery shall be placed on a particular committee; if such occurs in the drawing the next choice shown on the card shall be honored.

(f) The drawing shall provide for equal lay and ministerial membership on the committees.

(g) The last cards drawn shall be used to fill in the quotas of the unfilled committees. The nearest quotas shall be filled first.

(h) Two weeks before the General Assembly meets, the Stated Clerk shall mail the cards back to the individual commissioners. The cards will show the sequence number in the drawing and the committee to which he is assigned.

(i) Chairmen of Standing Committees shall be appointed by the retiring Moderator.

(4) No partial report from a standing committee, except from the Committees on Judicial Business and Interchurch Relations, shall be received by the Assembly without the consent of the Assembly. All reports of committees shall be typewritten in three copies by the Assembly's stenographers; and proofread by the chairman of the committee reporting. The duties of the chairman of a committee shall not be completed until he has edited carefully his committee's report, after it is typewritten, for errors in phraseology and grammar, and shall have filed the required number of copies of the report with the Stated Clerk. The chairman of each committee shall also, after the Assembly shall have acted on the report presented by him, incorporate therein at the proper place each amendment made by the Assembly to the report.

(5) The report of a standing committee to the Assembly shall be as brief and concise as the recommendations of a committee will permit. The report shall contain a brief preamble of the questions acted on by the committee and the conclusions and recommendations of the committee. Extracts and quotations from reports of an executive committee, a permanent committee, or an ad interim committee shall be avoided except when required to make the report intelligible. Overtures shall be answered by reference to the number of the overture and a brief statement of its substance.

(6) The policy of the Assembly shall be to have official representatives of its agencies present during all Standing Committee meetings for consultative purposes, except at those times when in the judgment of the committees an "executive session" is demanded; to that end the agencies of the Assembly are instructed to have, in addition

to the executives, at least one official representative present for such meetings with the committees from among the members of the boards and agencies. (1952, p. 96)

6. Budget and Authorized Expenditures

(1) The Permanent Committee on the Office of the General Assembly shall make an estimate of the probable expenses of the Assembly based upon an estimated budget of expenses submitted by the Treasurer and recommend per capita dues to cover the same.

(2) All requests or recommendations for appropriation for expenses of any organization or council which shall come to the Assembly shall be placed in the hands of this committee. It shall make a full report, recommending in detail the items for which funds are requested, which report, if adopted, the items recommended shall be paid by the Treasurer of the Assembly. A recommendation that the budget of estimated expenses submitted by the Standing Committee on the Office of the General Assembly be adopted shall carry the authority for payment of the items in said report.

(3) The audits of all boards, divisions and permanent committees, trustees and treasurer of the Assembly shall be submitted to the standing committee on this cause for approval. All proposed standing rules or changes in standing rules shall be submitted to this committee for approval before adoption by the Assembly.

The Treasurer shall pay annually without any further special orders from the Committee on the Office of the General Assembly:

(a) The expenses of the chairman of an ad interim or permanent committee in attending the Assembly shall be paid by the Assembly when the committee of which he is chairman vote that the report is of sufficient importance as to require the attendance of the chairman and when the committee shall so notify the Stated Clerk.

(b) The expenses of our representatives to the National Council of Churches (General Board and General Assembly), World Council of Churches, and World Presbyterian Alliance. The Treasurer is directed to set aside each year the amount of $2,000 for the payment of these expenses. This fund shall be cumulative.

(e) The designated funds embraced within the General Fund and Interchurch Agencies.

7. Overtures

(1) The Stated Clerk shall pass on routine overtures received by him as a matter of course. Any overtures affecting ecclesiastical rules and polity should be referred by him to the Permanent Judicial Committee prior to the meeting of the Assembly in order that the Permanent Judicial Committee may give to the standing committee considering the overtures its judgment concerning the background in polity and rules of the church with which the overtures may be concerned.

(2) Under each overture printed in the Blue Book the name of the standing committee to which it is referred as recommended by the Stated Clerk shall be published. If there is no objection, they shall be referred as a whole, as recommended, without formal vote on the part of the General Assembly.

(3) No overture will be considered by the Assembly until it has first been presented to a presbytery or a synod. If the overture is approved by a presbytery or a synod it will then come before the Assembly as an overture from that presbytery or synod. If the overture is rejected by the presbytery or the synod, it may then be presented to the Assembly, but the fact that it has been presented to a presbytery or a synod must be clearly stated on the overture.

See also Standing Rule 4 (1).

8. Listing and Referring Reports

(1) In like manner he shall list and present without reading all reports of permanent committees (except those presenting printed reports), ad interim and special committees (all of which are printed in full in the Blue Book), which shall be referred to proper standing committees or disposed of immediately as the Assembly may elect. In case these reports are to be considered directly by the Assembly, the Stated Clerk shall suggest a time on the docket when each report shall be considered.

(2) If the chairman or representative of a permanent, ad interim or special committee wishes to be heard in connection with the report, such privilege shall be limited

to a statement not to exceed five minutes, and in no case shall a report which is in printed form be read in full.

(3) Secretaries of boards, divisions and others with printed reports shall present these reports directly to their respective standing committees.

(4) The annual statistical reports from the presbyteries shall be delivered to the Stated Clerk on or before February 15 of each year. The annual reports of the boards, and permanent committees shall all be bound together in a separate pamphlet for distribution, together with such other reports which the General Assembly may order to be bound with the annual reports. Synopses of these reports shall be omitted from the Appendix to the printed copy of the Minutes of the Assembly.

9. Meetings of the Assembly

(1) The Stated Clerk shall have charge of all arrangements for the meeting and entertainment of the Assembly. He shall secure, if possible, special railroad rates and accommodations and supervise all other matters for the comfort and convenience of the commissioners.

(See also Rule 1.)

10. Commissioners

(1) Items to be included in the expenses of the commissioners as chargeable to the Assembly shall be:

a. The lowest railroad fare by direct route.

b. Pullman fare.

c. Cost of meal en route.

d. Taxi fare and other incidental transportation.

e. Auto travel at four cents per mile by direct route for driver; commissioners who are passengers in car driven by another commissioner, 1 cent per mile.

Any exception to this rule must be in the nature of an emergency, and the commissioner requesting an exception must present the case for his excuse to the Stated Clerk of the Assembly or its designated agent in such matters for ratification and consent.

11. Program Committee

(1) The Program Committee shall consist of the Moderator, the Moderator of the preceding Assembly, the Stated Clerk, and in the event the Assembly meets in a church, the pastor of the church entertaining the Assembly. This committee shall act as a Steering Committee and shall present to the Assembly each morning an order of procedure for the day.

(2) The Program Committee shall prepare a tentative docket for the General Assembly embracing all the business expected to come before the Assembly, and including all popular and inspirational features. All requests for addresses before the General Assembly shall be presented first to this committee.

(3) The Program Committee shall act as a steering committee for the Assembly and recommend necessary changes in the docket as the need arises. As far as possible all requested changes in the docket shall be presented to the Assembly through the Program Committee. Recommendations for such changes shall ordinarily be presented by the Program Committee at the beginning of the morning or afternoon sessions.

(4) The docket shall be planned by the Program Committee for a period of from three and a half to four days, excluding Sunday.

(5) The planned docket for each day shall be limited to four hours in the morning; four hours in the afternoon, and one and one-half hours in the evening, a total of nine and one-half hours.

(6) All inspirational features or addresses shall be placed on the evening program (excepting on Sunday), and the daytime be devoted entirely to business.

(7) The Assembly, having for its chief business the consideration of the interests that are vital to its own growth and development, instructs its Program Committee not

to arrange for more than one speaker for each outside body which desires to be heard on any matter not vital to full and correct understanding of its own business and its relations to these bodies.

The Stated Clerk is instructed to send a copy of this action to all persons and bodies outside the Assembly who may make request for time to present their interests.

12. PRINTED MINUTES

(1) The official minutes of a court are the original minutes prepared by the Temporary Clerk or the Assistant Clerk, adopted by the court and signed by the Stated Clerk. If the Stated Clerk, before signing the original minutes discovers that the copy of these original minutes prepared by the Temporary or Assistant Clerk in typewritten or written form for use of the Stated Clerk in printing the minutes is incorrect by reason of any clerical oversight or typographical error, he shall be authorized to make such corrections as shall make the typewritten or written copy correspond in all respects with the original minutes or notes from which such typewritten or written forms was prepared.

Further, if it be discovered that in the printed copy of the minutes there are certain typographical errors which make the printed minutes of the court vary from the original minutes adopted by the court and signed by the Stated Clerk, the Stated Clerk shall give official notice through the press or through the court concerned of the typographical errors, which notice shall be sufficient authority for those possessing copies of the printed minutes to make the printed copy correspond with the original minutes.

(2) The Stated Clerk is authorized to revise the phraseology of all papers adopted by the General Assembly and to make corrections in the spelling of proper names, initials, the totals of figures and other minor changes, provided that in no case shall he so change the phraseology as to alter the meaning. The minutes, as finally approved by the General Assembly, shall in no case be altered or changed by the Stated Clerk.

(3) The Stated Clerk is authorized in printing the various reports of our seminaries, for the sake of economy, to leave out the less essential matter, and to print only the heart and substance of each report.

(4) The Stated Clerk is instructed to send a copy of the Minutes to each minister, licentiate and to the rising seniors and graduates of our theological seminaries, to the ruling elder commissioners who attend the Assembly, to the foreign missionaries whose membership is in foreign presbyteries, to all the members of the General Council, to all the Trustees of the General Assembly, to the Libraries of all our Church colleges, and to the stated clerk of each presbytery and synod.

13. GENERAL PROVISIONS

(1) Limitation of Debate

In the consideration of any question before the Assembly, no commissioner shall speak more than once on the question until all others who desire to speak on the question have been given an opportunity to speak. Each recommendation in a committee's report shall be considered a separate question. The chairman or the member of a committee presenting a report shall have the right to speak when presenting a report, to answer interrogations addressed to him by consent of the Moderator and to conclude the debate on the pending question.

Except when the Assembly shall order otherwise, a time limit of ten minutes shall be allowed each speaker; a time limit of one hour for each side in debate.

(2) Introduction of New Matter

No motion or resolution introducing new matters not already before the various committees shall be in order later than the afternoon session of Monday, except by special permission, and all such motions and resolutions introduced prior to that time are to be referred to the appropriate committees. This is not to be interpreted as infringing upon the right to make amendments or substitutions to any report brought to the floor of the Assembly after that time.

(3) Special Financial Appeals

All Assembly agencies shall ordinarily submit to the Budget Committee of the General Council all requests that contemplate special appeals for contributions from the churches, so that the Budget Committee can study each financial responsibility in the light of the whole program and make recommendation to the Assembly. (See also "Plans for Education and Promotion," below.)

(4) Ad Interim Committees

The following rules shall govern the appointment of ad interim committees:

(a) Each overture or resolution requesting the appointment of an ad interim committee shall be referred to the appropriate standing committee.

(b) The standing committee shall recommend to the Assembly: First, whether an ad interim committee is needed; and, second, if needed, the naming of an existing agency which shall be instructed to make careful study of the question and report to the next Assembly. If it appears that the matter requires the appointment of a selected ad interim committee, the standing committee should so recommend.

(5) Permanent Committees

Members of permanent committees shall be nominated and elected in keeping with the plan adopted in recommendation 7 on Re-organization of the Assembly's Agencies. (Refer to Minutes of the General Assembly for 1949, Page 135.) Members of permanent committees shall be elected for terms of three years, eligible to succeed themselves for a third term of three years, but not eligible for further re-election until the lapse of one year. (See recommendation 3, minutes for 1949, page 134.)

(6) Plans for Education and Promotion

All Assembly agencies shall submit to the Budget Committee of the General Council for its approval all plans for education and all plans for the promotion of special appeals for funds, in order that these plans and appeals may be properly harmonized and made to conform to the orders and directions of the General Assembly. The right to appeal to the General Council from any action or decision of the Budget Committee shall be allowed.

(7) Per Capita Tax

In view of the fact that expenses of the General Assembly will fluctuate so greatly due to the widely separated points where the General Assembly may meet, it becomes necessary that the General Assembly Treasurer carry an adequate balance to meet these expenses. See also 6(1).

(8) Standing Rules

These rules shall be Standing Rules and govern the procedure of each Assembly until amended or repealed. No rule shall be amended or repealed except by the concurring vote of two-thirds of the commissioners present and voting.

XV. PERMANENT JUDICIAL COMMITTEE

1. The General Assembly shall appoint a Permanent Judicial Committee consisting of nine members, at least five of whom shall be ministers. Members shall be elected to serve terms of three years. No person shall be eligible for service on this committee for more than two terms in succession. All vacancies shall be filled by the General Assembly for three-years terms, except that in the case of vacancies occurring between sessions of the Assembly, they shall be filled by appointment of the Moderator of the Assembly for the unexpired terms. Four of the nine members may be ruling elders, and the nine shall represent not fewer than three synods.

2. The General Assembly shall refer to this committee for consideration and report all judicial cases coming before that body by appeal, complaint or otherwise, in the following manner: within sixty days after the adjournment of the court from which the case is taken to the General Assembly, the Stated Clerk of the Assembly shall place in the hands of the chairman of the said Permanent Judicial Committee the complete records of the case, or a certified copy thereof for the use of the committee.

3. The Stated Clerk of the General Assembly shall transmit to the chairman of said committee, as soon as received, copies of all overtures to the approaching Assembly touching constitutional questions or affecting changes in the Book of Church Order, for advice. That portion of the committee's report containing these advices shall be placed in the hands of the standing committees on Bills and Overtures and Judicial Business, along with the overtures.

4. The committee shall file its report by the first day of the Assembly. This report shall present to the Assembly the law at issue, or affected by all the matters referred to, together with such references as will aid and expedite a careful review of the whole matter by those charged therewith; and it may add such suggestions as, in the judg-

ment of the committee, will assist the Assembly or its agents to arrive at just and lawful decisions.

5. This committee shall meet at the call of the chairman, and its necessary expenses shall be provided for by the General Assembly.

6. This committee may from time to time submit to the General Assembly for its approval such rules or procedures governing the trial and conduct of cases as would appear expedient to the end in view.

7. Any individual, group or court within the church seeking information on church rules or procedure may submit inquiries to the Stated Clerk who may transmit them to the Permanent Judicial Committee if he deem it necessary or desirable.

8. The Stated Clerk of the Assembly shall be an *ex officio* member of this committee, but without the power to vote.

XVI. INSTRUCTIONS TO STATED CLERKS

REPORTS FROM PRESBYTERIES

The General Assembly instructs the stated clerks of presbyteries as follows:

1. Secure from the Division of Publication, Board of Christian Education, Richmond, Va., the latest forms of blanks. It is a good idea to order just enough for one year, allowing a few extras for churches which may lose the set sent them. The Assembly makes frequent changes in the blanks.

2. Make the report in clear, distinct writing, especially the columns of names and figures in the Statistical Tables. Omit all fractions of a dollar in the money columns. If it is $10.50 or less, enter $10.00; if $10.55 or more, enter $11.00. Add *all* columns, if possible, on adding machines. Proofread the adding machine work before mailing. Attach adding machine slips to the report. Make the vowels in the names of ministers, churches and postoffices very distinct. Printers have much difficulty with vowels which look very much alike.

3. When a church does not make a report, enter it in the listing according to postoffice; give number of ruling elders, deacons and members from the last report.

4. When a stated clerk of presbytery is ready to make out his statistical report to the General Assembly he is requested to study the report of his presbytery in the Minutes of the General Assembly for the preceding year. All of the statistical reports are uniform in arrangement and each stated clerk should use the report of his presbytery in Assembly Minutes as a pattern.

5. Fill out the statistical report blank giving list of churches according to post office. Where there is more than one church at a particular post office list those bearing numerical titles first; follow these with other churches alphabetically arranged. If a minister serves more than one church the number of churches should be indicated by the figure in parentheses opposite his name. Ministers who are not serving a church or churches in the presbytery must be listed at the bottom of the statistical report with occupation and post office. Give number of candidates. All this must be done the first thing after adjournment of the January meeting of presbytery. The Stated Clerk of the Assembly must have this list to perfect the alphabetical list for the minutes.

6. At the close of the church year the Stated Clerk of the Assembly will forward to each presbytery's stated clerk an Official Roll of the ministers and licentiates. This list must be carefully checked as to: degrees, occupation and mailing address. Immediately upon completion of this roll it should be returned to the Stated Clerk of the Assembly.

7. Mail to the Stated Clerk, Rev. E. C. Scott, 341-E Ponce de Leon Ave., N. E., Atlanta 8, Ga., all reports from the presbytery just as soon as they are prepared. The Standing Rule requires that all these reports shall be in the hands of the Stated Clerk by February 15.

8. Mail overtures and other official communications, including a list of commissioners, at earliest possible date; otherwise, the printing of the Blue Book will be delayed. Send each overture upon a separate sheet of paper, written only on one side, duly signed by the Stated Clerk. (Read also Standing Rules 4(1) and 7, found on Pages 199, 201.)

9. Notify promptly the Stated Clerk of the Assembly when a change is made in the Stated Clerk of Presbytery.

10. Notify the Stated Clerk of the Assembly on cards supplied by him of the reception and dismission of ministers within forty-eight hours after the meeting of presbytery.

11. Stated clerks of presbyteries are instructed to send sessional statistical reports, along with presbytery's statistical report, to the office of the Stated Clerk of the General Assembly.

REPORTS FROM SYNOD

The General Assembly hereby instructs the stated clerks of synods as follows:

(1) Notify the Stated Clerk of the General Assembly before the meeting of each Assembly of the formation or dissolution of presbyteries within the bounds of their respective synods; (2) of the times and places of the next meeting of these bodies; (3) of any changes which may be made in the stated clerk of synod. *These three things* should be attended to immediately on the adjournment of synod. A *marked* copy of the printed minutes is not an official notification. An official letter should be written covering the items mentioned above.

XVII. FORMS OF BEQUESTS

"I give, devise, and bequeath to the Trustees of the General Assembly and Presbyterian Foundation of the Presbyterian Church in the United States, Inc. _____ (here insert the estate devised and bequeathed) for the use and benefit of said Church."

"I give and bequeath to the Trustees of the Presbyterian Board of Christian Education of the Presbyterian Church in the United States (incorporated under the laws of the State of Virginia) (here name the amount of the bequest), to be used for the publication work of said Church."

"I give and bequeath to the Board of World Missions of the Presbyterian Church in the United States (incorporated under the laws of the State of Tennessee) (here name the amount of the bequest) to be used for the Foreign Mission work of said Church."

"I devise and bequeath to the Board of Annuities and Relief of the Presbyterian Church in the United States the sum of _____ dollars for the cause of Ministerial Relief."

"I devise and bequeath to the Board of Christian Education of the Presbyterian Church in the United States the sum of $_____ to aid candidates of said Church in preparation for the gospel ministry."

"I hereby give and bequeath to the Board of Church Extension of the Presbyterian Church in the United States (incorporated under the laws of the State of Georgia) (here name the bequest) to be used for the Home Mission division of said Church."

XVIII. PRAYER FOR THE GENERAL ASSEMBLY

WHEREAS, The General Assembly of the Presbyterian Church in the United States fully recognizes the efficacy of the prayers of God's people, and the necessity for divine guidance in its own deliberations; therefore,

Resolved, First, That the General Assembly recommend to all the churches under its care to offer special prayer during the devotions of the Sabbath preceding the meeting of the General Assembly in each year, that God would of great mercy so give the Assembly the wisdom that cometh from above, and so direct all its plans, discussions and decisions as to promote His own glory and to advance the kingdom of Jesus in the earth.

Resolved, Second, That the above preamble and resolution be printed annually in the Appendix to the Minutes of the Assembly.

(Minutes of General Assembly, 1863, p. 133.)

STATISTICAL REPORTS FROM PRESBYTERIES

IMPORTANT

Every minister and licentiate should notify the Stated Clerk of his presbytery at once of any change in his address or ecclesiastical status. The Stated Clerks of the presbyteries should transmit this information promptly to the Stated Clerk of the General Assembly.

Corrections for the lists of ministers and licentiates and the names of the churches should be sent directly to the Stated Clerk of the General Assembly. Ministers living in cities where there is free delivery and where mail is delivered at the home should always give their street address.

The names of ministers in parentheses indicate that these men are not members of the presbyteries where listed but that they are serving these churches as Pastors-Elect or as Supplies. In the former cases they are in process of being received or ordained. In the latter they will continue to hold their membership in different presbyteries.

INDEX OF CHURCHES

The General Assembly of 1930 directed that the Alphabetical List of Churches be printed in the Minutes (see page 80 of 1930 Minutes).

Explanatory Note

Churches are indexed both by name and by postoffice except for churches in cities. These will be found only under the name of the city.

Where the name of the church appears first, it is followed by the designation "Ch." or "Chapel."

It has been impossible to secure complete information as to churches which are "R. F. D." Therefore, it is certain that some churches listed under the names of small towns are located in the country.

This index is as accurate as it could be made by comparing the reports of the presbyteries with the reports from the individual churches. Where any discrepancy occurred as to postoffice, the report of the latter is used. In some instances, therefore, this index will vary as to postoffice from the statistical tables printed in the Minutes.

The date opposite a church indicates year of organization.

The presbytery is used instead of page number. For the convenience of those who are not familiar with the presbyteries, an alphabetical index, with page number for each presbytery is given below:

EXPLANATORY NOTE

This list supposedly consists of PAID Directors of Christian Education. In an effort to obtain the names of all such staff personnel, space was provided on the Session's Statistical Report blank for recording name and address of Director. Many Sessions, whose churches have no Director of Christian Education, gave the name of Chairman or member of Session's Committee on Christian Education. It was not possible in every case to determine who are Directors and who are members or Chairmen of Sessions' committees. In the Session's blank next year the instruction will be made clear that only employed Directors of Christian Education are to be reported.

E. C. SCOTT, *Stated Clerk*
